THE RECORD
1955
Montpelier High School
Montpelier, Vermont
Miss E. Winifred Briggs, Guidance Director

TO MISS BRIGGS, whose counsel, helpfulness and sincere interest in us as a class and as individuals we shall always remember, we appreciatively dedicate

OUR 1955 RECORD
MONTPELIER HIGH

MONTPELIER HIGH, WITH LOYAL SONG
WE RALLY TO THY CALL
AND LIFT THY NAME IN CHORUS STRONG,
THY SONS AND DAUGHTERS ALL.
THY SPIRIT GUIDES US TO THE SHRINE
OF TRUTH THAT MAKES MEN FREE.
IN WORK AND PLAY WE'LL STRIVE
TO PAY THE DEBT WE OWE TO THEE.

THY GREEN AND WHITE, UNSULLIED BRIGHT,
SHALL EVER FLOAT ON HIGH.
EVERY LIP IN FELLOWSHIP
SHALL JOIN THE JOYFUL CRY.
HEAR OUR CHEER, MONTPELIER DEAR,
SWELL TO A MIGHTY ROAR.
HAIL TO THY NAME!
BRIGHT BE THY FAME!
FOREVER MORE!
NOW that you have the 1955 Record in your hands, the Record Board can catch its breath, relax, and reminisce about how it has slaved, sweated, and pounded the pavements to bring you its usual "bigger and better Record." Although much of the work was done behind scenes, the members of the Board were often seen (and visited) while writing copy in Room 8, taking candid shots around school, and opening cokes and selling candy, gum and potato chips at the basketball games.

The editor-in-chief, the assistant editor, the treasurer and the business manager are elected at the final spring meeting of the Board. In the fall, department heads and their staffs are chosen and the schedules planned. After the group pictures have been taken in October, the race against time is on until the last deadline is met. With the cooperation of our photographers, the Houston Studio; and our printers, the Leahy Press; and you, the members of Montpelier High School, we reached the finish line.

The Officers and Committee Chairmen of the 1955 Record are as follows:

The Faculty

PHILIP H. MATHEWSON
SUPERINTENDENT OF SCHOOLS

Our very able superintendent says that there has never been a time when he wished that his job were something else. Isn't he lucky? His favorite songs are "Danny Boy" and "Jeannie with the Light Brown Hair." Can you guess why? What's he happiest doing? Working! However, he also likes to read, hunt, and fish. At Middlebury College he received his B. S. and at the University of Michigan, his M. A. Before his appointment as Superintendent of Schools in Montpelier, he taught in the Alma (Michigan) Junior High School and at Lyndon State Teachers' College and was principal at Stowe High School and at the Union School. In these hectic days of new school plans and problems, we appreciate his quiet efficiency, sound judgment and equanimity.

ROBERT H. CHASTNEY
PRINCIPAL OF MONTPELIER HIGH SCHOOL

Our favorite principal was born in Summit, New Jersey, and received his education at Hamilton College, Columbia University, and New York University, where he received his B. S., M. A., and Ph. D. degrees, respectively. When queried as to his favorite colors, his answer was our own green and white. Emphatically he stated that never has he wished his job were something else. Although he's not one to start talking about himself, we did gather a few interesting facts. His avocation is the American Civil War; his pet peeve, an exhibition of bad manners; his favorite song, none since the invention of the juke box; and his favorite pastime, minding his own business. Before he came to Montpelier High School, he was an instructor in Latin, an assistant director, and the director of Townsend Harris School of The College of the City of New York.

GLENN AIKEN
SCIENCE

With a B. A. in electrical engineering and an M. S. in physics as well as a wealth of teaching experience, Mr. Aiken is more than qualified to instruct MHS students in physics, chemistry and electronics. Speaking of students, his pet peeve is "students" who aren't. The only time when he wished his job were something else was when a torpedo missed the keel of the boat by three feet. Can you blame him? Sailing, music and electronics are his favorite hobbies, and his favorite quotation is Kipling's "And those who were good shall be happy: they shall sit in a golden chair; They shall splash at a ten-league canvas with brushes of comet's hair."

ARLIE B. BARROWS
ART

It's not new to any of us that Mrs. Barrow's favorite expression is, "Art is the finest way of doing things;" that she never wishes she had a different job; and that she's happiest when decorating for school parties. Her hobby, paper cutting, sounds simple; but only she can make those scissors "talk." She is a graduate of the University of Vermont and taught art in Bellows Falls and Barre before coming to Montpelier. A word of caution to all gum chewers: Beware, you are Mrs. Barrows' pet peeve.
ROBERT F. BELDING
MATHEMATICS

Although Mr. Belding, our enthusiastic red-headed math teacher, enjoys dreaming about highly paid teachers, he is really happiest when he feels that he is helping someone else. We're glad to give him some pleasure. Noisy students are his aversion. That's why we're so quiet in Room 11. He picks "Pink Lady" as his favorite musical number because it was popular when he "was a boy in 1915." At Amherst College and the University of Maine he earned his B.S. and M.A. degrees. Our thanks to them and to Mr. B.—the sources of our mathematical know-how.

