### PROLOGUE

**H**ERE is the 1959 RECORD. We breathe a sigh of relief, realizing that the hard work is over and that the yearbook is at the press. We also breathe a sigh of regret remembering all the fun we have had organizing and editing the best RECORD ever published by any RECORD Board Staff.

We realize that after June 12, 1959, the members of the Class of 1959 will go separate ways, probably never to meet again in one entire body. It is our earnest hope that in this 1959 RECORD we have recorded by word and picture the many joys and sorrows we have experienced in our four years at Montpelier High School.

The 1959 RECORD Board Editors and Staff present to you the 1959 RECORD.

## WORD TO THE SENIORS . . .

May 12, 1959

The Class of 1959  
Montpelier High School

Ladies and Gentlemen:

The program of your graduation exercises will carry on its cover "The One Hundred Forty-Sixth Anniversary of the Washington County Grammar School."

Whatever may be the relationship we assign to the Washington County Grammar School and Montpelier High School, the fact remains that you are representatives of an institution of learning that has a long and honorable history in the annals of American education.

We who are identified with this institution, both faculty and students, like to think that our school is typical of the finest qualities that are the birthright of Vermonters: loyalty, steadfastness and conservatism.

In loyalty we include worship of our God and adherence to the tenets of our religious faith, devotion to our Country and its Constitution, and respect, both for ourselves and for the rights of others.

In steadfastness we strive to support that which is just and true against all the pressures of those influences that weaken the moral fibre of our fellow men.

In conservatism we devote our energy to support those standards and ideals which our fathers, and their fathers before them, found worthy of maintenance and perpetuation. We support them, not because they are old but because they have stood the test of time. There is a vast difference between innovation and improvement.

If you have acquired respect for these qualities during your four years at Montpelier High School you have gained more of this world's treasure than all the mathematics or foreign language or science can ever give you in a life time of study.

With this advice we bid you goodbye; but wherever you go and whatever you do, know that our prayers and best wishes go with you.

Sincerely yours,

*ROBERT H. CHASTNEY*

Principal

# RECORD BOARD FAIR

## Frederick C. Adams

“Student Prince”

Football J.V. (1); Varsity (2, 3, 4), Letter (2); Captain (4); Basketball J.V. (1), Varsity (3), Letter (3); Baseball J.V. (1), Varsity (3), Letter (3); Track Varsity (2); Pro-Merito (4); Student Council (3, 4); Solonscope(4).

Hey now, wait just a minute. What's that again?" . . . A very inept introduction to our Fred who's alphabetically as well as scholastically tops . . . As far as personality, agreeableness, and old-fashioned amicability go, he's tops there, too. Our more treasured memories of Rick include a thatch of strawberry blond hair, a white sweatshirt, his talks in English class . . . He'll have to work hard not to be successful.

## Stephen P. Adams

“Winter Wonder(land)”

Ski Team Varsity (1, 2, 3, 4); Letter (1), Captain (4); Football Manager (1, 2, 3, 4); Class President (1).

Here's our man of the three P's—pep, personality, and popularity . . . Buster's motto is “Have skis, will travel” because when snow falls, it's “yahoo” and off to the Mountain . . . We point to the fame he won skiing in the Junior Nationals in Washington . . . Again, congratulations, Buster . . . A nicer guy couldn't be asked for, and unless we're very poor judges, success will be his.

## Lorraine M. Ainsworth

“Sweet Lorraine”

G. A. A. (1, 2, 3, 4), 50 Point Award (3), 100 Point Award (3), 200 Point Award (4); Class Secretary (3); F. H. A. (2, 3, 4), President (4), Vice-President (3); Freshman Chorus (1), Girls' Glee Club (2, 3, 4), Mixed Chorus (2, 3, 4), Treasurer (4); Pro-Merito (4); Silver “M” (4); Solonscope (3, 4); Record Board (3, 4).

Efficient, persevering and pretty . . . Lorraine, who presides over F.H.A., has in her quiet way lent a helping hand to many activities . . . It is her charm and poise that have won her so many friends . . . The fact that she was chosen to represent M.H.S. in the contest for Harvest Festival Queen speaks for her popularity with her classmates.

## Harriet E. Anderson

“Blue Skies”

Future Homemakers of America (3,4), Vice-President (4); Solonscope (3, 4); Teenage Book Club Chairman (2,3).

Sunny as blue skies and nice as nice can be, Harriet is a wonderful gal who uses her time efficiently for studying and reading . . . A more amiable disposition would be hard to find . . . We're sure this will indeed be an asset when she realizes her ambition to own and manage a restaurant . . . Perhaps Roxie, Aggi, and Janie will be there to help keep things gay.

### Tomas F. Anderson

### “Blue Suede Shoes”

Football J.V. (1,2), Varsity (3,4), Letter (3,4), Captain (4); Basketball Manager (3, 4); Track J.V. (1, 2), Varsity (3, 4), Letter (3).

“Shucks, late again!” . . . Tom does make it to school on time more often than not, though . . . His efficiency as a manager has to be proved in almost every sport, and on the football field, his determination stopped many a larger opponent . . . Tom has a nice manner about him which makes him one of the more likeable members of our class . . . That 18th birthday cake at the Lincoln Inn was really yummy, wasn't it, Tom?

### Barbara C. Babcock “Too Marvelous for Words”

G. A. A. (1, 2, 3); Cheerleading J.V. (2), Varsity (3,4); Masque (1, 2, 3, 4), Pin (3), “John Brown's Body” (4); Freshman Chorus (1); Pro-Merito (4); Silver “M” (4); Solonscope (2, 3, 4); Record Board (2, 3, 4), Treasurer (4); Junior Prom Refreshment Committee Chairman (3).

“Gee, I didn't know we had cheering practice this noon.” We're really just making this up because Barb's serious, responsible attitude has made her an invaluable member of many school organizations, including the cheerleading squad . . . No one combines good grades, many extra-curricular activities and such a sunny disposition as our Barb . . . Also, she's one of the very few ardent female hikers.

### Joan C. Barquin

### “All in Fun”

G. A. A. (1, 2, 3, 4), 50 Point Award (3), 100 Point Award (4); Future Homemakers of America (2, 3, 4); Masque (1, 4), “The Bond Between” (4), “The Lottery” (4); Solonscope (3, 4); Record Board (3, 4); Majorette J.V. (1,2).

If you see someone with twinkling eyes and a cheery smile who's looking for fun, it's Tara . . . She loves dancing and is often seen at the Teen Center with her many friends . . . Notice her pretty clothes? . . . She's been active in G. A. A. and is also, we discover, a very clever actress . . . Best of luck in your teaching career, Tara!

### Donald K. Bigglestone “Let It Snow, Let it Snow”

Baseball J.V. (2); Ski Club (1, 2, 3, 4), Ski Team Varsity (1, 2, 3, 4), Letter (4); Football Manager (2, 3, 4); Baseball Manager (1); Masque (1, 2); Ticket Squad (1, 2); Record Board (4).

“Yahoo! It's snowing!” . . . When that white stuff starts to fall, we don't see very much of Biggie anymore . . . A really versatile guy with a keen sense of humor, he's an Arthur Murray on the dance floor . . . Tell us, Don, where did you pick up that famous stride? . . . And which jazzy, snazzy shirt are you wearing tomorrow? . . . We don't doubt that you will become a leader in the world of business.

## Richard L. Blanchard

### "It Was Football"

Football J.V. (1, 2), Varsity (3, 4), Letter (1, 2, 3, 4), Captain (4); Baseball J.V. (1), Letter (1), Ski Club (1), Ski Team J.V. (1); Track J.V. (2), Varsity (3, 4), Letter (3, 4); Ticket Squad (1, 2).

Hunter, fisherman, athlete and everybody's friend... Also a member of the Shrine Football Squad... Congratulations, Dick... "Were those physics problems due today?"... He's also another one of the brave venturers into the land of pulleys, motors and electrons... Dick's an easy-going lad who enjoys life and a good time... If there's not a good time, he quickly creates one... UVM seems to be his next stop... We'll be watching his progress.

## Donald J. Bliss

### "Whistle While You Work"

Don is a happy-go-lucky fellow who works hard outside of school as well as inside... His personality is most affable and his good manners prove wonderfully refreshing... His friendliness has earned him the reputation of everyone's good friend... We might mention that Don's a mighty handsome fellow, too.

## Ivis Bordas

### "Angel in Disguise"

G. A. A. (1, 2, 3, 4), 50 Point Award (3), 100 Point Award (3), 200 Point Award (4); Future Homemakers of America (1, 2, 3, 4); Masque (1); Freshman Chorus (1), Girls' Glee Club (2), Mixed Chorus (2), Mixed Chorus (2) Solonscope (2, 3, 4); Record Board (2, 3, 4); Style Show (1).

There's nothing more irritating than to be called Iris when one's name is Ivis, right Iris—er uh, Ivis?... However, Iris takes this all in good humor... She also takes responsibility well and accomplishes her tasks with a good humor that is highly contagious... We might just mention that she's learning to drive...

## Lee Bowman

### "Honey Bun"

G. A. A. (1, 2, 3, 4), Treasurer (3); Assembly Committee (3,4), Chairman (4); Cheerleading J.V. (1), Varsity (2, 3, 4), Captain (4); Masque (1, 2); Freshman Chorus (1); Orchestra (1, 2, 3, 4), All-State Orchestra (1, 2, 3, 4); All-New England Orchestra (4); Pro-Merito (4); Silver "M" (4); Student Council (3, 4); Solonscope (1, 2); Record Board (2, 3, 4); Junior Prom Decorations Committee Chairman (3).

