Montpelier High School

Montpelier, Vermont

Mrs. Elsie Chaffee

We, the class of 1950, dedicate this Record to Mrs. Chaffee who has been at Montpelier High School for twenty years, during which she has been a source of inspiration and guidance to many.

Our High School

FOREWORD

As the class of 1950 goes forward into the second half of the 20th century, we see the citizens of tomorrow. With the shadows of the last war not completely passed and with the deadly weapons we have seen used by our armies, it is even more important for us as individuals and as a class to strive for peace throughout the last half of the 20th century. Leaving Montpelier High School many of us will be going to college and many more will be working right after graduation, but no matter what the members of our class do we will try to attain the goals we have set for ourselves. The class of 1950 passes through the portals of Montpelier High School for the last time as a class.

Our High School

Montpelier High with loyal song

We rally to thy call,

And lift thy name in chorus strong—

Thy sons and daughters all.

Thy spirit guides us to the shrine

Of truth that makes men free;

In work and play we'll strive to pay

The debt we owe to thee.

Thy green and white unsullied bright

Shall ever float on high.

Ev'ry lip in fellow-ship

Shall join the joyful cry.

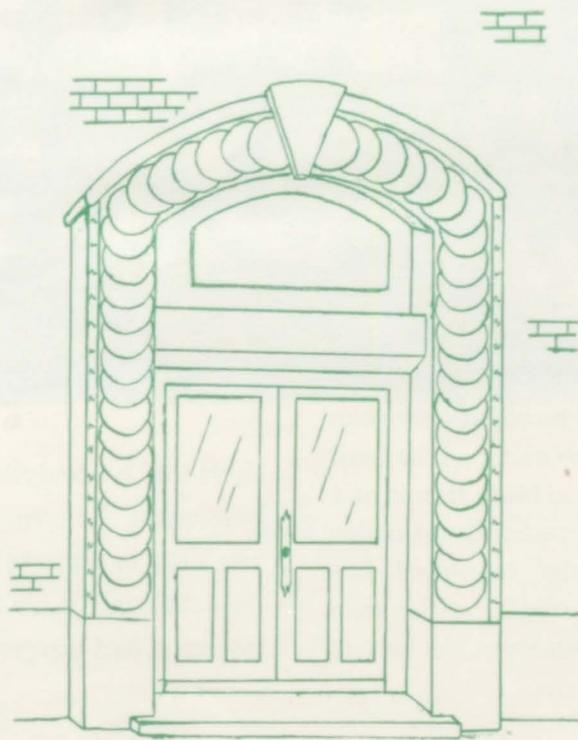

Hear our cheer, Montpelier dear,

Swell to a mighty roar.

Hail to thy name,

Bright be thy fame Forever more!

"... Thy sons and daughters all."

CLASS HISTORY

As Freshmen in 1946 we timidly entered the *side* door to commence our four year stretch of education. Mario Bianchi, Ed Stewart, Cyn Stafford and Ralph Barrows were the executives of the class while Ned Hamilton and Nat Greenberg were elected to serve on the Student Council. After being tortured by Senior Privileges, we were treated royally at the Freshman reception. The class was off to a good start with many of its members taking part in athletics, Masque, G. A. A. (then G. A. L.) and Freshman Chorus as well as other activities.

Our class had indeed become an important part of M. H. S. We were represented in all the Masque productions with Janet Witham and Dick Cowles having their first of many operatic roles in "H. M. S. Pinafore." Ted Connor and John Bjorn were playing Varsity football and basketball, Marlene Wilson was our president, we were helping the *Solonscope* through its first year, and we held a Sophomore Hop in the Union School Gym. Yes, we got into plenty of trouble but we always managed to get out again. Our reputation having been established, we did our best to uphold it. We survived finals and entered into the ranks of upperclassmen.

The big year had arrived! Class rings came and did we strut around! After mid-years we had plenty of time to plan *our* Prom. June Prescott did a wonderful job on decorations and everyone had a marve-

lous time. We did our part in the two state championships received this year, one for basketball, the other for the one-act play, "The Bishop's Candlesticks". We were again active in Masque, Chorus, Ski Club, Band, and athletics. We had several students go to Boys' and Girls' State in June. Music Festival came and went with many of the class participating. Elections were held with the following results: Ted Conner, president of Student Council; June Merrill, editor of the *Record*; Janice Carter, president of G. A. A.; Bob Sawyer, president of Masque; and Nat Greenberg, editor of the *Solonscope* to mention a few. Twenty Pro Merito awards and five Silver "M"s were earned by the class during our first three years at M. H. S.