STANLEY K. BOND
HISTORY

Here's a problem for our mathematicians. How many miles does Mr. Bond travel per year as he commutes from Randolph? Here are a few statistics which he has furnished about himself. The University of Alabama, the University of Vermont, and Boston University are his alma maters. His teaching career, which began in Massachusetts high schools, was interrupted by Uncle Sam, who sent him to the African and European theaters of war. That was when he wished he were doing something else. Since then he has taught in East Jaffrey, New Hampshire, and in Johnson and Randolph. He is happiest while teaching, enjoys sports as an avocation, and picks blue as his favorite color.

ELIZABETH M. BRANCH
ENGLISH

"Betsy," as she's known to her friends, keeps busy correcting English papers, advising us, and working on the Record. A graduate of Middlebury College, Miss Branch dislikes being called "Betty" and is happiest sitting in the sun and digging in the sand. No wonder her favorite saying is "Dolce far niente," which she thinks is translated as "It's nice to do nothing." The only song for which she would put a nickel in the juke box is "Happy Wanderer," and her favorite color is lemon yellow.

KATHLEEN I. BRETTELL
FRENCH AND ENGLISH

Have you heard about the teacher who described his vocation as, "Oh, I do piece work in a nut factory."? When Miss Brettell told us this little gem of humor, we laughed, too. Besides bringing a little bit of France to MHS, Miss Brettell is the Solonscope's faculty advisor. She spends her leisure time reading and is happiest preparing a meal to be eaten with friends amidst good conversation. To add to this data, she is partial to green, averse to insincerity, and a proponent of the philosophy, "Live and let live."

E. WINIFRED BRIGGS
GUIDANCE DIRECTOR

If you want any help with personal problems, school problems, or even painting, stop in at the guidance office and talk with Miss Briggs. She'll appreciate it, though, if you leave your gum at home; for gum chewing is her pet peeve. Besides being guidance director, she is chairman of the freshman class advisors and meets all freshmen during the week in orientation classes. Having received her B.S. at Columbia University and her M.A. at Northwestern University, she taught physical education at Northwestern University and was guidance director at Ferry Hall in Lake Forest, Illinois, before coming to MHS.
GEORGE D. BROWN
COACH AND DRIVER TRAINING INSTRUCTOR

Intense blue eyes, a sensitive face, and a slow smile characterize Coach Brown. A graduate of Syracuse University, he taught physical education and coached at Athens Central School, Coxsackie, New York, before coming to MHS. If you are planning a safari into the wilds of Africa, Coach is your man as his hobbies are camping (but not on the Sahara?), hunting (heads?), and fishing (for Barracudas?). Seriously though, he enjoys his job—except when we lose a game and during certain moments in driver training. He also told us that, for some strange reason, his pet peeve is women drivers. And his favorite color? Why, brown!

JOHN E. CARBAUGH, JR.
COACH AND PHYSICAL TRAINING INSTRUCTOR

After receiving his B. S. from Lebanon Valley College and his M. Ed. from Springfield College, Mr. Carbaugh was coach and director of athletics at Quinipiac College and Springfield College before coming to MHS. The less said to him about those rainy days during baseball season and about people who criticize yet never contribute, the happier he'll be. Watching a good double header is the best antidote for his troubles. We've heard that his favorite color is blue, but we do hope he isn't partial to blue and red uniforms.

GRAY R. COANE
MATHEMATICS

Want to learn how to play golf or to design and construct a highway? See Gray Coane then; he's an expert in both. About the only time he wishes his job were anything but coaching JV football is when a serious injury occurs. Fortunately this doesn't happen too often. Statistics reveal that Brattleboro is his hometown and that he received his B. S. from Norwich University and his M. Ed. from Bates College. He enjoys listening to "Mr. Sandman" but not in the classroom, for lazy pupils are his pet peeve.

MILICENT L. DIXON
COMMERCIAL

Miss Dixon, the patron saint of all class and organization treasurers, hails from Cambridge. Her education includes a B. S. from the University of Vermont and an M. A. from Columbia University. She tells us that her hobby is collecting pitchers; big ones, little ones, and medium-sized ones. Memo to Miss Dixon: When you tire of just looking at your collection, take all the blue pitchers (your favorite color), fill them at different levels with water, and play your favorite song, "Ave Maria."

JOYCE E. EMERY
SOCIAL STUDIES

Miss Emery, a graduate of the University of Vermont, came to MHS after having taught at Hardwick Academy and Waterbury High School. Like most teachers, she doesn't appreciate the chicle ruminants (see dictionary) in her classes. We wonder if she pursues both of her hobbies, fishing and reading, simultaneously. We think she must be a Shakespeare fan because after using the ditto machine, she can be heard to mutter, "What! Will these hands ne'er be clean?"