"Good morning", sparkle, smile and "Don't forget practice this noon."... Here's our cute strawberry blond, Lee, whose spirit and guidance have led our cheering squad this year... She plans our assemblies; she effectively executes Student Council projects; she's musically talented; she possesses friends and personality plus... Need we say more?

### Anne B. Campbell "The World on a String"

G. A. A. (1, 2, 3, 4), 50 Point Award (3); Future Homemakers of America (2, 3, 4), Treasurer(3); Masque (2, 3, 4), One-Act Play Contest (4); Freshman Chorus (1); Pro-Merito (4); Record Board (4); Style Shoy (1).

Oh, that pretty blond pageboy . . . Anne seems to remain calm, cool and collected, even in times of major catastrophe . . . Anyone who has worked with her can attest to her capability in almost any situation . . . A bubbling spirit and an avid interest in a certain "Pete" are two of Anne's distinguishing characteristics . . . We'll be looking for her name on the Dean's List at VC next year.

### Carol A. Carr "Sweetheart of ( ) Chi"

G. A. A. (1, 2, 3); Masque (1, 2, 3, 4), "John Brown's Body" (4); Freshman Chorus (1); Pro-Merito (4); Record Board (4); Junior Prom Ticket Committee Chairman (3).

Tall, dark, and beautiful . . . We think Carol would look stylish even in burlap . . . Mmmmm, look at that Florida tan . . . We hear by the grapevine that she's the freshman ideal of a dignified, sophisticated senior . . . Northfield seems to be her favorite town . . . The retailing profession is her next goal.

### Sandra J. Caslani "Wonderful You"

Future Homemakers of America (2, 3), Song Leader (2, 3); Freshman chorus (1), Girls' Glee Club (2, 3), Mixed Chorus (2), "Smokey Mountain" (1).

Sandy appears quiet and shy at first glance, but you'd better look twice . . . And also listen twice because her giggle never fails to identify her . . . She's a girl who has acquired many new friends at school, and this may be due to her skill at combining seriousness and fun . . . We might just mention that she also works hard at a part-time job . . . We wish you the best, Sandy.

### James E. Chalmers "All-American Boy"

Burlington High School—Football Varsity (2, 3), Class Tax Collector (3); Football Varsity (4), Letter (4).

"Hey, watch out!" . . . Drop everything! Here's Jim! . . . We're happy to report that there's never a dull moment when this fellow is in the vicinity . . . One year with us and already he seems like an old-timer . . . We just love the way he says "Cartoon" . . . Wonder if his supply of humor will ever run out—we can't imagine it will . . . There's also an element of seriousness about him which makes Jim just an all-around nice guy.

## Frank B. Clark

### “Wonderful Feeling”

Football J. V. (1, 2); Basketball J. V. (1, 2); Baseball (1); Class Vice-President (3); Solonscope (3, 4); Business Manager (4).

Did you say there was something to be done? Well, Frank, our snappy **Solonscope** business manager will be right there . . . We think he's the best seller-of-**Solonscopes**-in-the-lobby ever . . . Going hunting or working on his car seems to keep him out of mischief during any spare time he may have . . . Just coax him into conversation sometime—we think you'll agree with us that Frank's a great guy. We hear that the armed service is his next stop. Best of luck to you, Frank.

## Linda L. Clark

### “While We're Young”

Solonscope (4); Teenage Book Club Chairman (2); Record Board (4); Style Show (1); Future Homemakers of America (3, 4); Freshman Chorus (1), Girls' Glee Club (2, 3).

Linda holds the coveted title of “Shortest Member of the Class of '59” . . . Quiet and conservative, she can be lots of fun when there's fun to be had . . . Another of the illustrious East Montpelier-ites of '59 . . . Making friends and keeping them seems to be one of her specialties . . . We predict that her studying and hard work will pay off with a top-notch office position . . . Much success and keep your chin up, Linda.

## Charles L. Collins

### “Charlie, My Boy”

Football J. V. (2), Varsity (3, 4), Letter (4); Track J. V. (2).

“Hi!” or “How about that?” readily identify this versatile senior . . . Another hard-working member of the '59 football squad, Charley's concentration and hard work seem to have paid off well; and we'll be following his career at Champlain College next fall . . . That sense of humor and frequent chuckle are all part of the picture, too.

## Jean E. Conkling “Jeanie with Dark Brown Hair”

G. A. A. (1, 2, 3), 50 Point Award (2), 100 Point Award (3); Masque (1, 2, 3, 4), Pin (3), Letter (4), Secretary (4), “She Stoops To Conquer” (1), “Evening with the Masque” (4); Freshman Chorus (1); Band (1, 2, 3, 4), Head Twirler (4); Pro-Merito (3); Office Staff (2, 3, 4); Silver “M” (3); Record Board (3, 4).

Petite, pert, and bubbling with personality—that's Jeanie . . . Who else could have planned and executed the twirlers' formations and routines that we all enjoyed so much this year? . . . Joan has a knack for making any event fabulous . . . Generosity and friendliness are her trade-marks . . . We think that there couldn't be a career better suited to her than nursing.

## Jane A. Cunningham

“Calamity Jane”

G. A. A. (4), 50 Point Award (4); Masque (3, 4); Solonscope (2, 3); Record Board (4).

This tall, blond lass can be found most often with Roxy and Agnes . . . But she has many, many more friends . . . Her outside-of-school interests include horseback riding, skating, and tennis . . . Her nice voice and cherubic smile, which appears when something touches her sense of humor, make her fun to talk with . . . We hope that all your dreams for next year come true, Janie.

## Sheila A. Cutler

“Private Secretary”

Future Homemakers of America (2, 3, 4), Historian (2); Freshman Chorus (1), Girls' Glee Club (2, 3); Pro-Merito (3); Solonscope (4); Record Board (4); Style Show (1).

We have every reason to be sure that Sheila will some day be the most successful secretary ever . . . Such efficiency and energy! And how we envy her naturally curly hair! . . . She's nice to have around—and be around—'cause because she's just naturally friendly and helpful . . . It must be nice to have your middle initial appear so frequently on your report card!

## Norman S. D'Arthenay, Jr.

“I Won't Dance”

Football Varsity (2, 3, 4), Letter (2, 3, 4); Basketball J. V. (1, 2), Varsity (3, 4), Letter (3, 4); Baseball J.V. (1), Letter (1); Class President (3); Senior Class Marshall (3); Silver “M” (3); Solonscope (3); Boys State (3), Boys Nation (3).

Presenting our poet laureate of 1959 . . . Robert Frost would prick up his ears, but we just sit back in amazement and enjoy Spike's marvelous blending of words . . . Talent and Spike are synonymous to us . . . A many-sided individual, he always seems in command of a conversation, be it light, witty, or intellectual.

## Gary A. DeCoteau

“Most Happy Fella”

Football J. V. (2), Varsity (4), Letter (4); Track Manager (1).

The big question is—Will his car stay intact until that golden day when he brings home his first deer? . . . We're rooting for you, Gary! . . . Another stalwart on our football team . . . This fellow lends that surprising little quirk to every event . . . We never know whether he's chuckling at himself or at us . . . His friendly wave, his attitude, and his zeal are what we like most about him.

**Roland E. Doucette**

“Shine on My Shoes”

Where? Oh, yes—behind the wheel of that chic '59 Ford is Buddy . . . However, you may not be able to see him very well because his car is always filled to capacity with his many friends . . . This guy, who enjoys himself on all occasions, seems to be at the right place at the right time all the time . . . And for all of you-all who have still to bag that elusive deer, listen: Bud shot one standing plunk on his front porch.

**Ralph Drew, III**

“Ace in the Hole”

Football J. V. (1, 2), Varsity (3); Basketball J. V. (1); Baseball J. V. (1, 2).

Uh, Uh—better not . . . Mischievous Ralph always manages to find something to occupy himself . . . Another lover of woods, fields, and streams . . . We really can't imagine him sitting still to catch a fish, though we could be mistaken, of course . . . At any rate, be assured of his friendliness at all times and look for him where there's lots of good fun and frolic.

**Charris K. Dudley** “Footloose and Fancy Free”

G. A. A. (1, 2, 3, 4), Vice-President (4), 50 Point Award (2), 100 Point Award (3), 200 Point Award (4), 300 Point Award (4); Future Homemakers of America (4); Masque (3, 4), “John Brown's Body” (4), “The Lottery” (4); Band (2, 3, 4), Letter (3); Record Board (2, 3, 4).

While other people spend their weekends baby sitting, Doodles spends hers “dog sitting” for her house full of canines . . . Sports are her specialty, and more unquenchable enthusiasm we've never encountered . . . Those eight miles between East Montpelier and Montpelier have never prevented her from joining her friends . . . A bigger tease there never was, but a nicer gal to have around there never was, either.

**Richard W. Duprey**

“Home on the Range”

Track J. V. (1).

“Home on the Range” is certainly an apt theme for Dick because if you ever see a wide-brimmed cowboy hat sailing past, you will know that Dick is probably underneath it . . . What he lacks in height he makes up for in almost every other way . . . He's quite a hunter and fisherman . . . He isn't exactly the garrulous type, but then “silence is golden” when you're stalking game.

### Bancroft Dwinell, Jr.

### "I Got Rhythm"

Ski Club (1); Masque (1, 2, 3); Projectionist (1, 2); Ticket Squad (1, 2).

