SESSION PROPOSAL
2022 League of Local Historical Societies & Museums Annual Meeting
Saturday, October 29
Manchester, VT

We are currently soliciting session proposals for the 2022 LLHSM Annual Meeting. This meeting is the largest yearly gathering of local history and museum professionals in the state. It is a chance to network and learn with colleagues in a supportive environment.

Sessions take place in the morning and afternoon and are approximately 60 minutes long. We encourage sessions with either hands-on or practical components (e.g.- box making, video creation, scanning 101) or Guided Discussion (e.g.- value of local history, diversity & inclusion).

Most attendees are from small, often all-volunteer organizations. There is a wide range of experience and education within the group related to historical societies & museums. In general, sessions that emphasize practical aspects of museum and history work are prioritized over purely theoretical.

Sessions that cover all aspects of museum, historical and non-profit work would be applicable to this audience. Including but not limited to: Collections, Education, Board, Volunteers, Exhibitions, Public Programs, Fundraising, Preservation, Technology, etc.

Session presenters receive free registration to the meeting.

If you are interested in being a presenter, please complete the proposal form online at http://bit.ly/LLHSM-Proposal-2022, or email a completed form to Eileen Corcoran, Director of Service & Outreach, at eileen.corcoran@vermonthistory.org. If you have any questions or have ideas for a session but need further guidance, please contact Eileen at the email above or (802) 479-8522.

Information on the Meeting and other League of Local Historical Societies & Museums (LLHSM) programs is available on the VHS website: vermonthistory.org.