HARLAN R. FARNSWORTH
SCIENCE

This young teacher has a fine bass voice, which is either the cause or the result of one of his hobbies, music. He also likes outdoor sports and working
with a cooperative, energetic group of young people. What better combination could any ski team want in its advisor. Before we knew him, he was on Uncle Sam's payroll; and before that, earning his B.S. and M.Ed. degrees at the University of Vermont. His favorite quotation comes from the greatest book ever written: "When I was a child I spake as a child, I understood as a child, I thought as a child; but when I became a man, I put away childish things."

MILDRED L. HALLGREN, R. N.
School Nurse

Though Miss Hallgren claims no favorite quotation, we'd like to suggest "A merry heart doeth good like a medicine." She mixes both so skillfully that just to talk with her makes us feel better. Peter Bent Brigham Hospital and Simmons College are her alma maters. If you want to please her, give her a copy of "This Old House" and something blue, her favorite color. If you wish to annoy her—we don't—just start talking about how you can't be bothered to brush your teeth.

ALFRED W. HURLEY
Dramatics and Speech

Mr. Hurley, a former flying instructor, received his B.A. and M.Ed. at the University of Vermont. His likes include reading, fishing and the colors, blue, gray and maroon. His list of dislikes is headed by loud students and the weak excuse, "I forgot." Like many people, he is happiest doing nothing, especially on a sunny day with a carload of papers to correct. As we go to press, he's in the throes of directing the Masque spring production—another hit, we're sure.

LOUISE E. HUTCHINSON
Latin and English

According to Miss Hutchinson, tempus fugit except when the lower corridors are noisy during the noon hour, and then it just seems to crawl and come to a complete standstill. She's our authority on Roman banquets, draping togas, photography, puns, Latin quotations, Florida, and trailers. Another of our Middlebury graduates, she taught in Orleans and Morrisville, Vermont, and in Claremont, New Hampshire, before coming to MHS.

VIOLET E. KETTELLE
Science

Biology, that fascinating subject on the study of life, is ably taught by Miss Kettelle, who received her B.A. at Pembroke College and her M.Ed. at the Rhode Island College of Education. Her pet peeve seems to be those people who waste time in classes instead of starting their homework. Here's a twist—she especially dreads those nights and weekends when she has too much homework! She would much rather be gardening or pursuing her other hobby, genealogy. Green, brown and blue are her favorite colors. Couldn't these symbolize the grass, the earth and the sky? Sure they could!!

PATRICIA A. KOLTONSKI
English

Blend shining blond hair, a pleasing smile, scads of clothes, and a love of life to a smooth consistency and you will have Miss Koltonski. You, of course, know she is gifted with a sense of humor; but did you know that one of her hobbies is collecting cartoons? Music, both high-brow and low-brow, she enjoys; alarm clocks
she does not. A graduate of Emerson College and a literature fiend, Miss Koltoski has a quotation ready for every occasion, her favorite one being, "We are such stuff as dreams are made on."

VERNE L. MCDONALD
COMMERCIAL

Mr. McDonald is one of our most versatile faculty members. Besides teaching, he has served in the Marines, worked on railroad construction, done shipyard welding, and worked as a surveyor. Since his avocation is fishing, his favorite colors are those of the speckled trout. He shares his pet peeves with the mailman, for they are rain, snow and wind. "You may not be what you think you are . . . but what you think, you are." This is his favorite quotation and certainly worth thinking about.

JEAN M. MORRISON
GIRLS' PHYSICAL TRAINING INSTRUCTOR

We've come to the conclusion that Miss Morrison, a graduate of the University of New Hampshire, by the way, can stand on her head and sew up a seam at the same time. Before coming to MHS, she was first a sewing instructor for the Singer Sewing Machine Company and then a physical education instructor at the University of Vermont. Outdoors, she is happiest when playing tennis or skiing; while indoors she likes to relax to the strains of Rachmaninoff's Piano Concerto No. 2. The "Ballad of Davy Crockett" heads her list of popular songs. We'd like to quote her on this: "No endeavor is in vain; its reward is in the doing."

CHRISTIE G. MURRAY
SECRETARY TO MR. CHASTNEY

Miss Murray, or "Chris" as she is known to many of us during off hours, certainly is one of the busiest and best-organized people we know. We think she must enjoy Montpelier because after graduating from Vermont Junior College, and being secretary to the Dean of Men, she took up residence behind the desk in our office. That's where she likes to be, except on the night before graduation when final grades must be checked and double-checked. Then she wishes she were bowling, dancing, or even embarking for the Fiji Islands. With a twinkle in her eye, she admitted that tardy students are her pet peeve. Perhaps someday she can work in an office done in shades of blue and sprinkled with "Stardust," her favorite color and song.

