Marriages and Baptisms performed by Richard Bedford, Jr., Minister of the Gospel

transcribed by Robert M. Murphy

In March 2002, the Vermont Historical Society obtained photocopies of original records of Richard Bedford, Jr., a minister of the Methodist Episcopal Church in the mid-1800's. The records were found in an attic near Ithaca, New York, and were purchased by the Sullivan County Historical Society of LaPorte, Pennsylvania. That historical society, noticing that many of the records were for Vermont marriages and baptisms, furnished photocopies to VHS.

The records furnished cover baptisms between the years 1836-1847, and marriages between 1837 and 1849. Localities include the counties of Orange, Windsor, Caledonia, Orleans and Washington.

A transcription of the records follows. An all-name index may be found on page 9.