Rush! rush! That was the pace of our glorious Senior year. After quite a spell we received Senior privileges. The Freshman Reception was a huge success with a record attendance. The Mixed Chorus had its second annual concert with St. Johnsbury. Billy Wong represented the class on the debating team while several of the class went to All State Band and Chorus. The class' dramatic talent was prevalent even in the humorous skit given in assembly. After Senior pictures, came mid-years followed by Senior themes. We went to the Prom thinking that although it was nice, it could never top ours. In preparation for Graduation were our Class Day and Picnic at which we celebrated in high spirits. Then came the BIG NIGHT, and we left never more to return.

BOYS' STATE

Four boys from the class of 1950 were selected to attend Green Mountain Boys' State as guests of the American Legion and local service clubs. The four boys that went to Norwich University were David Anderson, Mario Bianchi, Theodore Conner and Frederick Strong.

During the week of June 9, boys from nearly every high school in the state gathered to learn how their state and local governments function and how they could, through better understanding, become good citizens. The boys were divided into towns and counties where they set up their own model government under the supervision of the actual officers. Everyone held some office.

Most of the time in the afternoon was spent in competitive sports between the different towns. The sports were basketball, baseball, track and tennis. There was also a newspaper and a band for those interested in journalism and those who played instruments. Each evening there were assemblies, during which speeches and skits were given.

Then came the big social event, the Inaugural Ball. The boys were transported by bus to Girls' State which was held at Vermont Junior College. Everyone had an enjoyable evening. Saturday brought to a close the week which was a wonderful experience for all the boys.

GIRLS' STATE

Green Mountain Girls' State is dedicated to the sole purpose of developing high school girls into more intelligent citizens. Going to Girls' State is one of the finest opportunities any girl can experience.

Sponsored by the American Legion Auxiliary and other civic organizations, it is designed to give Vermont girls a chance to be better citizens by teaching them the fundamentals of state, town and county government.

At Vermont Junior College, where last year's session was held, the girls ran their own primary and general elections, and appointed a court; in short, they had a government run entirely by the girls themselves. The Junior citizens had recrea-

tional opportunities both in the morning and afternoon. They participated in such activities as softball, bowling and singing. Contests increased interest in these and other activities.

Girls representing nearly every town in Vermont attended Girls' State. Those representing our school were Natalie Greenberg, Barbara O'Neill and Cynthia Stafford.

The biggest social event of the week was the dance with Boys' State. The boys were transported to Girls' State on Friday night and a good time was enjoyed by all. On Saturday our closing exercises were held. Prizes were awarded to the various towns and individuals.

FACT NOT FICTION

Administration

Dr. Chastney liked Latin when he was in high school. He graduated from Summit High School, Summit, New Jersey. Our principal played on the football team all four years and he was captain during his senior year. Besides playing football he swam on the swimming team for four years, was president of the senior class, and was president of the "Hi-Y Club".

Mr. McClelland, our superintendent, graduated from Thayer Academy, Braintree, Massachusetts. He said, "At Thayer Academy we studied and we didn't have any extra-curricular activities to participate in." He did say that he was very interested in photography and spent some of his time at this. Mathematics was his choice subject.

Mrs. McLeod graduated from Enosburg Falls High School, Enosburg Falls, Vermont. Her favorite subject was mathematics. During her high school days Mrs. McLeod participated in the Athletic Association and through this organization she helped form a volleyball team. Skating was the winter sport she enjoyed most. Rather modestly, she admitted that she sang in the chorus but said she was not the "prima donna."

Miss Snyder graduated from Dana Hall, a private school in Wellesley, Massachusetts. Our guidance teacher's favorite subject was English. Miss Snyder wielded a mean tennis racket and she played a bang-up game of field hockey for Dana Hall. She was also a member of the French Club.

Special Teachers

Miss Holmstrom, the girls physical education teacher, graduated from Amesbury High School, Amesbury, Massachusetts. She said, "History was my favorite subject when I was in high school." The girls may be interested to know that there were no gym classes at Amesbury High when Miss Holmstrom went there. During her

high school days she was photographer for the "Pow-Wow", and she used to beat a snare drum in the band.

Mr. Harvey came from Springfield, Massachusetts, where he graduated from Technical High. Mr. Harvey was a four letter man in high school, playing football, basketball, baseball, and track; he also belonged to the dramatics club. His favorite subjects were physics and mechanical drawing.

Miss Newton graduated from Punchard High School in Andover, Massachusetts. Her favorite subject was English. She said that the school was strictly academic except for some choral groups in which she sang.

Mrs. Barrows graduated from Middlebury High School. She participated in the Glee Club and public speaking. Mrs. Barrows said, "I couldn't participate in the athletics because I lived five miles from Middlebury and I had to drive the horse and buggy back and forth to school every day". Her favorite subject was history.

Miss Hallgren's favorite high school subjects were sciences and home economics. She graduated from Brattleboro High School, Brattleboro, Vermont. While Miss Hallgren was in high school, she worked to save money to train at Peter Bent Brigham Hospital.