DORIS I. NEWTON
MUSIC

Although Miss Newton claims Andover, Massachusetts, as her native tramping ground, she certainly has covered the environs of Montpelier, too. After graduating from Lowell State Teachers' College, she received her M. A. from Boston University. Before coming to Vermont as Montpelier's supervisor of music, she had taught in New Hampshire, Rhode Island and Massachusetts. Miss Newton likes the great outdoors and has an adventurous spirit. As her avocations, besides reading and collecting lustre, are hiking, mountain climbing and traveling. When asked what she is happiest doing, Miss Newton replied, "That depends!" Cryptic, isn't she?

MARGUERITE S. SMALL
ENGLISH

Like Robert Frost, one of Mrs. Small's objects in living is to unite her avocation and her vocation. In teaching and working with the student council she does just this. On the side, she enjoys being with her friends, braiding rugs, reading, trav-
eling and action. She tells a good story about the day when she wished her job had been a little bit more mundane. Ask her about it; it's too involved to print here. A graduate of the University of Vermont, Mrs. Small has attended Columbia University and taught in Richmond, Cambridge and Morrisville. Her favorite colors are blue, brown and rose; her pet peeves, rude and lazy people; and her quotation, "The child is father of the man."

DOROTHY C. TOBEY
Homemaking

In our midst we have an avid antique collector, Mrs. Tobey, who just loves to go "antiquing." We understand that when she gets a "real bargain," there's a big celebration in the stone house on Trow Hill. Correcting mid-years and finals twice a year is twice too often for Mrs. T., but those are the only times when she wishes her job were something else. After graduating from the University of New Hampshire, Mrs. Tobey taught in Lincoln and Concord, New Hampshire, before coming to MHS. If we've read her mind correctly, red is her favorite color, and she also "sees red" when some of her students are chewing gum.

DONALD S. TOWLE
Industrial Arts

Although Mr. Towle's pet peeve is filling out questionnaires for the Record, he certainly did well for us. A graduate of Fitchburg Teachers' College, he taught in Fairfield, Connecticut, and in St. Johnsbury before we knew him. His hobby is work (and even with twin boys he keeps busy); his favorite saying, "Quiet;" his favorite colors, "Black and blue where it does the most good," his favorite joke, "Why is a mouse when it spins?"; and his happiest moments come when he's putting those A's on the report cards.

WILLIAM H. TOWNE
History and Economics

After graduating from the University of Vermont, serving his hitch in the armed forces, and teaching in Pulaski, New York, and in Essex Junction, "Bud" Towne finally found his way to Room 21 at MHS. As faculty advisor for the projectionists and manager for the newly-organized track team, he keeps us all busy. Sports and holidays are wonderful things, so he tells us; but students who waste time and hand in late assignments are not.

SENIOR PICNIC . . . . . JUNE 11

GRADUATION . . . . . JUNE 17

[THIRTY-SEVEN]
ONCE upon a foggy September morning a very trembling little girl in a blue plaid dress walked purposefully up to a large brick building. At the door she paused a moment, took a deep breath, mustered her courage, and opened the door.

As she stepped inside she was surrounded by a clamor which she would soon be a part of for four years. But instead of terrifying her, it seemed to give her new heart, and the four years stretched before her as a pleasure-filled valley.

After the first week of orientation, meeting her classmates, and getting lost at least once a day, our girl in the blue plaid dress found that there was much to do besides studying. There were class officers to choose, and so with her class she helped to elect Ronnie, Beverly, Susanne and Pearl as officers and Jean C. and Freddie as Student Council representatives. There were extra-curricular organizations to join: Masque, Chorus, Solonscope, GAA, Band and many others. Freshman Chorus offered experience in music and being a librarian promised to be interesting. She decided to participate in football as a spectator but gave cheerleading some serious consideration.

What a wonderful year, what a wonderful class, what a wonderful school! There was so much to do, and our little girl in the blue plaid dress wanted to do it all.

She watched Jim Laird drop the olives in The Perfect Gentleman and Tom, Dick, Spike and Sue Walker represent their class in Trial by Jury. Our little girl in the B(lue) P(laid) D(ress) was not idle, however; she worked behind the scenes for the Masque, turned in articles for the Solonscope, played softball with the GAA, and studied her Latin faithfully.

And so, after watching the boys in her class fill out the Jay-Vee squads in football, basketball and baseball, after savoring the new experience of graduation and finally attending the commencement exercises, our B. P. D. girl found herself looking forward to a summer vacation and another busy year within those now familiar and well-loved brick walls.

The summer vacation zipped by, and soon our heroine was approaching the door of the brick building once again. But now she went, not as a quaking freshman, but as a sophomore who knew the ropes. Soon with Dick, Nancy, Shirley and Carolyn in the class offices and Fred and Dickie on the Student Council, the year was under way.

