

The above records reside in the vault of the Vermont Historical Society, 60 Washington St., Barre, Vermont. They document proceedings of the church from 1786-1835, covering the period of the ministries of Nathaniel Lambert, Luther Jewett and Clark Perry. In addition to the church proceedings, a list of church members, with death dates of many, is included. Also, baptisms and marriages, as well as a separate list of deaths is included.

Indexing of this document was done with an eye toward standardizing, to the extent feasible, the spelling of names. Pagination was uncertain toward the end of the book, as the binding had failed, and the order of pages was questionable. In particular, a list of deaths appears on a smaller set of pages not from the original book. However, all pages (including the list of deaths) were numbered in pencil in the order in which they appeared, and those page numbers are what are referenced in this index.