English Department

Mrs. Brown graduated from Marblehead High School, Marblehead, Massachusetts. Oh! She said she liked math as her favorite high school subject, but she also liked languages. Mrs. Brown was a "Juliet" amongst the faculty members. She was a member of the dramatics club and during her junior and senior years she took part in the annual scholarship play. She was also president of the club her senior year. Another place where she shone was on the hockey field where she played for the team.

Miss Farnham went to Burlington High for two years and then transferred to Cathedral High School from which she graduated. Her favorite subject was English. She didn't say whether she liked basketball as much then as she does now. I wonder! Miss Farnham was the editor of the school paper, wrote for the year book, the "Tower," sang in the Glee Club, and debated during her high school days.

Mrs. Small graduated from Richmond High School. She said that languages were her favorite subjects. At Richmond High she wrote for the school paper "Chips", played the piano for the orchestra participated in class plays, and debated.

Mr. Shipp graduated from Long Branch High School, Long Branch, New Jersey. His choice subjects were history and English. Mr. Shipp, our faculty Caruso, sang in the chorus, played football and soccer, worked on the newspaper, belonged to the Dramatic and Stamp Clubs; and was a member of the Student Council. He certainly kept busy with all those activities.

Math Teachers

Mr. Coane hails from Brattleboro High School. Besides playing football, basketball, baseball, and track; he was quite a debator in high school, and he liked to participate in formal discourse between negative and affirmative sides, in other words, argue. He said he liked math in high school.

Mr. Knox graduated from Milford High School in Milford, Massachusetts. He said that he was active in the high school dramatics club. His favorite subject then was plane geometry.

Science Teachers

Miss Kettelle graduated from East Greenwich High School, East Greenwich, Rhode Island. This school was a private school and there were no extra-curricular activities for those who didn't board there. Miss Kettelle liked Latin, French, and Greek in high school, and it wasn't until she took biology in college that she became interested in it.

Mr. Aiken graduated from Burlington High School. When asked what he did in high school, he said, "I played the cello in the orchestra, I studied, and then I studied some more." Mr. Aiken's favorite subject was physics.

Mrs. Toby graduated from Robinson Seminary in Exeter, New Hampshire. She

said, "To tell the truth, art was my favorite subject then." Mrs. Tobey played soccer and some other sports; she also sang in the chorus at Robinson Seminary.

Mr. Towle graduated from Worcester Boys' Trade School, Worcester, Massachusetts. He said that he had no favorite subjects and that he liked them all. Mr. Towle didn't participate in any special activities in high school.

Commercial Teachers

Miss Dixon is another native Vermonter. She graduated from Cambridge High School. Besides participating in dramatics she also wrote for the school paper. Her favorite subject was bookkeeping.

Mr. MacDonald comes from Smyrna Mills, Maine, where he graduated from Merrill High School. Sociology was the subject he liked most in high school. He played baseball, basketball, and, incidentally, he worked with the editor, (now Mrs. MacDonald) trying to publish the year-book.

Geography and History teachers

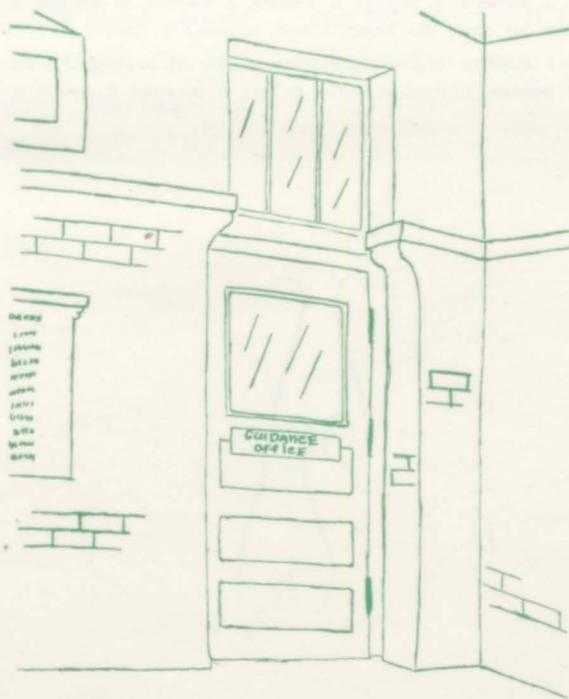

Mr. Myrick comes from Bridport and graduated from Middlebury High School. He was quite a baseball and football player and he captained the baseball team in his senior year. Mr. Myrick truthfully admitted that Latin was his choice subject when he was in high school.

Mr. Wright graduated from Dobbs Ferry High School, Dobbs Ferry, New York. Several of the extra-curricular activities in which he participated were singing in the Glee Club, writing for the year-book, and the newspaper "The Informer", participating in public speaking and singing in the operetta "Chocolate Soldier". Mr. Wright certainly kept busy. He said his favorite study at that time was Latin. While he was in high school, he was a member of the National Honor Society, he received the R. P. I. medal for science, he won a public speaking contest, and he received a scholarship to Drew University.