There were many sophomores in the Band, Choruses, Masque, Solonscope, as well as sports. The class had good reason to be proud of itself. There was Fred as secretary-treasurer of the Student Council, Nancy and Tootie cheering with the varsity cheerleaders, Toni in the leading role in Only an Orphan Girl, and Juanita twirling through her second year. Our heroine’s class had some slick skiers, too. Among them were Spike and Jim, who certainly held their own on the team.

A variety show added to the spice of the year, and one sophomore skit was entitled “Marriage Proposals.” Remember the fun of it all? The sophomore dance was also a milestone in our career. We did have fun!

After sailing through graduation week in a final spurt of energy, our heroine and her favorite class drifted into their summer vacation.

Juniors now, and our B. P. D. girl is an upperclassman. Cathie, Jean D., Spike and Jack are the leaders this year, and the Student Council has Sandy, Toni, Dick and Fred to watch over our interests. Among our V. I. P.’s are Fred, vice-president of the Council; Toni, vice-president of Masque; Sue Walker, vice-presi-
dent of the Choral Groups; Dick L. and Sandy, associate editors of the Solon­scope; and Spike, vice-president of the Ski Club.

Alison, Sandy and Spike took leading roles in the operetta The Fortune Teller. Sally made us proud in “Balcony Scene” and she and Margo double-cast in The Wizard of Oz along with Dickie, Tommy, Fred, George and Cathie.

May came, and with it the Junior Prom. The class chose for its theme, “Count Every Star.” It was a lot of work—we’ll never forget hoisting Freddie’s balloon!—but every minute of it was certainly worth the effort.

To add to the excitement of the year the members of the class received class rings, worried over chemistry unknowns, and struggled with bookkeeping.

Our B. P. D. girl sailed through graduation week, and with her class watched Spike leading the senior procession as junior marshal. After the hustle and bustle of this year, summer vacation was indeed welcome.

September came again, however, and our heroine walked gracefully up to the front door. She was now a senior and on top of the world. She paused a moment before entering, cast her thoughts over the past four years, and said a prayer for the coming year. She opened the door, and the year was upon her. It started calmly enough, the only drastic changes being that her class now occupied the study hall and its members had priority at water fountains and mirrors.

Class meetings were held and with Jim at the head and Sue, Margo and Eugene to help, the year began in full force. Dick had his hands full with the Solonscope and Student Council; Toni was kept busy with the Masque and the Assembly Committee; Margo and the GAA launched their busy and active year; and Carolyn spurred the Record Board on its way toward that “bigger and better Record.” The Winter Carnival provided fun and frolic for all, and crowned as king and queen were Spike and Pearl. At all football and basketball games “Rebel,” “Tootie,” Sue and Nancy were right in there leading the cheers. Leading the band were Fred as drum major, and Betty, Jean D., Juanita and Paulie as varsity twirlers. At the basketball games we cheered loudly for Dick, Bob and John. After football games we were hoarse from yelling for Royce, Corliss, Jack, Willie, Ennis, John, Spike, Freddie and Bob Warren.

As the year progressed and graduation approached, there was a stir in the vicinity of the study hall where the class was busy ordering announcements, planning class day, being measured for caps and gowns, and talking of this year’s Junior Prom to which they had been cordially invited.

Our little girl who once trembled as she was about to enter the freshman class of Montpelier High School, is now confident in her world of seniors and happily, but with a touch of sadness, awaiting her graduation.

STUDENT COUNCIL
Student Council

The Student Council, under the presidency of Richard Loati, is the governing body of Montpelier High School. It is made up of students who have the character and leadership to represent their classes and make sound decisions concerning school life.

The year 1954 and 1955 has been a busy one for this year’s Student Council. One of the most important problems presented to the Council this year was that of deciding whether to join the National Honor Society or to continue with the present Pro-Merito Award system. Meetings are held weekly and all topics on the agenda are thoroughly discussed and acted upon. Several very successful dances have been sponsored this year. The hobo dance was a big hit, with everyone clad in their best rags and dancing with their best hobo belles and beaux.

The Council closed its year with a peppy picnic held at Hubbard Park where the members and their guests spent an enjoyable Sunday afternoon playing softball and eating.

This year’s officers are: Richard Loati, president; Peter McGibney, vice-president; Katie Pond, secretary-treasurer; Toni Feola, chairman of Assembly Committee; Steven Meletes, chairman of the Athletic Committee; and Mrs. Small, faculty advisor.
MEETING deadlines, ferreting out news, corralling students for pictures, soliciting advertising, turning out features and typing copy have kept the 1955 Solonscope staff on the go. Under the supervision of Miss Brettell, faculty advisor, and Dick Loati, editor-in-chief, all crises have been met and the ten issues published on schedule. News, editorials and features reflected student interests, abilities and opinions as well as the general atmosphere and esprit de corps of Montpelier High School.

