

**Sanborn Fire Insurance Maps  
at the Leahy Library  
Vermont Historical Society, Barre, Vermont**

This is a guide to the Sanborn Fire Insurance maps for towns and villages in Vermont held by the Vermont Historical Society's Leahy Library, compared with online holdings at ProQuest and the Library of Congress and unique holdings at the University of Vermont. This guide is presented in two tables: one is sorted by village name the other is sorted by town name.

The dates of the maps in the bound volumes at the Vermont Historical Society vary, but most are 1920s maps that were updated with paste-ons supplied by the Sanborn Company through the 1970s.

This table also shows the dates of maps that have been digitized and are available in electronic form from ProQuest by subscription through the Vermont Historical Society and for free from the Library of Congress (as of August 2018).