French Teacher

Miss Brettell graduated from Bennington High School. During her high school days she wrote for the school quarterly, "The Catamount", was a member of the Dramatic Club, and also a member of the Latin Club. She said her favorite subjects were Latin and French.

JUNIOR ACTIVITIES

CLASS TALENT

The Juniors had the first class assembly and did themselves proud. Who would have believed that there was so much talent among them!

Billy (the kid) Ward made a booming sensation as Master of Ceremonies, first introducing Leona Cleveland who "tapped" a pleasant beginning. Joyce Cooper and Eleanor Fletcher gave forth with soprano voices to produce unsurpassable entertainment, and then Bethany (Ann Miller) Thayer honored us with a tap dance solo. Jane Anderson played a praiseworthy selection on her flute, accompanied by Pat Taylor. Pat's "Sabre Dance" compares only to Oscar Levant's. "Roz" Slosberg added enjoyable variety with her classical piano selection. In the finale Joyce Cooper and Bethany Thayer teamed up as Mr. and Miss for a comic tap dance. The hilarious applause produced an encore.

JUNIOR PROM

The Juniors' biggest activity of the year was the traditional Junior Prom. The gala event was held in May for the Juniors, Seniors and their guests.

The following people were co-chairmen of the committees:

Decoration Committee; Jane Anderson and Milan Lawson. Refreshment Committee; Kay Ballou and Dick Gale. Ticket Committee; Ann Hoxie and Jay Bonazoni. Invitation Committee; Pat Taylor and Bob Lamphere. Music Committee; Dolores Amor and Charles Robie.

MIGHTY FINE

The class of 1951 is one of the smallest classes, but we'll bet that it will make a big hit because it has the "makin's of a mighta fine senior class."

SOPHOMORE ACTIVITIES

ASSEMBLY

The Sophomore class really went all out to present us a wonderful St. Patrick's Day Assembly. The Freshmen Chorus first entertained us with two well-done numbers, then in accordance with the day six Irish Lassies sang several well known Irish tunes. Next Gloria Emory played a classical piano selection. With Sandy Reynolds narrating, an amusing pantomime was presented. Neysha Rossi, the distressed mother, was trying to save her home from the scheming Ronney Lawson and his sister Wanda Douglass. The villain, Ronnie Lawson, thought he could kill two birds with one stone by marrying the daughter, Pasina Cobo, but he reckoned without the hero, Sammy FitzPatrick.

SPRING DANCE

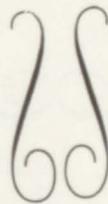

An informal spring dance was held by the class of 1952 in honor of the Juniors.

The theme of spring was carried throughout the decorations. The walls were decorated with bright, perky flowers and beautiful butterflies; kites with the class year on them flew high on the walls. The entertainment was in the form of a quiz show in which the audience participated. If the contestants couldn't answer the questions, they must pay the consequence. Thanks go to those students and faculty members who made this dance possible.

LET'S CHEER

The Sophomores will have plenty of pep and cheer if they follow their cheerleaders. This is the first time in many years that there have been four Sophomores on the varsity squad. They are:

Sandy Reynolds, Suzanne LeBourveau, Cynthia Berry and Jane Willey. The newly elected member was Wanda Douglass. Keep up the good work and we know that you'll cheer our teams to victory.

FRESHMAN ACTIVITIES

ELECTION DAY

The Freshman nominating committee chose three members for each office; elections were held and as a result the following officers were elected:

President	Wayne Woods
Vice-President	Sally Holden
Secretary	Helen Morse
Treasurer	Emily Warren
Student Council	Norma Taylor John Goller
Athletic Association	Norman Barrows

BEST FOOT FORWARD

The class of 1953 was introduced into the social life of M. H. S. at the annual Freshman Reception given by the seniors. The Freshmen turned out in their best "bib and tucker," and judging from the faces of the couples, all had a wonderful time.

BOOK WEEK

To supplement the supply of books in the M. H. S. library the Freshmen decided to take the matter into their own hands; they did a commendable job. They an-

nounced to the students that during National Book Week they would be collecting books which the students wished to donate. Thanks to the class of '53 M. H. S. now has more books in its library.

FRESHMAN ASSEMBLY

Orchids to the entire Freshman class and Miss Snyder for their wonderful assembly. The class song, the first in the history of M. H. S., was sung by all the Freshmen. The words were written by Sally Holden and Emily Warren. We congratulate them on their idea and hope that in the future all the classes will continue this procedure.