Besides its spring dance, the Solonscope’s other contribution to the social life of MHS has been its bulletin board around which everyone meets everyone else to catch up on the latest droodles, puzzles, gossip and Solonscope scoops.

[SIXTY-FIVE]
Librarians

WHAT'S a good book to read?" "I can't find volume L of this set of encyclopedias." "When is my book due?" "Where can I find out about segregation?" These are only a few of the requests that keep our capable and dependable librarians on their toes in the library which is located at the back of the study hall and contains books for both reference work and leisure reading.

Under the supervision of Miss Koltonski, the librarians arrange their library schedules to coincide with their study halls. When they aren't helping us, they are cataloging, shelving and accessioning books as well as picking up after us and keeping the library in order. Many thanks to this industrious crew whom we sometimes take too much for granted.
Cheerleaders

This year with Sandi at the head and Nancy, Tootie, Sue, Marilyn, Joan and Elinor to back her up, Montpelier High School's varsity cheering squad has certainly been out in front with the noise, pep and encouragement which must have been the envy of many of our opponents.

This year, for the first time, the cheerleaders wore trim green slacks and heavy white sweaters for the football games. To the basketball games they added a little glamour, as well as pep, with their new dark green jumpers and long-sleeved white blouses. They earned the money for these uniforms during the fall by having several successful food sales.

Under their direction a Pep Club, which formed the nucleus of the cheering section, was organized. The members of this group were a big help in introducing and putting over the new cheers which the squad had devised.

When the J. V. teams were on the field or on the floor, the J. V. cheering squad, composed of Nancy Comi, Sally Bernardini, Nancy Blaisdell, Judy Nelson and Susie Nelson, led us in cheering their teams to victory.

Masque

The Masque had a very successful year, leading off with a membership of one hundred and fifty which included forty freshmen.

This year's activities included the three-act comedy, The Little Dog Laughed, a one-act play “Special Guest,” and a program of three one-act plays for the spring production. These plays were “Sunday Costs Five Pesos” directed by Mr. Hurley and Miss Mockridge; “The Lottery” directed by Dick Loati; and “Nobody Sleeps” directed by Catherine Perry.

Besides its workshop productions, the Masque also collaborates with the Choruses to present an operetta every other year.

On June 2 the Masque climaxed its year with the annual banquet at the Brown Derby Restaurant, where the officers for the next year were installed.

This year’s officers were as follows: president, Toni Feola; vice-president, Susan Goodwin; treasurer, Susanne Whiting; secretary, Jean Edson; business manager, Paulie Greaves; and assistant business manager, Eleanor Bugbee.

Fourth Row: Jim Griffin, Bruce Richardson, Elton Stewart, Don Adams, Sid Lawson, Richard Gidney, Miss Newton.

Freshman Chorus

The Freshman Chorus, which rehearses in two sections because of scheduling conflicts and the large number who wish to participate, meets nearly every Monday and Tuesday mornings during the first and second periods. Under the direction of Miss Newton, the Freshman Chorus presented its own selections at assembly programs and at the annual Chorus and Band concert.

Each section elects its own officers. The first period group chose Bonnie Holden as president, Steve Bliss, vice-president; Betty Bly, secretary and Charles Billado and Carolyn Ross as librarians. Lucille Roop was elected president of the second group; Evelyn Courser, vice-president; Floyd Perry, secretary and Jerry Benedict and Elizabeth Belanger as librarians. Ann Conkling, Betty Bly and Bonnie Holden are the accompanists.
PUTTING to good use a combination of talent and enthusiasm, the Boys' Chorus, which is composed of sophomore, junior and senior boys, has completed another successful year. Under the capable direction of Miss Newton they have been featured on several programs with "On Top of Old Smoky," "We Be Soldiers Three," and "Hi Ho, Nobody Home" being several of their more popular numbers. Unofficially, Carolyn Ward and Toni Feola might be called honorary members since they are the accompanists for this group.

Although this chorus lost a total of eleven members through graduation, the sophomores who came up from the Freshman Chorus have helped to maintain the high standards of tone and enthusiasm typical of this group.
Girls' Glee Club

The Girls' Glee Club, which includes all girls in the sophomore, junior and senior classes who wish to join, meets on Tuesdays and Thursdays under the direction of Miss Newton.

With the skillful accompaniment of Toni Feola and Carolyn Ward the Glee Club has sung such songs as "Early One Morning," "Raggle-Taggle Gypsies" and "Rain and Spring." Many of the girls in Glee Club are also members of the Mixed Chorus, which combination entails quite a bit of work.

