NOTE.—The following *unincorporated* places have been returned separately by the enumerators. The list is not by any means complete, as very many enumerators have failed to separate such bodies of population. The population of these places has, of course, been included in the towns in which they are respectively situated. The figures can be considered as only approximate, as the limits of such places are not sharply defined.

| Name of place. | Town. | County. | Population. | Name of place. | Town. | County. | Population. |