Water skiing appeals to this guy and he's quite a water skier! . . . Jazz also appeals to him, and he has a fabulous collection . . . Cars appeal to him too, and that car of his is really something! . . . Bandy can spot fun anywhere and always joins it quickly . . . All in all, he's a personable fellow with a keen sense of humor.

### Dean A. Edson

### "Little Drummer Boy"

Ski Club (4); Ski Team Varsity (4); Class Treasurer (4); Band (1, 2, 3, 4), All-State Band (4); All-New England Band (4); Boys State (3).

"Wow! How's that again?" Whether behind his drum, soaring downhill on his hickories, or just plain soaring in his car, our Dean has the right remark for every situation—right or wrong—*n'est-ce pas*, Dean? . . . We have great faith in this boy . . . He's intelligent, he's talented, he's witty, he's fun to be around, and what's more, he's—well, he's Dean.

### Gary B. Eldred

### "Anything Goes"

Baseball J.V. (1).

May we introduce dark, good-looking and conservative Gary. He seems to have an unusual faculty for livening up all his classes. If you're looking for him and he isn't in the company of Frank or Jim, you can assume that he's working at the First National Store. Perpetually in a good humor, Gary can always be called upon for a good time and lots of fun.

### Kathleen L. Fitch

### "When Hearts Are Young"

Future Homemakers of America (4); Freshman Chorus (1); Style Show (1).

Here's one of the happy-go-luckiest girls in the senior class and also one of the friendliest . . . She seems able to take everything in her stride and not even reaching Montpelier via the County Road in the midst of a Vermont winter can faze her for long . . . Although she seldom talks about herself, we do know she hopes to make nursing her career . . . The best of everything in life to you, Kathy.

### Christine R. Forgue

### "Let's Have a Party"

G. A. A. (1, 2); Masque (1, 2, 3, 4); Freshman Chorus (1); Record Board (4).

Portrait of the "typical American teenager" . . . One of our prettier *jeune filles* . . . Always ready for fun . . . She studies—but not too hard! . . . She dances . . . very well! . . . She dates—often! . . . Everyone likes Chris, and her future is certain to be filled with friends.

### Carole A. Freeman

### "When You're Smiling"

G. A. A. (1, 2); Future Homemakers of America (2, 3, 4), President (3); Masque (1, 2, 3, 4), Pin (4), "John Brown's Body" (4), "Smokey Mountain" (2), New England Drama Festival (3); Freshman Chorus (1), Girls' Glee Club (2, 3, 4), Mixed Chorus (2, 3, 4), Letter (3), Pendant (4), Librarian (3), All-State Chorus (4); Record Board (2, 4).

What would the Masque have done without this busy blond senior? . . . Have you ever noticed how her whole face lights up when she smiles?—and that's quite often . . . Also, she's one of the outstanding members of her youth fellowship group . . . She has chosen nursing as her profession, and we know she'll be successful.

### James W. Frost

### "I'll Never Be the Same"

Do you wish to be informed about anything concerning cars? Consult "Duke" and observe that smooth black convertible . . . He and Dale (his cousin, no less) have every answer . . . Jim, do you get that scrumptious tan water-skiing in the summer? . . . At the First National he's an excellent, and our favorite *epicier* . . . The day is complete only after Duke has cracked his daily joke, grinned his big grin, and said "Hi!"

### Jane Gibson "I've Got the Sun in the Morning"

Forensic Society (3, 4), J.V. (3), Varsity (4), President (4); Masque (3, 4), Pin (4), "John Brown's Body" (4), "An Evening with the Masque" (4), "Taming of the Shrew" (3).

Although Jane joined us only last year, she has already filled many responsible positions in both Masque and Debate . . . How we admire her ability to express herself explicitly and concisely and remain unruffled through it all . . . She's a really considerate gal who can easily make people forget their troubles and feel at home. Jane says that she's looking forward to college life at B.U. next year; we're looking forward to her success.

### Conchita E. Gomez "On Top of the World"

Class Treasurer (1); Future Homemakers of America (2, 3, 4), Treasurer (2), Parliamentarian (3); Masque (1, 2, 3, 4), Pin (3), Letter (4), "The Storm" (4), "Saint Joan" (3), New England Drama Festival (3), "John Brown's Body" (4), "Solid Gold Cadillac" (4); Freshman Chorus (1), Girls' Glee Club (2, 3, 4), Mixed Chorus (2, 3, 4), Letter (3), Pendant (4), Orchestra (1, 2, 3, 4), All-State Orchestra (1, 2, 3, 4), All-New England Orchestra (4); "Smokey Mountain" (2); Office Staff (4); Silver "M" (3); Solonscope (1, 2, 3, 4); Record Board (2, 3, 4), Ass't Editor (3), Editor (4); Treasurer Magazine Drive (4).

Our source of constant amazement is Chita's ability to find time for so very many extra-curricular activities and still keep those *A's* and *B's* coming in . . . Want to find her? Just listen for that giggle! . . . Whatever you want accomplished efficiently and promptly should be given to Chita—Example: this *1959 Record* We know she'll be tops at Champlain College, too.

### Isabel A. Gomez "So Rare"

Class Treasurer (3); Masque (1, 2, 3, 4), Pin (3), Letter (4), "Curious Savage" (2), "Sorry, Wrong Number" (2), "Saint Joan" (3), "Taming of the Shrew" (3), "The Solid Gold Cadillac" (4); Girls' Glee Club (2, 3, 4), Mixed Chorus (2, 3, 4), Letter (3), Pendant (4), Treasurer (3); Pro-Merito (4); Silver "M" (4); Solonscope (1, 2, 3, 4), Ass't Editor (3), Editor (4); Record Board (2, 4); Girls State (3).

Isabel is the girl to see for advice concerning literature and creative writing . . . A very competent Solonscope editor, she's full of new and original ideas . . . At Kellog-Hubbard Library she can find just the book you're looking for . . . We're sure Middlebury College has found just the gal it's looking for!

### Ross S. Goodyear "The Happy Wanderer"

A screech of tires, and a black Chevy pulls into view . . . It's Ross! . . . From Moretown, of course, where he is Master of the Grange . . . His interests? Well, let's see there's mechanics, rifles, sketching, and operating movie projectors . . . We'll always remember him as the little guy with the Andy Griffith smile . . . Hopes to buy his own tractor and continue farming . . . The best to you, Ross.

### Richard D. Graham "Take Me Out to the . . ."

Football J.V. (1, 2), Varsity (3, 4), Letter (3); Basketball J.V. (2), Varsity (3, 4), Letter (3); Baseball Varsity (1, 2, 3, 4), Letter (1).

Rick excels in the art of putting balls over endlines, through hoops, and right over home plate . . . Baseball is his specialty, though, and on the diamond he shines as an excellent pitcher . . . When off the field of friendly combat, Rick is a connoisseur of dancing and parties . . . His sincerity and positive attitude have made him an indispensable member of our class.

## Bruce D. Griffin

### “Dreamy Eyes”

Football J.V. (1, 2), Varsity (3, 4), Letter (4); Baseball J.V. (1, 2), Varsity (4), Letter (4); Baseball J.V. (1,2); Class Vice-President (4); Pro-Merito (4); Junior Prom Co-Chairman (3)..

Need any groceries? . . . Bruce is the man to sell them to you . . . Besides working hard outside of school, Bruce keeps busy, busy, busy with studying, sports, and frequent witticisms in classes . . . Good manners, generosity, and an unending supply of teasing quips add up to one “Spruce” Griffin . . . He certainly added a lot of baskets to our team’s total score this winter.

## Roy C. Hawkins

### “Gone Fishin’ ”

Where’s the best place to find Roy, or Speedy as his friends call him? . . . Why, riding around in his Chevy with his host of friends, of course . . . That sizable and prosperous farm which he lives on has afforded him many opportunities to improve his hunting and fishing techniques, two sports at which he excels . . . Like all his friends, he too enjoys having fun . . . At the risk of being repetitious, we might say that friendliness is another of his attributes.

## David A. Hayward

### “Anchors Aweigh”

Projectionist (1, 2, 3, 4).

Screech! Here he comes—late! . . . Well, you’d be late, too, if you lived in North Montpelier . . . Dave excels in fishing and hunting, but bring him inside and he’ll be the first on the dance floor. Right, Dave? . . . We wonder what the atmospheric conditions are up where he is because his altimeter reads six feet and four inches . . . Gaze into our crystal ball and see Dave in a Navy uniform.

## Deane F. Hedges

### “A Hunting We Will Go”

Bang—and another big black bear bites the dust . . . Deane’s good luck at hunting never seems to run out . . . And fishing brings out the best in this lad, too . . . A really popular guy, Deane is an outdoorsman at heart and an excellent painter (of houses!).

There's no doubt about it, Larry really understands his science! . . . We will long remember his innate kindness and loyalty . . . We have great faith in his future as an engineer.

Shell is one third of the female triumvirate venturing into physics class at the seventh period every day... Although her home now is Northfield, we're glad she's where her heart is—at M.H.S. where she's one of our most loyal rooters... She plays the piano well and, reasonably enough, is an excellent chorus member... Look for her on the U.V.M. campus next fall.

We think she is outstanding because she takes a serious attitude toward work, she knows how to have fun, and she is an able conversationalist... We also think that the blue V.C. beanie will look especially nice perched on your blond bob next fall, Sue.

