

LLHSM Update

In 2019, we utilized engagement sessions and a survey to help determine strategies and new ideas for programs and services VHS could provide through the League of Local Historical Societies & Museums (LLHSM)

Though the pandemic altered and restricted some of our plans, below are current LLHSM programs and services. **New or expanded services you requested that we were able to implement in 2020 are in green.** You can find details on all LLHSM programs at <https://vermonthistory.org/local-history/> or contact Eileen Corcoran, eileen.corcoran@vermonthistory.org for assistance.

Support

Technical assistance
Site visits
Annual workshops
Virtual programs
Mentors Program