The 1954-1955 appearances of the Glee Club included the annual concert with the Band and Choruses, the joint concert with Hartford High School, auditions at the Vermont State Music Festival, school assemblies, Baccalaureate and Commencement.
First Row: Carolyn Ward, Jeanne Benedict, Betty Sue Roemer, Betty Bianchi, Joan Foster, Cynthia Merrill, Marilyn Mix, Judy Sanger, Miss Newton, Sue Walker, Jean Cleveland, Toni Feola, Jean Kinney, Carolyn Coburn, Priscilla Maxham.

Second Row: Alison Barber, Eleanor Bugbee, Carol Corskie, Susanne Whiting, Priscilla Chapman, Jean Edson, Betsy Holt, Lisa Chapin, Sally Coby, Catherine Perry, Sheila King, Laura Nelson.

Fourth Row: Gordon Wilkinson, Dick Perkins, David Curtis, Robert Curtis, Bill Daniels, Bill Steele, Bill Ricker, Tom Law, Brent Webster.

The Mixed Chorus, under the direction of Miss Newton, has completed another successful season. This year's concerts included one with the Montpelier High School Band, at which the Chorus sang a Vincent Youmans selection with the Band; the Winooski Valley Festival, the Vermont State Music Festival auditions, and a joint concert with Hartford High School at White River Junction. They also sang several selections at the Baccalaureate and Commencement exercises.

The following seniors were chosen by tryouts to represent Montpelier High School in the All-State Chorus: sopranos, Alison Barber, Jean Edson, Susan Walker, Susanne Whiting; altos, Toni Feola and Sheila King; tenor, Tom Law; and bass, Dick Loati.

The task of providing the students and faculty with interesting assemblies is not an easy one. This year's Assembly Committee under the guidance of Dr. Chastney and the chairmanship of Toni Feola has carried out this difficult task of trying to please all of the people most of the time with programs which have been both informative and entertaining. The committee also selects the seniors who preside at the assemblies and serve as color bearers and the underclassmen who act as color guards.

Among the outstanding assemblies that were presented this year we will remember the Vermont Junior College Glee Club, the ski movies, the Crusade for Freedom at which General Harmon, president of Norwich University, was the principal speaker; the Band and Chorus concerts, the pep rallies and the presentation of scholastic and extra-curricular awards.
SPECIAL recognition should be given to the Montpelier Schools' Band drum major, Fred Martell, and drum majorettes for the excellent work they have done this year.

Practicing hard and faithfully during the year, they have performed at all football and basketball games and led the Band in all marching maneuvers. At the Spring Concert the twirlers gave a splendid performance with illuminated batons.

The J. V. Twirlers also did a fine job twirling at the basketball games. The members of the J. V. squad are Linda Kittle, Barbara Senter, Elizabeth Belanger, Ruth Cleveland and Linda Jones.

The Twirlers have also been busy earning money for their new uniforms and plans are now underway for the Maple Sugar Bowl game at Manchester, New Hampshire.
First Row: Jean Davenport, Nancy Belanger, Sally Greene, Betty Bianchi, Paulie Greaves, Joyce Norton, Linda Davis, Juanita Sierra.

Second Row: Mr. Mix, director, David Hudson, Stephen Dyke, Katie Pond, Sally Pierce, Donald Towle, John Ball, Bronlow Towle, Herb Tobey, Bill Adams, Dean Edson, Doug FitzPatrick, Steven Goodwin, Bill Daniels, Bruce Henson, Pearl Story, Peg Hibbard, Meri Skeels, Luisa Monte, Nancy Peterson, Dick O'malley, Bruce Richardson, Jim Laird, Arlene Martin, Fred Martell.

Band

As this year comes to a close, the Montpelier Schools' Band, under the capable direction of Mr. Clifton L. Mix, can look back on a most successful year.

Besides adding pep and vigor to all our football and basketball games, the activities of the Band have included a joint concert with the Choruses, assembly programs, the Winooski Valley Festival, the Vermont State Music Festival and the annual Spring Concert. For the first time in its history the Band has featured two girl soloists, Sue Goodwin, flutist, and Gail Bigglestone, trombonist. Within the Band is a Dixieland Band and a German Band.

This year the members who were chosen for the All-State Band were John Ball, Gail Bigglestone, John Holden, Jim Laird, Betty Sue Roemer and Pearl Story.
Football

This year the MHS football team had one of its best seasons in many years. Seniors on the team were John Ball, tackle; Willie Carlson, right end; Ennis Gidney, fullback; Corliss Griffith, left tackle; Royce Griffith, right guard; Spike Holden, end position; Fred Martell, left end; Bob Warren, fullback; John Whiting, right back; and Jack Woods, left halfback. Royce Griffith was elected by the team to be captain for the final three games. Captains for the first five games were chosen by coaches Brown, Hartman and Gross from the outstanding players of the previous games. Jack Woods and Willie Carlson were selected as members of the Vermont Team to play at the Shrine's Maple Sugar Bowl football game on August 27, at Manchester, New Hampshire. Jack Woods, whose 57 points made him high scorer for the Northern Football Conference, was also named for the halfback post on the 1955 Coaches' All-State Team.