**Robert G. Kramer, Jr.** "Ain't Misbehavin' "

Football J.V. (2), Varsity (2), Letter (2); Baseball J.V. (2), Letter (2).

We think the song title is especially appropriate, don't you, Bob? . . . Bob is often seen engaged in a friendly chat or joking with any of his many cronies . . . The fun does fly when he's around . . . He's an outgoing chap who appreciates everyone, and we find him very nice to know.

**Roxana J. Kreis**

"Smile"

Future Homemakers of America (2, 3, 4); Masque (3, 4); Orchestra (4); Solonscope (3, 4).

Gosh! With a clunk and a crash, here comes Roxie's cello on the back of brother Henry . . . When it arrives at its destination, Roxie puts on a determined look, braces herself, starts to play—and play she does . . . She has certainly been a most welcome addition to this year's orchestra . . . She's such a nice gal that we're not worrying one bit about her future success.

G. A. A. (1, 2, 3); Future Homemakers of America (2, 3, 4), Treasurer (4), Reporter (3).

Have you paid your dues yet?” is Sue’s remark as an F.H.A.er passes her by for she’s been an excellent F.H.A. treasurer... Notice her shiny blond hair and pretty blue eyes... Judging from the group of friends who are always with Sue, we list affability as her outstanding trait... We’re sure she’ll be one of the more active freshmen at Johnson Teachers’ College.

## Betty L. Libby

“Brown Eyes”

A newcomer to Montpelier during her junior year, Betty came from Stowe High School where she was active in basketball... During her spare time she can be found working hard at McLellan’s Store... She’s quiet and well-liked by all of us who have known her for the past two years.

## Roger G. Mack

“Alright, O.K., You Win”

Football J.V. (1); Baseball J.V. (1, 2), Letter (1, 2).

Rog is an avid baseball and basketball enthusiast... Also, he’s one of our very few big game hunters... This quiet, easy-to-get-along-with guy has an air of dignity about him, but when Don and Gary are in range, the facade vanishes and the fun begins... We wonder when he’ll start selling tickets to the passengers in his blue Chevy.

### "The Quiet Man"

Voted our most quiet male classmate, we hasten to add how congenial he is... carburetors, spark-plugs, cars!... Master of our modern machine, the automobile... Versatility and quiet friendliness are two of his many likable attributes... We can't forget that completely authentic one-in-the-world yellow car of which Dale was the proud owner last year... If ambition and sincerity are the ingredients of success, then success will surely be Dale's.

## Marjorie R. Slayton

“My Little Margie”

Freshman Chorus (1).

Here she is—now she's gone . . . Driving her car, of course . . . Margie is one of our quieter classmates . . . Nevertheless, there's lots of fun and variety in her company . . . To sum her up—she's petite; she's friendly; and she enjoys every minute of life . . . Bells will ring for her July wedding this summer . . . Our best wishes, Margie.

## A. Richard Slayton

“Mr. President”

Basketball Varsity (4), Letter (4); Baseball J. V. (1), Varsity (2, 3, 4), Letter (2), Captain (3); Ski Team J. V. (1); Class President (4); Ticket Squad (1); Boys State (3); Junior Prom Committee Chairman (3).

If at first he appears quiet, wait a moment . . . Richie is our answer to the problem of mixing poise, intelligence, and a pleasing personality . . . Amicability and a certain curiosity about serious thought make him a top rated conversationalist . . . It's not all work and no play, though . . . Where there's a party, there's Richie . . . Never refuse an invitation to a party in his huge, glamorous, fabulous, ideally suited barn.

## Donna M. Smith

“Life Is a Bowl of Cherries”

G. A. A. (1,2,3); Future Homemakers of America (4).

Donna's life may or may not be a bowl of cherries, but she never bothers us with her troubles . . . Her outgoing manner and nice “Hi!” attract many friends who enjoy good company . . . When she's not helping us around the halls of M.H.S., she's up at Heaton Hospital helping the staff as a Nurses' Aid . . . We're not surprised when we hear how much the patients like her.

## Sherman A. Stebbins

“You Gotta Have Heart”

Football Varsity (4), Letter (4); Soccer (1, 2).

When an emergency arises, consult Sherm . . . He increases his wisdom by quietly listening to what others say . . . How well he can play football! . . . His is an example of the very best and rewarding kind of conservatism, and it's what we like most about him . . . There's only one more thing to say—we wish he'd come to M.H.S. sooner.

### Trena L. Tallman "I Went to Your Wedding"

Future Homemakers of America (2, 4); Freshman Chorus (1), Girls' Glee Club (2, 3, 4), Mixed Chorus (2, 3, 4); Record Board (2, 3, 4); Style Show (2).

How we envy her pretty diamond ring, as well as those oodles of smart clothes which Trena sews all by herself . . . When this gal flashes her smile, everyone is at ease and ready for a good conversation . . . A pert, poodle-style hair-do is an intrinsic part of Trena. We wish her happiness and success in her career as an office secretary.

### Susan H. Tarshis "New York, New York"

Girls' Glee Club (2, 3, 4), Mixed Chorus (3, 4); Pro-Merito (4); Solonscope (2, 3, 4); Masque (1, 2).

Calm and pleasingly intellectual is our Starshis . . . On dull Mondays and frantic Fridays we can always count on Sue to come through with the right answers . . . She's a travel-minded gal and next year plans to spend the winter in India . . . Our best wishes and *bon voyage* to an especially nice gal.

### Roy A. Thurston "Bidin' My Time"

The streams and forests beckon . . . Roy takes out his rod and gun, and it's away to the unknown . . . This fellow, though short on stature, is long on friendliness and responsibility . . . We wish him the very best in years to come.

### Jacqueline L. Trombly "You Are My Sunshine"

Future Homemakers of America (3, 4); Pro-Merito (4).

Here's another girl to add to the already long list of tall seniors . . . That she's very industrious both in and out of school she proves by working after school taking in nickels and dimes in return for merchandise . . . Because she's such a good sport, she gets along with everyone . . . If you ask us, Jackie is an all-around nice person to know.

## J. Suzanne Welch

### "Sophisticated Lady"

G. A. A. (1, 2, 3, 4), 50 Point Award (4); Future Homemakers (3, 4); Masque (2, 4), "John Brown's Body" (4), "The Lottery" (4); Freshman Chorus (1), Girls' Glee Club (2, 3, 4), Mixed Chorus (2, 3, 4), Chorus Secretary (3); Teenage Book Club Chairman (2); Record Board (3, 4).

Sue is a petite Miss with *beaucoup de poise* and lots of smart clothes . . . A radiant personality and a subtle sense of humor have been her trademarks . . . How much fun she is, and how much we've appreciated her charm and quiet tactfulness.

## Beverly T. Wheeler

### "Singing in the Rain"

Freshman Chorus (1); Pro-Merito (3); Office Staff (3); Style Show (1).

When we hear the expression "dog-gone", we know that Bev is near by . . . Her favorite outside activities are horseback riding and swimming . . . That this gal is the most friendly type is evidenced by the large number of friends who are always looking for her . . . In the future she wants to spend much of her time traveling. Have fun, Bev, but don't forget to come back at class reunion time.

## Ronald A. Wilkinson

### "All About Ronny"

Football J. V. (1, 2), Letter (1, 2); Basketball J. V. (1, 2), Letter (1, 2); Baseball J. V. (1), Letter (1); Track J. V. (1, 2, 3), Letter (2); Class President (2); Ticket Squad (3); Freshman Reception Co-chairman (4); Junior Prom Committee Chairman (3).

We can remember when the adjective **tall** didn't exactly fit Ron . . . Ron spent much time delivering flowers for the Pink Shutter Shop . . . He is lively and loves to talk . . . He's another follower of Isaac Walton and Nimrod . . . We think he'll be very successful in his chosen field.

## Nancy Williams

### "Ain't She Sweet"

G. A. A. (1, 2, 3), 50 Point Award (1); Cheerleading J. V. (1, 2), Varsity (3, 4); Future Homemakers (4); Masque (2, 4); Freshman Chorus (1); Office Staff (2, 3, 4); Solonscope (1, 2, 3, 4); Record Board (2, 3, 4).

Do you hear a mischievous giggle, see a blond pixie-cut protruding from a crowd of friends? . . . Of course, it's Nance . . . Wonder how many football games were revived with her, "Come on, let's really holler now, everyone!" . . . Sparkle, energy galore, and fun, fun, fun . . . Her more serious side is evidenced by her winning of our oratorical contest . . . and oh, unless you've heard Nance pronounce the word **lovely**, you haven't lived.

## Allen B. Alexander

## “Stout-Hearted Man”

Football J. V. (1).

For the seniors in Room 5 Al keeps things moving at a lively pace . . . This hard-working guy hails from an outlying section of Montpelier . . . As one of the very, very elite group of people who cultivate mustaches, he seems to take great pride in keeping his in tiptop shape . . . Is he studious? We really don't know for sure; however, he's a real clown and an awfully nice guy.

## Carleton W. Tenney “With a Little Bit of Luck”

Basketball Varsity (2), Letter (2); Softball Varsity (2); Masque (2), “The Taming of the Shrew” (3); Student Council (1, 2).

A comparative newcomer to M.H.S., Carl has added much to the dignity of our class . . . But don't let that scare you—he's a first-rate conversationalist with especially interesting conversations for the ladies . . . He's recently an ardent skiing fan . . . When you observe a tall, blond gentleman throwing his arms in the air with despair and exclaiming, “How could you?”, be assured it's our Carl.