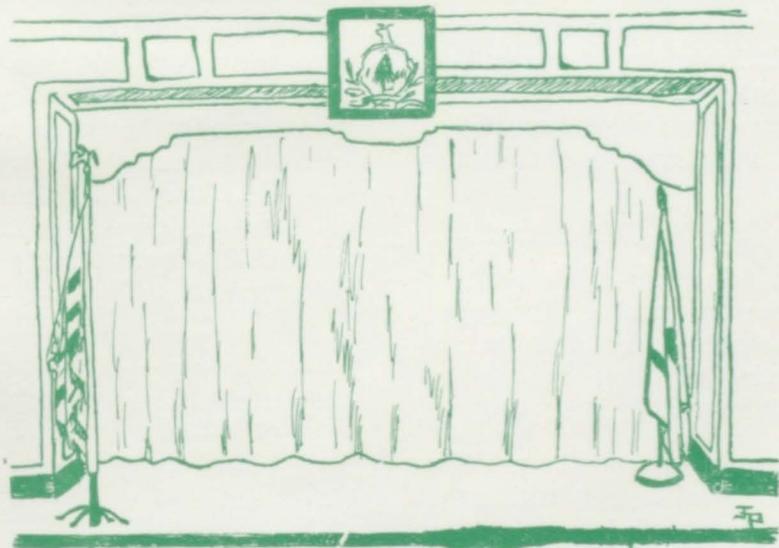

Following this song was a most amusing minstrel show. With black faces and old clothes you could hardly recognize the Freshmen, but you could recognize the talent. All we can say in conclusion is "congrats."

CONGRATULATIONS

This year's Freshmen have shown lots of pep; they've turned out for the organizations and supported their teams with plenty of that good old school spirit. Keep it up, we're proud of you!

The Solonscope under the supervision of Miss Brettell, is worthy of recognition in its second year of publication. The school paper was published four times this year with extra, special editions for Christmas and April Fool's Day.

During the year the Solonscope took a poll which was printed in a later edition with many humorous results. The paper has all the regular features of a newspaper with one special addition, the gossip column, which is enjoyed by everyone.

The Solonscope is edited, written, printed and distributed entirely within the high school. This year's Editor-in-Chief is Natalie Greenberg who is assisted by Carol

Howe. The reporters hand their material in to their page manager and the page managers, after assembling the articles, hand them to the editor who must edit them and prepare the dummy for printing. After the editor has finished proof reading and the stencils have been cut, it is up to the Multilith Operators to produce the finished product.

The Record Board is one of the most active student groups in the high school, because it publishes our school yearbook. Under the supervision of Mrs. Brown the Record Board works hard to put out a better yearbook.

The annual "Record Board Fair" was held in the fall and proved to be a big success. Some of the booths which furnished games of skill were: a dart game, a bean bag game, a ring toss, and a grab bag. Later in the evening entertainment was enjoyed by all. Bethany Thayer and tap dance trio did a snappy number. Next a boys' bathing beauty contest was held, in which Bob Magne, Ralph Barrows, and Paul Poulos took part. This contest was judged to the amusement of all. After the entertainment, dancing was enjoyed by all. Putting on a fair is one of the ways the Record Board raises money for its publication.

The Board also sells candy bars and cold drinks at all of the home basketball games with the members all taking their turn.

June Merrill, editor-in-chief, has a large responsibility editing before the Record can be sent to the printer. The committee chairmen also have considerable

responsibility, as they help by supervising and organizing their committees. The business manager, Cynthia Stafford, and the treasurer, Barbara O'Neill, must receive and handle all money for the Record Board.

The Board is as follows:

Editor-in-Chief	June Merrill
Assistant Editor	Kay Ballou
Business Manager	Cynthia Stafford
Assistant Business Manager	Virginia Burleson
Treasurer	Barbara O'Neill

THE DEBATING CLUB

Standing: J. Marvin, B. Laufman, Mr. Chastney, S. FitzPatrick, B. Wong

Seated: S. Holden, J. Stefanazzi, F. Gerson, A. Hoxie, R. Slosberg, D. Steele, E. Warren

The Debating Club did not meet until December this year. Officers chosen for the club were; Ann Hoxie — President, Roslyn Slosberg — Secretary, and Fred Gerson — Treasurer. The subject for debate was:

“Resolved that the President of the United States Be Elected Directly by the People.” This organization debates with other debate teams in the State Contest.

Self-assurance and poise are only a few of the benefits one receives from being in this club. This year Miss Farnham and Mr. Chastney both advised the group very successfully.

Tryouts to determine the members of the Varsity and Junior Varsity teams were held soon after the first meeting. The judges, Mr. Chastney, Miss Farnham and Mrs. Small, decided on the following teams:

Varsity — Ann Hoxie, Jean Stefanazzi, Emily Warren and Billy Wong.

Junior Varsity — Sally Holden, Bill Laufman, David Maxham and Jack Marvin.

Aside from the regular debates, this year's group discussed topics such as “Universal Military Training” and “Euthanasia”, on the radio.

