SEVEN YEARS OF GRACE

by Sara Rath

A dramatized account of the life of Achsa W. Sprague (1827-1862), who in the decade preceding the American Civil War lectured to audiences of thousands on Spiritualism, the abolition of slavery, women's rights, and prison reform. Grounded in the extensive collection of Sprague's papers at the Vermont Historical Society, this fascinating tale includes trances, the brush of angel wings, and the love Achsa felt for a married man. 2016

\$24.95

"Ms. Rath does a great job of creating a very human Achsa from centuries-old letters... Fans of antebellum America and the spiritualism craze shouldn't miss this one."

MOSES ROBINSON AND THE FOUNDING OF VERMONT

by Robert A. Mello

Moses Robinson may be the most important founding father you've never heard of! In this full-length biography—deeply researched in official state papers, legislative proceedings, court record, and other government documents—Superior Court judge Robert Mello restores Moses Robinson to his rightful place as one of the most significant figures in the founding of Vermont and the development of its state institutions. Illustrated, bibliography and index. 2014

\$34.95

THE PROBLEM OF SLAVERY IN EARLY VERMONT, 1770-1810

by Harvey Amani Whitfield

Vermonters have always been proud that their state was the first to outlaw slavery in its constitution—but is that what really happened? *The Problem of Slavery* explodes this myth and forces us to squarely consider the deepest questions about what freedom actually meant for African Americans in Vermont well into the nineteenth century. 2014

\$19.95

UNCOMMON LAW, ANCIENT ROADS, AND OTHER RUMINATIONS ON VERMONT LEGAL HISTORY

by Paul S. Gilles

The 25 essays collected in this book examine the foundations of legal thought in Vermont, historical issues ranging from log drives to keeping of sheep and blue laws, the state's legal luminaries, and contemporary issues including ancient roads and Act 250. Illustrated, bibliography and index. 2013