# ACTIVITIES

## STUDENT COUNCIL

*Seated:* Lee Bowman, Eleanor Richardson, Stephen Huttenlock, Wendy Goodale, Mr. Murray, Robert Nims, Barbara Holt, Alice Ricker, Sally Pond, Rhoda Ward  
*Standing:* Peter Joslin, Ben Brown, Earl Roberts, Tom McGibney, John Otis, George Edson, Larry LaFlam, Sue Knapp

Bob Nims, president of Student Council, raps his gavel calling the meeting to order. The time is 12:30 Wednesday noon; the place, Room 2; the cast, as pictured above. "The meeting will come to order. Wendy will read the minutes."

Wendy begins: "At the March 4 meeting Lee Bowman read the following proposal for election of Student Council members.

1. A larger council of thirty to thirty-five will replace the present nineteen.
2. There will be one freshman, one sophomore, two juniors and three seniors from each homeroom.

The motion was made and carried to accept the proposal; the following amendments were made:

1. Present council members will finish their terms.
2. Election to the council will be held as follows:
  - a. Each homeroom member will nominate in writing a council member.
  - b. Every person in each homeroom with over three votes will make a campaign speech. The homeroom

will then vote for its council representative.

The motion was made and accepted that we adopt these proposals. The meeting adjourned at 12:50.

Wendy Goodale, *Secretary*

"I hope that this change in the election of Student Council members will increase interest and extend representation."

At a suggestion from Lee that the council review its accomplishments of this year, Alice Ricker breaks the silence with her usual gusto and good humor: "We've started a safety program to promote good driving around school and keep order in the parking lot. We have also made the first revisions in the school handbook since we left Main Street School. Oh, yes, we've been selling M.H.S. scarves, T shirts, and sweatshirts to augment our treasury."

Silence reigns again. Bob tells the members of the Student Council who will finish their terms next year that we will have a chapter of the National Honor Society. As everyone cheers, the meeting adjourns; and our invisible curtain falls as enthusiastic and forward-looking members go off stage.

## ASSEMBLY COMMITTEE

*Left to Right: Stephen Huttenlock, Lee Bowman, Dr. Chastney, Peter Joslin*

The curtain opens upon a busy scene with Dr. Chastney seated at a table talking with Lee Bowman, Steve Huttenlock, and Pete Joslin. They are planning the assemblies, of course. They are responsible for the concerts by the St. Lawrence and UVM bands this spring. Remember the magazine drive assembly and the program when the Student Council explained their new election system? We'll always remember the day we

learned all about the American Field Service, and how we could sponsor an exchange student. The awards and music assemblies in which we participated will not soon be forgotten. All these interesting and educational programs have been directed by Lee and her committeemen.

We think that this very important committee deserves a lot of praise for its behind-the-scenes work. Hats off to you!

## MONTPELIER HIGH SCHOOL BAND

*First row, seated:* Betsy Nelson, Wendy Goodale, Joyce Shatney, Jean Battles, Wendy Webster, Joyce McKnight, Jean Ingersoll, Becky Pope, Debbie Skeels, Jim Pulsifer, Kit Allen, Jim Carnahan, Mary Jane Gomez, Jo Ann Hill, Susan Pache, Mike Brainerd, Barb Mitchell, George Edson, Pete Joslin, John Cady, Steve Foster, Carroll Witham, Doug Martin, Gary Hudson, Charris Dudley

*Second row, standing:* Bob Edson, Jean Conkling, Pam King, Barb Robinson, Eleanor Richardson, Jay Magwire, Gary Orr, Dean Edson, Harry Colombo, Bill Taylor, Harry Moulton, Ricky Purchase, Gayle Utley, Cynthia Mix, Linda Ortiz, Phil Chapin, Terry Ricker, Martha Holden, Henry Kreis, Ruth Harris, Maureen Hudson, Lynda Jones, Mr. Mix

“Seventy-six Trombones led the big parade!”

Well, not quite that many, but a great many, nevertheless. Yes, many musicians, from trombonists, to piccoloists, strive all year around to make the halls ring with the foot-tapping cadences of the Montpelier High School Band. Under the capable baton of Mr. Mix, our Band makes merry music for many concerts and parades.

During Band practice one day, we sneaked into the band room, and there we heard all the instrument cases chattering together. Here's what we heard:

“Gosh,” wailed the protective cover of the shiny new tympani, “I'm still aching from the banging I got at the

Montpelier-Scituate exchange concert.”

“Oh, you're just complaining”, replied the trumpet case, “because you couldn't go when they marched at the All-State parade in Burlington!”

“And just look at me!” cried a slightly battered flute case. “I was left, by mistake, at the Recreation Field after the Band played at a football game! And it rained! Ugh!”

“Oh, let's be more cheerful!” sang the clarinet case. “Wasn't Bob Nims funny as a piano tuner, and isn't “Rock Around the Clock” simply the most?”

We crept away, leaving them to recollect fond memories while we went downstairs to listen in on Band practice.

## MAJORETTES AND DRUM MAJOR

*Kneeling:* Pam King, Jean Conkling, *Captain*  
*Standing:* Barbara Robinson, Ruth Harris, Robert Edson, *Drum Major*, Lynda Jones, Maureen Hudson

"We want Jean! We want Jean!" It is the last basketball game of the season and the final performance of the twirlers at half time. The stands resound with the cry for Jean. Who is Jean? Why, Jean Conkling, of course, the captain of the majorettes. They have just left the floor and the band has stopped playing. After a few moments of loud cheering, the twirlers push Jean onto the floor. The band plays a rousing song as the smiling captain goes through her routine alone.

However, her position on the twirling squad doesn't bring only honors, as we all know. Practices are tedious, routines tricky, baton classes trying on the patience, and J.V. tryouts baffling.

Now the scene shifts to the gym and

the cast is composed of J.V. tryouts. The nervous freshman and sophomore girls who have been learning from the varsity squad to march and spin a baton are awaiting the verdict of Mr. Mix and the varsity. The general murmur is, "I dropped my baton! I'll never make it!" Jean leaves Mr. Mix and approaches the girls. The new JV's smile and leave the gym, dreaming of future games and of becoming a varsity captain someday.

The finale is a parade; the scene, Burlington's Church Street; and up in front is Drum Major, Bob Edson, leading the entire MHS band. The members respond immediately to his snappy steps and crisp commands. As they turn the corner, we look after them, proud to belong to MHS.

## FRESHMAN CHORUS

*Seated:* Pam Hill, Sylvia Murray, Donna Stebbins, Ann Lindsay, Miss Newton, June Dalton, Joyce Shatney, Gelia Kennedy, Donna Barquin  
*Standing:* Barbara Scammell, Susan Rowell, Nancy Lord, Larry Babcock, Linda Witham, Jim Mullally, Tom Welman, Gail Whitney, Sue Fuller

Scene, High School; Time, September of this year.

(Enter a freshman, looking ever-so-slightly bewildered). He soliloquizes, "Gosh, if I only knew what extra-curricular organizations I should join! I'd sort of like to join Freshman Chorus, but I wonder if I could?"

(Enter an upperclassman, looking very knowledgeable.) "What ho, frosh? Troules? Need advice?"

"I sure do. What do they do in Freshman Chorus, anyway?"

"Heavens, Freshman Chorus is the first stepping-stone to a musical career at MHS. In it you learn many songs from many countries and times and even sing in front of an audience once in a while.

But most important, you get a good foundation in musical techniques. You learn the "Language" of music, so to speak, and how to develop your voice to its fullest. I know I'll never forget all the things I learned in Freshman Chorus."

"Gosh, I guess maybe I will join. Sounds like real fun."

"Good. See you around."

"Wait a minute. I'm lost. Could you show me to the music room?"

"Sure. First door on the right up these stairs. Just follow the crowd of freshmen headed there."

"Gee, thanks."

## GIRLS' GLEE CLUB

*First Row:* Janet Leonard, Carolynn Silloway, Judy Gerry, Rhoda Ward, Judy Colburn, Martha Spinelli, Sandra Robertson, Mary Alburger, Lois Corse, Louise Fernandez, Sue Merritt, Deanna Freeman  
*Second Row:* Jane Pollard, Ginny Nelson, Carolyn Bryant, Sue Knapp, Ann Johnston, Miss Newton, Carole Freeman, Kathy Hartman, Isabel Gomez, Conchita Gomez, Gwen Long  
*Third Row:* Sally Pond, Sue Welch, Polly Page, Alida Reed, Linda Baird, Lorraine Ainsworth, Trena Tallman, Shelley Johnson, Martha Edwards, Sally Chase

The time is eleven o'clock on any Monday or Thursday, and the setting is the Music Room. In the foreground stands Miss Newton, M.H.S.'s well-known supervisor of music. At this moment she is tapping out the rhythm to "Tumbling Tumbleweeds", which the Girls' Glee Club is at the moment trying to perfect. Every once in a while she offers a suggestion to her accompanist, Rhoda Ward. Soon more music is being passed around and this attentive group is concentrating on "Oh De Lord Shake De Heaven." This Negro spiritual combines with the beautiful "Twenty-Third Psalm" to lend a more serious tone to the group. Then the girls swing into "Deep in My Heart, Dear", and everyone relaxes. This has been one of their favorites, and they are very sure of the harmony. All eyes are on Miss Newton for the interpretation of the song.