STUDENT COUNCIL

Back Row: F. Gross, R. Sawyer, Mr. Myrick, D. Rowan, R. Gale, F. Strong

Front Row: B. Hayward, M. Wilson, S. Reynolds, T. Conner, K. Ballou, R. Clark, E. Bisbee

Headed by President Ted Conner and directed by Mr. Myrick, the Student Council has tried to grant student desires concerning M. H. S. The Council meets once a week during the fifth period to discuss problems confronting the students. Each class is represented by two to four members who hold office for one or two years. By the planning of the group, busses were chartered to basketball games and two dances were held, one in honor of the football team and the other to raise funds for the Council.

Again this year the Council sponsored "Open House" in observance of National Education Week. During "Open House" parents and friends were invited to attend classes at the high school. After classes were over, there was a general assembly for all the parents and friends with Mr. Holden as speaker and the choral groups providing music.

A new feature of the Council is the "Handbook Committee" which publishes a booklet for the incoming Freshmen. The booklet consists of the following things: a foreword, articles concerning the school activities, a plan of the high school, and articles on the two honorary societies.

MEMBERS OF THE COUNCIL

Seniors: Ted Conner, President; Marlene Wilson; Raylene Clark; Robert Sawyer; Frederick Strong.

Juniors: Kathryn Ballou, Vice-President; Donald Rowan; Betty Hayward; Richard Gale.

Sophomores: Sandra Reynolds, Secretary-Treasurer; Frank Gross; Eleanor Bisbee.

Freshmen: John Goller; Emily Warren.

"Spring Green", a comedy by Ryerson and Clements, got the Masque off to a good start this fall. Ronald Lawson as T. Newton Todd brought down the house. Others in the exceptionally well done play were Sandra Reynolds, June Prescott, Joyce Cooper, Kay Staples, Donald Miller, Marlene Martell, Ned Hamilton, Jose Canas, Emily Warren, John Willey, Pat Peake, John Ewen, Paul Denison and David Washburn.

The Masque and the music groups worked together in December to present the successful Gilbert and Sullivan operetta, "The Mikado". Mrs. Small supervises librarians, who volunteer their study hall period each day to assist in the library.

Their job is to keep all books in order, keep all records of in-coming and out-going books, help students find books and cata-

logue and check all books. Librarians must also contact students who do not return overdue books. No one is issued a library card, but every pupil who attends the school is permitted to take books from the library whenever he desires.

This year the Mixed Chorus, the largest music group in high school, was selective. Tryouts were conducted by Miss Newton, the director of the group. Out of the Seniors, Juniors and Sophmores eligible to try for the chorus, fifty members were chosen.

The Mixed Chorus meets twice a week, and has presented several enjoyable concerts, broadcasts, and assemblies. The largest concert was the joint concert with St. Johnsbury, held in Montpelier on Febru-

ary 3, and in St. Johnsbury on February 4. Both were well attended. Another function of this group is to send approximately six of its members to sing in the All State Chorus.

The songs the chorus learned this year were of a varied nature. Some of the selections they sang this year include, "Ride the Chariot," a Negro spiritual, "Great and Glorious", a magnificent hymn, and "Mary Had a Little Lamb," a humorous modern version of the well known nursery rhyme.

GIRLS' GLEE CLUB

Back Row: S. Reynolds, J. Doyle, N. Rossi, R. Slosberg, J. Stefanazzi, C. Pierce, G. Wolyneec, C. LaCount, E. Plumber, C. Folsom

Third Row: B. Briggs, P. Cobo, G. Emery, S. LeBourveau, J. Cooper, E. Fletcher, J. Witham, W. Adams, C. Plummer, V. Curtis, B. Kearney, J. Hackett

Second Row: P. Ryan, L. Prescott, S. Grappone, B. McAllister, E. Stillwell, B. McLeod, P. White, V. Burtleson, B. O'Neill, J. Prescott, B. Hood, Miss Newton

Front Row: B. Reagan, J. Norris, V. Landry, B. Thayer, P. Shepard, B. Lapan, W. Douglas, C. Grappone, C. Aguirre, K. Ballou, C. Howe, J. Gomez, D. Comoll