Basketball

Again this year the Solon's basketball team came through a quite successful season with an all-season record of 14 wins and 5 losses and a Northern League record of 7 wins and 5 losses. The team also received a tournament berth but lost out in the first game to Burlington by a score of 78 - 57. Although the Spaulding games were close contests, the most exciting game was the last one—when we lost to Burlington 51 - 49 in overtime.

THE year of 1954 - 1955 held nothing but success for the Ski Club. Mr. Farnsworth, the faculty advisor, led the group through thick and thin to make this possible.

The Winter Carnival went over with a bang—or perhaps we should say “a squish” when we recall the day of the boys’ downhill. In the boys’ and girls’ slalom, the girls’ downhill, and the boys’ cross country and jumping the Montpelier teams walked away with everything, including the new rotating cup. The Student Council won the snow sculpturing contest, and the Holdouts provided the “cool” music for the big dance.

This year’s officers were: “Spike” Holden, president; Margo McKenzie, vice-president; and Gail Bigglestone, secretary-treasurer.
First Row: Jeanne Benedict, Jeanine Mathewson, Jean Kinney, Harriet Slosberg, Marilyn Mix, Elnor Pierce, Sally Greene, Gail Bigglestone, Margo McKenzie, Nancy Blaisdell, Katie Pond, Luisa Monte, Pat Law, Marlene Bryant, Muriel Hill, Linda Kittie, Marcia Smith, Arlene Martin, Jerri Wood.

Second Row: Joan Foster, Susan Walker, Peggy Hibbard, Cynthia Merrill, Betsy Holt, Lucille Roop, Patty Martin, Linda Courser, Gail Davis, Janet Ipwich, Pat Baumann, Nan Sue Brown, Jean Davenport, Corrine Caustic, Marjorie Cleveland, Vivian Boardman, Rosalyn Baldwin, Martha Jeffrey.

Third Row: Meri Skeels, Ann Conkling, Linda Davis, Lucile Frontini, Sandra Laird, Marion Fish, Sally Pierce, Ruth Cleveland, Ourania Meletes, Judy Welch, Paule Greaves, Catherine Perry, Juanita Sierra, Nancy Desieles, Sue Whiting, Sue Goodwin, Gloria McQueston.

Fourth Row: Joyce Kangas, Sally Bernardini, Jean O'Brien, Toni Feola, Jean Edson, Judy Corskie, Betty Biy, Jane Hamilton, Carol Corskie, Jean Cleveland, Alison Barber, Sheila King, Eva Witham.

Fifth Row: Gail Richardson, Joan Pecor, Marie Leno, Betty Muzzy, Ruth Kemp, Cynthia Russell, Carol Edson, Mildred Muzzy, Bonnie Holden, Judy Nelson, Kay McLeod, Barbara Burdick, Carol Darling, Sally Guyette, Elsie Roberts, Barbara Smith.

Girls’ Athletic Association

This year in GAA has been a very active one. Under the supervision of Miss Morrison there have been many playdays when the various schools in this area get together to play volleyball, basketball and other sports.

The ski team won all three of the events that they participated in and spent many hours practicing at Sabins Pasture. Volleyball and basketball tournaments were held after school among the four classes. During the softball season the GAA had a picnic at Hubbard Park.

The officers of this year were: Margo McKenzie, president; Gail Bigglestone, vice-president; Nancy Blaisdell, secretary; Katie Pond, treasurer; and Sally Greene, freshman representative.
First Row: Richard Fleury, Andrew Tomasi, Clifford Bailey, Peter Benedini, Wendell Baldwin, John Washburn
Second Row: Bob Yates, Dick Comi, Jack Woods, Jim Gitchell, David Maxham, Steven Meletes
Third Row: Harlan Douglas, David Woods, Clifford Heaton, Barton Jeffrey, David Day, Coach Carbaugh

Baseball

This year the baseball season started off with practice at Recreation Field under the coaching of Mr. Carbaugh. Jack Woods, Dick Comi, Andy Tomasi, Jim Gitchell, Bob Yates and Steve Meletes returned with letters to form a strong nucleus for the team.

Jack Woods, captain of the team, is the catcher while Dick Comi, Andy Tomasi and Cliff Bailey are sharing the pitching honors. Pete Benedini is in charge of first base, Jim Gitchell plays second, John Washburn and Bart Jeffrey alternate for the shortstop position while Bob Yates and Dick Fleury also switch off as guardians of third base. In the outfield we have Steve Meletes, Dave Woods, Cliff Heaton, Wendell Baldwin and Dave Maxham. Harlan Douglas and Dave Day round out the squad as managers.
