

## Vermont History Day Educator Workshop

- What is Vermont History Day and where do you begin?
- How can you help students get started with this year's theme?
- How do students benefit from participating in Vermont History Day?
- What academic and transferrable skills can students learn?
- Where can students find primary sources for their projects?
- How can the program work in a variety of classes or afterschool programs?  
(It's more than just Vermont history!)

Find answers to these and other questions at a Vermont History Day educator workshop.  
**Tuesday, November 8, 2022 - 9:00-3:00** at the Vermont History Museum, Montpelier

This in-depth workshop will examine the different options for History Day projects and demonstrate ways to incorporate project-based learning into your classroom or school. Educators will learn about resources and ways to support students through the process of creating projects and participating at the state and national level. New and experienced History Day educators are encouraged to attend.

Special Guest:

Lori Morse, retired Vermont History Day teacher & current Vermont History Day judge

**Pre-registration required. \$40.00 registration fee includes lunch and certificate for 6 hours of professional development.**