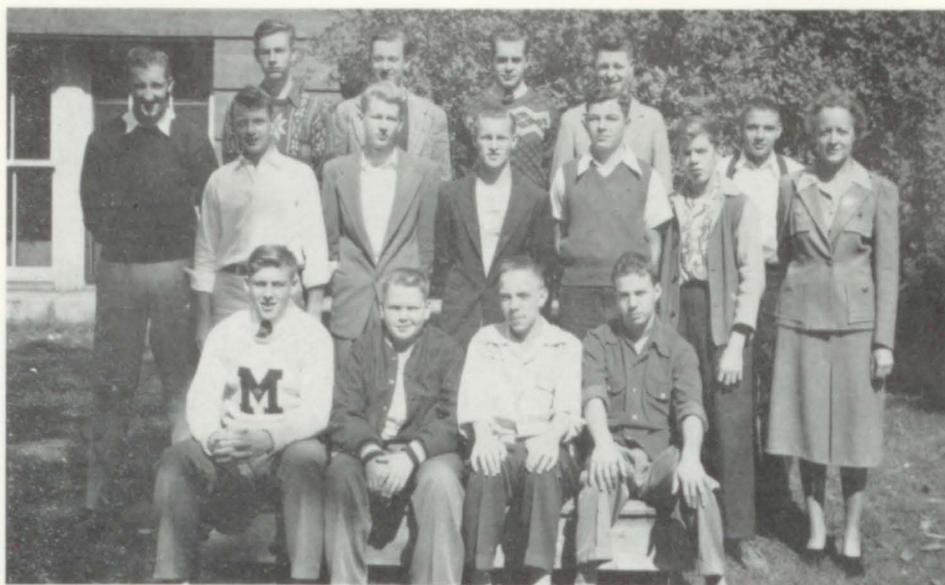

The Girls' Glee Club is a music group comprised of musically minded Sophomore, Junior, and Senior girls. Miss Doris Newton is the competent director of this enthusiastic group. Through these girls practice for only two forty-five minute periods a week, they have given many creditable perform-

ances this year.

The songs sung by the Girls' Glee Club this year ranged from quiet thoughtful numbers such as "A Blossom Falls" and "No Blade Can Flourish," to the humorous modern selections like "I Must and Will Get Married" and "Charlottetown."

BOYS' CHORUS

Back Row: R. Sawyer, R. Lunkes, R. Lapan, F. Strong

Second Row: J. Bjorn, D. Warren, D. Davis, R. Coales, D. Senter, F. Curtis, F. Gerson, Miss Newton

Front Row: E. Stewart, W. Clark, R. Lawson, B. Laufman

The Boys' Chorus has established itself as a permanent organization of Montpelier High School. Year after year the boys' group has grown by leaps and bounds, until now the boys are being represented for the second time in the regular concert schedule and at the Music Festival for auditioning.

Although this year's membership is not

as large as it has previously been, the group is more select. The repertoire ranges from humorous sea chanteys to quartets and work songs. It takes much hard work on each boy's part and since there are not many members, they must work all the harder to reach their goal. We congratulate this newer section of the choral groups for its excellent showing.

BAND

Standing: R Lawson, P. Taylor, N. McGoff, M. Johnson, C. Jerd, G. Thuren, S. England, F. Gross, J. Wilson,
P. Grout, T. Conner, B. Bowman, M. Sherman, B. McGrath, M. Loveless, Mr. Mix
Second Row: J. Laird, R. Slack, E. Warren, B. Carr, B. McLeod, J. Brusa, C. Holmes, V. Stewart, G. Holmes,
J. Bjorn
Front Row: D. Warren, R. Bjorn, F. Greenberg, D. Anderson, C. Stafford, C. Tapiin, J. Anderson, R. Peterson,
J. Canas, D. Bernardini, L. Pratt

Under the leadership of Mr. Clifton Mix, a local music teacher, students from the Montpelier schools have an opportunity to play together in the band. The greatest number of members who play in the band are M. H. S. students, although younger boys and girls attending Union School have an early chance to start their musical career.

The spring concert, the most important event of the year, requires many days of long, tedious work to perfect it. The band also provides entertainment once or twice a year at the assemblies for the high school and graded school. The six major-

ettes, led by Betty Bowman, are a popular section of the band and this year the majorettes, as well as the band, were able to show off their high stepping enthusiasm in the Harvest Festival Parade. The band, bedecked in new uniforms, participated in the Music Festival in Burlington.

The Spring Concert was the best this year that it had ever been in a long time. The band was better divided into parts, making their tone clearer. The novelty number this year was "Dangerous Dan McGrew" read by Ronald Lawson. They also played several popular songs, as well as marches.

Varsity

Once again we faced another action-packed season of gridiron football under the sparkling leadership of Captain Ted Conner and urged on by the guiding hand of Coach Leon Harvey.

The backfield was headed by Captain Conner as fullback. This position has been held by him for several years. Halfback positions were held by "Bumpy" Larry Pratt and "Monty" McDermott, last year's

Jayvee fullback. Bill Ward, Junior and a letterman from last year, called signals at quarterback. End positions were held by "Big" Jonny Bjorn, Freddy Gerson and Doug Bernardini; because of a foot injury sustained by Fred, Doug held the position most of the season. Leo Coletti, Dick Cowles and Bob Magne backed up the line, but because of an injury early in the season Dick was also unable to play. Ed Stewart and Andy Anderson filled the guard spots. They both showed considerable experience. Bob Lamphere, up from Jayvees, stood center for the "Almighty Solons." Two of the substitutes who saw a considerable amount of action were Edmund Martell and Roger Follett.