Such is the scene of a typical Girls' Chorus rehearsal. This year the girls sang everything from classical melodies to show tunes. They appeared at assemblies and sang for Spaulding High School and Vermont College, as well as for a number of school concerts. Many of the members are also in Mixed Chorus and have enjoyed filling a few outside engagements. Christmas Eve saw many Chorus and Glee Club members singing carols on the steps of City Hall to passers-by.

All sophomore, junior, and senior girls take note: A genuine interest in choral work—and we do mean *work*—and a fundamental knowledge of music are all you need to join this group. If you are among the more able, you will find yourself doubling in the Mixed Chorus.

## BOYS' CHORUS

*Seated:* Harry Moulton, Miss Newton, Robert Burley  
*Standing:* Jerry Bryan, Alan Lamphere, Bob Nims, Mike Brainerd, Dick Grant, Bill Thompson, Jim Crouse, Bob Edson, Bob Morgan, Morris Sanders, Fernand Larocque

The goal of every choral group is good close harmony. Miss Newton and her Boys' Glee Club of fourteen members make their entrance onto our imaginary stage singing one of their favorite tunes, "Amo Amas." When they have reached center stage, Miss Newton stops them with "Are you all sure of your parts? We don't seem to be getting quite the desired effect. Listen for the other parts."

"But, Miss Newton," offers Jim Crouse, "it is very hard to concentrate on our music today. I can't stop thinking of our trip to Rhode Island with the Chorus and the food sale the Chorus is having to earn money to help pay expenses. We've been doing so much this year."

Bill adds his bit to the conversation: "Let me see, what have we done this year... the members of the Glee Club who are in the Chorus took part in the annual Winooski Valley Music Festival

held this year in Northfield. The same boys will be performing as part of the Mixed Chorus in the annual Barber Shop Concert."

"You forgot to mention our joint concert with the other music organizations of the Montpelier Schools in January," adds Bob. "And I think we should congratulate Bob Nims on being selected for the All New England Chorus."

"As long as we're mentioning individual honors," interrupts Dick, "I think we ought to mention Bob Edson, Bob Nims, and Jim Crouse as members of the All-State Chorus. Those Tuesday practices certainly paid off."

"Come on, boys, let's stop dreaming and praising each other and get busy on our music," suggests Bob Nims from the piano bench; and as the curtain closes, the boys are harmonizing "The Raftsmen".

## MIXED CHORUS

*First Row:* Rhoda Ward, Judy Colburn, Deanna Freeman, Sally Chase, Sue Welch, Trena Tallman, Bill Thompson, Jane Pollard, Shelley Johnson, Polly Page, Carolyn Silloway, Lois Corse, Sue Merritt, Janet Leonard  
*Second Row:* Jerry Bryan, Alan Lamphere, Bob Nims, Jim Crouse, Dick Grant, Miss Newton, Mike Brainerd, Sandra Robertson, Bob Edson, Bob Morgan, Ferdinand Larocque, Morris Sanders  
*Third Row:* Lorraine Ainsworth, Linda Baird, Isabel Gomez, Carolyn Bryant, Sue Knapp, Ann Johnston, Carole Freeman, Ginny Nelson, Kathy Hartman, Maureen Hudson, Conchita Gomez, Gwen Long

The time is fourth period on a Wednesday or a Friday in the Music Room. President Bob Nims stands before a group of sophomores, juniors, and seniors. Secretary Gwen Long takes notes as various members join in a lively discussion. Librarians Sue Pierce and Jim Crouse are filing music manuscripts in the background. Business manager Ann Johnston reports that the proceeds from the band-chorus concert and from the food sale will take care of the Chorus' half of the expenses for our exchange trip to Rhode Island. From the group issues, "Hurrah! Yea! Yippee! Ole! Bravo! Gloria in excelsis!"

Many business meetings were necessary to keep the affairs of the busy M.H.S. Chorus straight this year. Plus its exchange trip to Rhode Island, the Chorus

sang with the Montpelier Barbershoppers, at the Winooski Valley Festival, at Spaulding High School, Vermont College, and for our own Baccalaureate and Commencement programs. Those seniors who sang at the New England Music Festival are Sue Merritt, Ginny Nelson, Bob Nims, Polly Page and Sue Tarshis. Another group of seniors sang in the All-State Music Festival. They are Ann Johnston, Carole Freeman, Shelley Johnson, Gwen Long, Sue Merritt, and Bob Nims.

Besides the officers mentioned above are treasurer, Lorraine Ainsworth; vice-president, Carolyn Bryant; wardrobe mistress and assistant, Virginia Nelson and Linda Baird; and assistant business manager, Marcelyn Maxham.

## MONTPELIER HIGH SCHOOL ORCHESTRA

*First Row:* Deanna Hedges, Carolyn Bryant, Conchita Gomez, Barbara Holt, Phil Jeffrey  
*Second Row:* Alida Reed, Alison Lane, Lee Bowman, Rebecca Pope, Sally Pond  
*Third Row:* Roxana Kreis, Robert Nims, Eleanor Richardson, Cynthia Mix, Robert Edson, Mr. Fink

The orchestra players enter from stage-left juggling music, racks, and instruments. The ones carrying violins, flutes, and trumpets stroll to their seats; the others who seem to be painfully shifting a drum or cello from one side to the other stagger to their chairs. All eyes are focused on Mr. Fink as he raises his hands—the music begins.

The audience, sensing that this is a better than average high school orchestra, sits back to enjoy a variety of selections. This audience may be friends and parents at the January Concert, the high school assembly, or a group of students

standing in the shadows during the fourth period rehearsal which is running overtime

Have you noticed the girl drummer, Eleanor Richardson? She's been playing the orchestra's new tympani which were given to the school in January by an anonymous donor who wished to provide the orchestra's most needed instrument.

Cynthia Mix, Conchita Gomez, Eleanor Richardson, Bob Nims, and Lee Bowman are our five graduating members. Since we can't applaud them on paper, we'll clap especially hard when they receive their diplomas in June.

## BOYS AND GIRLS STATE

*Left to Right: Polly Page, Isabel Gomez, Robert Nims, Larry Hoch, Richard Slayton, Albert LaBounty, Virginia Nelson* Absent: Norm D'Arthenay

Calisthenics at 7:00 A.M., flag raising, reveille, marching to the mess hall, lights out at 9:30. Is this boot camp? No, just routine procedure at Boys and Girls States.

The three girls from M.H.S. who tasted a bit of political life in June of 1958 were Isabel Gomez, Ginny Nelson, and Polly Page. The boys who attended Boys State were Norm D'Arthenay, Dean Edson, Al LaBounty, Larry Hoch, and Richie Slayton. The alternates to Girls State were Lee Bowman, Chita Gomez, and Linda Mereness.

During the first few days at both Vermont College and Norwich University, where the respective "States" were held, the students experienced a strenuous week of assembling, campaigning, electing, legislating, and making new friends. Any student who suffers from a strong

superiority complex is cured during this week of working and living with the most outstanding boys and girls in Vermont.

This week of activities included sports (bowling, tennis, softball, baseball), glee club, band, newspapers and the Inaugural Ball, which was sponsored by the American Legion and the American Legion Auxiliary. The 1958 sessions began on Sunday, June 15, and lasted until Sunday, June 21.

We seniors can be proud of our delegates to both Boys State and Girls State. Isabel Gomez was selected for the Good Citizen award, and Polly Page was named as outstanding member of the Senate. Spike D'Arthenay and Dean Edson were Senators for a week, and Spike represented Vermont boys at Boys Nation in Washington, D.C. Indeed we have a "good group."

## PRO-MERITO

*First Row:* Cynthia Mix, Lynda Jones, Della Magoon, Beverly Poland, Conchita Gomez, Virginia Nelson, Pauline Page, Sheila Cutler, Beverly Wheeler, Linda Mereness, Lee Bowman  
*Second Row:* Ercel Perry, Ann Johnston, Steven Adams, Robert Nims, Bruce Griffin, Earl Roberts, Carol Carr, Alice Ricker, Maureen Hudson  
*Third Row:* Lorraine Ainsworth, Isabel Gomez, Barbara Babcock, Dr. Chastney, Jean Conkling, Jacqueline Trombly, Ann Campbell

Every fall anxious seniors jam the door of the guidance office to find out whether or not they are eligible for PRO MERITO, a national award given at MHS for scholastic achievement. Seniors whose average is eighty-five for six semesters will receive this honor in the fall of their senior year. The students who have maintained an average in the eighties and new students will be eligible for PRO MERITO in June before graduation.

By the way, this year's recipients of PRO MERITO can boast that they were the first at MHS ever to appear on television for receiving this award.

Although we all enjoy extra-curricular activities, we know, too, that diligent application to one's studies is as important to future success as is hard work in outside activities.

## SILVER "M"

*Seated:* Robert Nims, Lee Bowman, Dr. Chastney, Linda Mereness, Earl Roberts  
*Standing:* Jean Conkling, Virginia Nelson, Isabel Gomez, Lorraine Ainsworth, Ann Johnston, Maureen Hudson, Conchita Gomez, Pauline Page, Cynthia Mix

Every fall many of the same seniors who average their grades for Pro-Merito collect in Miss Kettelle's office to compute their points toward their Silver "M", the highest award given at MHS. This award, a beautifully-styled sterling silver letter M, is given for a combination of high scholastic standing and outstanding extra-curricular achievement.

Silver "M" is based on a point system. Ten points in scholarship and eight points

in extra-curricular are required for the fall award. The students who proudly receive their Silver "M's" in June must have at least fourteen points in scholarship and eight points in outside activities. Students who transfer from other schools are required to earn proportionately fewer points.

