

**Governor and Mrs. John E. Weeks
Anniversary Scrapbooks, 1929 and 1939
Doc 752**

Introduction

This collection contains congratulatory letters, cards, and telegrams sent to Vermont Governor John E. Weeks and his wife, Hattie J. Dyer Weeks, on their 50th wedding anniversary in 1929 and on their 60th wedding anniversary in 1939. The items in the collection were given to the Vermont Historical Society by John E. Weeks in 1946 (acc. no. 23278, 23279, and 23280). They were formerly classified under the Dewey number 392 W418.

Biographical Note

John Eliakim Weeks was born to Elizabeth Dyer and Ebenezer Holland Weeks on 14 June 1854 in Salisbury, Vermont. He attended Middlebury High School and was a farmer in his younger years, having left school to assist on the family farm due to the ill health of his father. He married Hattie Jane Dyer of Salisbury on 14 October 1879.

Weeks was governor of Vermont, 1927-1931 and held numerous other public offices over the course of his career. His governorship saw Vermont suffer one of the most devastating floods in the state's history in 1927. Before becoming a candidate for governor, he was an assistant judge of Addison County, 1884-1886; a member of the Vermont House of Representatives for Salisbury, 1888-1896; and a Vermont senator for Addison County. He also served as state cattle commissioner, chairman of the state penal board, director of state institutions, and Commissioner of Public Welfare. He was a member of the U.S. House of Representatives, 1931-1933.

John Eliakim Weeks died on 10 September 1949.

Scope and Content

This collection contains the contents from three scrapbooks and one loose pile of letters, cards, and telegrams sent to Vermont Governor John E. Weeks and his wife, Hattie J. Dyer Weeks, on their 50th wedding anniversary in 1929 and on their 60th wedding anniversary in 1939. Two of the scrapbooks were disassembled, so only one scrapbook remains intact. The items in the other scrapbooks were moved to archival folders.

The Weeks received messages from prominent politicians and citizens of their day including Franklin D. Roosevelt (as governor and president), Herbert Hoover (as president and former president) former president Calvin Coolidge, and financier J. P. Morgan. The governors of many of the states sent messages, as did prominent Vermonters and heads of organizations located in Vermont or associated with Vermont in some way.

The contents of the three scrapbooks have each been indexed by name. A consolidated every name index has been created from the three separate indexes. The five folders of greeting cards have not been indexed.