This lineup has certainly proven to us that it has the "Stuff" by winning four games, tying Spaulding, and losing only two. The team deserves a lot of praise and we hope that next year Montpelier High School will have just as successful a season.

Junior Varsity

This year the J. V. Football Team, under the able direction of Mr. Coane, won one game and lost one. The first game of the season was played at St. Albans and was lost by a score of 33 to 7. The second game was a home game with Hardwick. The Junior Solons won 26 to 21 in a very close contest. There should be many good prospects for the varsity team next year from the J. V. squad. This year's team consisted of twenty-five players. They are as follows:

Linemen—J. Goller, Richard Pierce, K. Nelson, W. Laufman, W. Harvey, R. Ball, C. Straw, R. McGrath, F. Turner, P. Chapman, R. Ryan, G. Alexander, W. Davis, C. Collins, R. Deforge; Backfield—E. Smith, R. Wheeler, F. Greenberg, J. Lupien, J. Storey, J. Wilson, Robbe Pierce, D. Miller, S. FitzPatrick, V. Robinson.

The Athletic Association

The Athletic Association met for the first time this year on December 9. The officers elected were Larry Pratt—President, Ralph Barrows—Vice-President, Polly White—Secretary, Edward Stewart and Fred Strong—Co-Treasurers. A committee drew up a constitution.

Since one of the biggest problems is the lack of funds, the association members sold M. H. S. decal transfers to the student body this year.

The Athletic Association works closely with Coach Harvey and Mr. Chastney to make important decisions relating to sports at M. H. S. Besides Mr. Chastney and Coache Harvey, the Co-Treasurers deserve a great deal of credit for good managing in this exceptionally large financial undertaking. The treasurers supervise the sale of tickets for all sports events and purchase equipment for football, basketball and baseball. Letters and charms are also bought and distributed through the Athletic Association.

CHEERLEADERS

Back Row: L. Hatch

Third Row: S. LeBourveau, S. Reynolds

Second Row: P. Shepard, C. Berry

Front Row: E. Alvarez, J. Willey

The pep, vitality, and noise at the football and basketball games this year, were supplied by our M. H. S. cheerleaders under the leadership of Lorraine Hatch, the captain. Lorraine and Peggy Shepard are the two veteran cheerleaders, with newcomers Sandy Reynolds, Jane Willey, Evelyn Alvarez, Suzanne Le Bouvreau, and Cynthia Berry.

These gals in the green and white rate a cheer from us, for working at the games, supporting their team, and inspiring school spirit. Keep up the good work!

To earn money for new uniforms, the cheerleaders initiated "Tag Day", when they sold tags with M. H. S. on them to the students and faculty. The girls also sold popcorn, cokes, and candy bars at the football games.

The purpose of the Girls Athletic Association is to promote athletics and good sportsmanship. This purpose has certainly been accomplished this year, for during the year the G. A. A. held several meets with the Barre G. A. A. which were entirely new features of the Montpelier organization.

During the year meetings are held before each new sport and these are presided over by Janice Carter, this year's president. Under the supervision of Miss Holmstrom, the executive board plans activities for the club. These are discussed in the general meetings. The executive board is made up of the following people:

President—Janice Carter, Vice-President—Elizabeth Hayward, Secretary—Betty

McLeod, and Treasurer—Jane Anderson.

The social events of the year were a Sport Night for couples, two Sport Days with the Barre G. A. A., and the annual spring get-together.

Awards are given at the end of the year to those who have earned them. For every hour a girl participates in a sport, she receives a point. Some of the sports in which you may collect points are tennis, volleyball, basketball, softball, badminton, skiing, skating and bowling. The awards given are as follows:

50 points—a small shield.
 100 points—a large shield.
 200 points—a letter.
 300 points—a pin.

SKI CLUB

Back Row: R. Heinman, L. Hibbard, E. Martell, R. Magne, E. Hamilton, F. Gerson, P. Denison

Mr. Wright

Front Row: J. Dolloway, L. Hatch, J. Anderson, D. Anderson, C. Berry, B. Hayward, J. Hackett, B. Briggs

This year the Ski Club held its first meeting early in December in preparation of early winter snow falls, but due to weather conditions not much actual skiing was done until February. Mr. Wright again successfully guided the ski club.

The club earned money this year to send the Ski Team to the Northern Vermont Ski Meet by selling pen and pencil sets. They did a good job at this.

Several boys participated in the Ski Meet. They were: John Corskie, Paul Denison, Edward Hamilton, James Lamp-

here and Vernon Turner. These boys did an excellent job in the meet but because several were unable to participate in the jumping, Montpelier did not have as good a record.