The next time you see a girl or boy wearing a Silver "M", treat that person with respect; he or she is a real leader!!

*Fourth Row:* R. Sherman, C. Freeman, C. Carr, A. Lamphere, J. Cady, D. Savoie, R. Morgan, S. Joslin, S. Robertson, R. Grant, J. Crouse, L. Hoch, W. Seguin, D. Aiken, S. Whitney, J. Magwire, F. Grappone, D. Henson, N. O'Brien, L. Ortiz  
*Fifth Row:* T. Edwards, S. Pine, J. Gibson, C. Forgue, N. Williams, A. Lane, E. Perry, G. Nelson, B. Mitchell, M. Benjamin, V. Bossi, N. Ball, A. Ricker, B. Babcock, R. Burnes, S. Kinney, I. Gomez, R. Kreis, A. Janawicz, J. Cunningham, C. Gomez

“Good evening. Tonight’s production is not *John Brown’s Body*, “The Lottery”, *The Solid Gold Cadillac*, or *An Evening with the Masque*. This is an unrehearsed curtain-raiser, *Presenting the Masque*. This play requires a larger cast than any of the other M.H.S. plays have ever required. Why? Why, the play’s the thing here at M.H.S. I’m Bob Nims, your host and president of the Masque this year. A glance at our picture will show you that we are one of the most popular—and populous!—organizations in school. Of course, all the people whom you will see this evening don’t act; many “hands” are necessary to the stage, property, lighting, publicity, and ticket-selling crews. As you

can see, there is plenty for everyone to do, and every Masque member has the opportunity to do both acting and crew work. This year has been a busy one for all of us, including our secretary, Jean Conkling. Hi, Jean.”

“Bob, I’m so tired from last night’s executive board meeting. You know, I didn’t realize that there were so many people to put onto committees.”

“Excuse me, Jean, I was just going to explain that we have an executive board composed of Martha Edwards, Ann Johnston, you and I which selects the committees for each play. Miss Beals selects the cast after two or three sessions of tryouts.”

"Oh, Bob, I'm so glad the Regional One-Act Play Contest is over. Playing host to so many schools is fun but hard work. And I'll never forget how hard Miss Beals worked with us on *John Brown's Body*. That play had never been presented by a high school before. It certainly was wonderful!"

"I know, Jean, but I remember most vividly the time we moved props from the old barn near the freight yard. I never saw so many cobwebs in my life. And remember all the blitzes we had for selling tickets?"

"Bob, let's change the subject..."

"O.K., Jean, let's reminisce about our spring play, *The Solid Gold Cadillac*. There was the Masque at its organized, smooth-running best. Do you remember

all the thousands of dollars of props we borrowed? And the many long hours of painting and nailing flats? And remember how hard we worked selling all those tickets? Yes, more than one hundred worked on that play, and I guess all would agree that it was 'jolly good fun'".

"But gosh, Bob, it makes me feel just awful to know that Miss Beals won't be at MHS next year."

"That's right, she's planning to go back to school herself next fall. I know that the Masque is very sorry to see her leave, but we certainly do wish her all sorts of good luck."

We hear Jean saying, "Gosh, do you remember...." as the curtain softly closes on *Presenting the Masque*.

First Row: Martha Edwards, vice-president; Miss Beals, advisor; Bob Nims, president  
Second Row: Ann Johnston, treasurer; Jean Conkling, secretary

## FORENSIC SOCIETY

*Seated:* Jane Gibson, Mike Brainerd, Miles Prentice, Robert Morgan, Miss Murray  
*Standing:* Bruce Renshaw, Tina Edwards, Richard Grant, Albert LaBounty, Dale Walker

Miles Prentice is standing at the front of Miss Murray's room after school. Alby LaBounty and Miss Murray are auditioning his speech for the debate coming up the next week end. And speaking of those week end debate tournaments, Alby and Miles chalked up a perfect record at the New Hampshire University Tournament this year. As we open the door, we hear Miles stating why he thinks the United States should adopt the essential features of the British educational system. This is typical of the many long after-school sessions which both the varsity and junior varsity teams put in doing research and polishing their arguments for the various practice sessions and contests they participate in all year long.

This year the Montpelier High Forensic Society debate teams attended tournaments sponsored by Dartmouth College, the University of Vermont, and the University of New Hampshire. Both the varsity and the novice teams made very creditable showings. In addition to the college meets, the Forensic Society also sponsored its own invitational tournament participated in by many of Vermont's top debaters. In addition to "straight" debating, this year the Society added divisions of oratory and extemporaneous speaking, which will arouse even greater interest in debate next year. We are extremely proud and pleased with the accomplishments of the Montpelier High School Forensic Society of 1959

## RECORD BOARD

*Front Row:* Don Bigglestone, Cynthia Mix, Sue Merritt, Nancy Williams, Sue Kinney, Ginny Nelson, Bob Nims, Polly Page, Miss Branch, Conchita Gomez, Barbara Babcock, Sue Welch, Agnes Janawicz, Marty Edwards, Polly Merritt, Lee Bowman, Jean Conkling

This is drama at its best. The leading parts have been assigned to Conchita Gomez and Pauline Page, with Barb Babcock, Lee Bowman, Agnes Janawicz, Sue Kinney, Sue Merritt, Cynthia Mix, Virginia Nelson, Bob Nims, Sue Welch, and Nancy Williams in the supporting roles.

The first scene opens with Chita and Polly buried in yearbooks: green ones, white ones, blue ones, fat ones, and thin ones. As they pore over this potpourri of the last twenty years, they mumble occasionally and jot down some ideas for themes.

The second scene takes place in Room 22 at 12:30. Polly calls the meeting to order. It's the first meeting of the year and the co-editors are full of plans and ideas. Conchita opens with: "We have some brilliant ideas for the traditional bigger and better RECORD this year... Now let's get busy... First we have to

sell advertisements... Committees will be formed... Chairmen will be chosen for our annual Record Board Fair... Then we'll start planning for our Christmas Ball. Then..."

The rising action includes such incidents as selling candy at home basketball games, keeping school books well covered with MHS bookcovers sold at rock bottom prices, counting pennies, dimes, nickels, quarters and even half dollars, lining up students for group pictures ("If you're taller than the person in front of you, step ahead."), setting deadlines, re-setting deadlines, and pulling in copy and pictures.

As time and a half goes by, we approach the climax when all department heads are rushing about pressing their minions for assignments. Finally we reach Mr. Leahy, our patient and long-suffering printer.

## SOLONSCOPE

One of the favorite tunes of the Boston Pops Orchestra provides the background music for the first act of the *Solonscope*, a dramatic performance starring Isabel Gomez as editor-in-chief.

The first act opens on a solemn group of *Solonscope* editors awaiting election time of new officers. The time is 12:30 on a Tuesday in January 1958. The new editors are all members of the class of 1959. Their term begins in February and terminates in January of the ensuing year.

A few minutes after elections, the new editors leave the room beaming—especially happy are Nan O'Brien, news editor; Sue Merritt, features editor; and, of course, Isabel. Little do they dream of the work and fun in store for them: times when they don't see how they will make

the deadline; the time when Isabel scares everyone when she momentarily loses the copy; the coming of a new advisor, Mr. Mayo. If Nan, Sue, and Isabel had been told that in November of 1958 they would spend a day at a press conference at Lyndon Teachers' College, they would have shaken their heads in disbelief.

These above mentioned things did happen to Isabel and her department editors. When election time rolled around again, and Sally Pond and her editors took over, the outgoing editors were sad, but they all agreed that all good things must end. They will always remember, though, the droning on the typewriters for hours after school, the honors they received, and the satisfaction they experienced everytime the paper came out.

THE home economics room is the appropriate setting to a skit concerning the Montpelier High School F.H.A. Chapter and starring our Future Homemakers of America. As the curtain rises, a member of the office staff who is passing through the corridor glances into the room. Everyone seems so friendly and is having such a good time that our office girl, whom we shall call Miss Curiosity, decides to stop and "get in on the act" too. Soon Lorraine Ainsworth, president of the organization, opens the meeting after the traditional F.H.A. pledge, the F.H.A. song, and the F.H.A. prayer. Our Miss Curiosity tiptoes away and the curtain falls on the first act.

At the opening of the second act, Miss

Curiosity and Lorraine are having lunch together in the cafeteria, and our Miss C. is asking questions about the F.H.A. She becomes Miss Interested as she listens to Lorraine's account of some of the highlights of the year, including the joint meetings with the Spaulding F.H.A., a discussion of therapy and rehabilitation work with the mentally ill, a trip to the children's home at Christmas time with a glittering cake, and the June mother and daughter banquet.

Now Miss Interested is a member of the Montpelier High School Chapter of the Future Homemakers of America and is proud to say that our chapter is one of the state's largest and most spirited ones.

## OFFICE STAFF

*Seated:* Alice Ricker, Maureen Hudson, Mrs. Yeaton, Jean Conkling, Nancy Williams  
*Standing:* Barb Babcock, Ginny Nelson, Jane Gibson, Polly Page, Conchita Gomez  
Kathy Hartman, Joan Miglierini, Sue Kinney

The scene this time is the Montpelier High School office. The telephone rings and is answered by Mrs. Yeaton. She tells one of her assistants to take a message to a certain freshman. The girl rises, wondering whether her errand will take her to the cafeteria study hall or into the whir and buzz of the shop machines. As she sallies forth down the hall, she glances into the class rooms to see if all her class-bound friends are behaving themselves. Soon she is back at the office, her excursion over, and ready to take up such routine duties as typing the noon notices or making the absence list.

It is now the Wednesday afternoon after the Friday when the marking

period closed. Another friendly office girl again enters the room, but now she has a neat little bundle of report cards in her hand. A hushed murmur penetrates the very corner of the room—Ohhhhhhh N . . . A boy whispers to her as she speds past his desk, "Don't forget to take those with you when you leave."

All the girls on the office staff enjoy their jobs. They appreciate the help and encouragement given them by Mrs. Yeaton, Miss Kettelle, and Mrs. Aiken as they learn office routine by doing such varied tasks as typing notices, answering the telephone, writing admit slips, filing, meeting and guiding school visitors, and occasionally "holding the fort".

## CAFETERIA STAFF

*Seated:* Edith Sansing, Mike Brainerd, Mrs. Webster, Sandra Robertson, Joyce Lowry  
*Standing:* Bill Moran, Fran Sansing, Gelia Kennedy, Don Fleury, Jean Knowles,  
Lois Corse, Eugene Robinson

The time is noon. The place is the Cafeteria. The characters are all of us in the background with Sandy Robinson and a small group of customers in the foreground. Hemmed in on all sides by a table of delicacies, an ice cream freeze box, and a milk machine, Sandy is busily counting money.

"Now let me see—you have two ice cream bars, one package of crackers, and an apple. That will be twenty-five cents." The girl hands her two quarters. "But I said that you only owe me twenty-five cents."

The girl replies, "Oh, it isn't all for me. Take a dime from here and use it for..."

No wonder Sandy sighs, "I'll be glad when this counter closes!"

Next we turn the clock back four hours. The scene has changed. In the cafeteria, Mrs. Barbara Webster, Mrs. Aris Pratt, and Mrs. Ruth Tryon are checking the menu and the cooking utensils. Speed is important. The food must be ready to take to the Union School and Main Street schools by ten o'clock sharp.

Mrs. Webster impresses us as a wonderful person. As one of her staff says, "We like our supervisor and feel lucky to be able to work with her."

## VARSITY CHEERLEADERS

*Left to Right: Lee Bowman, captain; Linda Bates, Franne Nelson, Sally Patterson, Nancy Williams, Robin Burnes, Barbara Babcock*

**F**-I-I-I-G-H-T, F-I-I-G-H-T was the theme of the varsity cheers this year. For the first scene of this dramatic performance we take you back to the year 1955. Our little star and her two cheering teammates make their entrance on our stage as freshmen. Lee, Barb, and Nancy are among their freshman friends practicing for JV cheering tryouts. This year the fad among frosh is cheerleading. Every girl is jumping, screaming, and getting exhausted. The varsity leaders realize that very few will survive the ordeal. They notice a cute little freshman practicing diligently. She seems to stand out from the rest, and the varsity choose her as their little cheering success. After tryouts, many tear-filled eyes and broken hearts pass through the halls of MHS, Lee Bowman is not among the disappointed. In her sophomore year she will join the varsity squad, and all the fans will cheer with this little red-head who can jump so high and yell so loudly.

The scene and time shift to 1957, Nancy Williams and Barbara Babcock are

nervously awaiting the decision of the varsity cheerleaders to add two more girls to their squad to replace Lynn Dorn who moved to Burlington during the summer. We all know what the judges decided to do, don't we?

Another tense moment for our three little stars—election time is here again. The ballots of the cheerleaders and the student council members are cast; the results are announced. Lee Bowman is the new captain.

The 1959 basketball season is drawing to a close. Juniors, Franne Nelson and Sally Patterson; sophomores, Linda Bates and Robin Burnes; and our three seniors are standing in the gym waiting for the big pep rally to begin. When everyone has assembled, a cry arises from the senior section, "Happy Birthday, Lee." The whole school joins in singing. Lee blushes and soon the pep rally begins.

Their high school cheering days are over, but we are sure that these three seniors will not forget the fun and excitement they have experienced.

This year the G.A.A. has rolled along smoothly under the direction of Miss Martin, the girls' physical education teacher, and Cynthia Mix, the organization's president.

The year started off with the traditional initiation. After an afternoon of beauty treatment and a week of bowing and bending, many freshmen became honored members of the G.A.A.

In the fall, after a few weeks of field hockey and a feeble attempt at touch football, a bowling tournament was held at the Montpelier Bowling Alleys. Many Tuesday nights were spent with strikes, spares, and gutter balls. Finally the Senior Team emerged in first place.

Next came the tournament of the year, basketball. Both the sophomores and juniors had two teams and each put up quite a fight; however, the seniors came out the victors with only two losses.

In February all the water ducks in the G.A.A. set out for Burlington for a swim in the YMCA pool, and everyone had a tremendous time.

In the spring the G.A.A. had a softball tournament. Finally the girls' sports season came to an end with a banquet which was a new addition to the G.A.A.'s activities.

## VARSITY FOOTBALL

*First Row:* Gary DeCoteau, Bob Kramer, Earl Roberts, Bruce Griffin, Norm D'Arthenay, Tom Anderson, Rick Adams, Al LaBounty, Sherman Stebbins, Rick Graham, Jim Chalmers, Charlie Collins  
*Second Row:* Ben Brown, John Hughes, Norm Otis, Miles Prentice, Alan Granger, Bob Edson, John Bossi, Pat Cotey, Pete Joslin, Leslie Pressey  
*Third Row:* Dave Smith, manager; Don Bigglestone, manager; Coach Brown; Coach Coane; Coach Morrison, Steve Adams, manager

Montpelier High School started out its football season with its first game against a strong and aggressive ball club of BFA in St. Albans. For some of the boys this turned out to be the first game they had lost since they joined the varsity. After this initial defeat, "Brown's Buggy" just never chugged as it should have. This was due, in part, to the many injuries that hampered the Solons throughout the season. One or two boys could usually be seen sitting on the bench unable to play because of earlier injuries. Rick Graham, who was injured in the second half of the BFA game, never recovered enough to show his full potential. This was only one of the big blows the team suffered this year; however, the boys never lost spirit but fought harder every game.

Although the records show one win, five defeats and one tie, the school did produce some All-Northern and All-State players. Rick Adams was honored by being put on first team All-State while a fellow Solon, Earl Roberts, won a berth on the third team. Honorable mention was given to Dick Blanchard and Al LaBounty. In the All-Northern selections we placed Rick Adams and Earl Roberts on the first team and Dick Blanchard on second team.

Much credit should be given to Coaches Brown, Morrison, and Coane, who work hard each fall so that the boys can play the game they like so well. Managers Steve Adams, Don Bigglestone and Dave Smith, who have so efficiently helped the coaches this year, also deserve much credit for the Solons' success.

## VARSITY BASKETBALL

*First Row:* Bruce Griffin, Earl Roberts, Richard Slayton, Rick Graham  
*Second Row:* Pat Cotey, Coach Morrison, Larry LaFlam, Peter Lavin, Jay Harding, Lee Hersey, Norm Otis, Tom Anderson, Leslie Pressey  
*Absent:* Norm D'Arthenay, Rick Adams, Howard Brown

THIS year members of the varsity and junior varsity basketball and all interested candidates began practicing for the coming season. Coach Burt Morrison selected those whose ability and talents could be molded into a strong team; he then concentrated on preparing them for the approaching games.

Considered to be strong contenders, the Solons' first team included Rick Graham, Earl Roberts and Norm Otis, who had some experience from last year's varsity. Bruce Griffin and Lee Hersey

moved up to fill positions left vacant by last year's graduating seniors.

In the Northern League schedule, the Solons had a rather unique year during which they won no games. Nevertheless, our favorite team was staunchly supported by faithful fans who never lost hope.

Our high scorer this year was Bruce Griffin, who totaled 224 points, while Lee Hersey collected 184; Norm Otis, 176; Earl Roberts, 108; and Rick Graham, gathered 59.

## VARSITY SKI TEAM

*First Row:* Judy Gerry, Coach Wright, Pam King  
*Second Row:* Phil Mix, Linda Bates, Jim Dwinell, Bill Taylor, Vic Fortna, Barb Mitchell, John Cady, Larry Babcock, Ben Brown, Don Bigglestone, Steve Adams, Frank Pierce, Bob Burley, Joan Teachout

The Varsity Ski Team had a very busy schedule this year, and it was handled very well by this year's new coach, Mr. Wright.

The season began with a three-school meet at Northfield, and the members showed their potential by winning the meet. Steve "Buster" Adams won the slalom and was on his way to a tremendous skiing season. He also placed first in the slalom at Burlington and Northfield. Vic Fortna, Don Bigglestone, and Ben Brown also scored well, helping to gain

valuable points by placing high in the meets.

At the State Ski Championships "Buster" Adams won first place in both the downhill and the slalom; thus, at the New England Championships and at the Eastern Junior Ski Championships he earned a trip to Yakima, Washington, for the National Junior Ski Championships.

At the season's final meet, which was sponsored by the Montpelier Ski Team, the Varsity took the trophies and thus ended a season of fine skiing.

## VARSITY BASEBALL

*First Row:* Peter Lavin, Lee Hersey, Leslie Pressey, Jay Harding, Larry LaFlam, Normie Otis, Peter Joslin, John Bossi, Albie LaBounty  
*Second Row:* Coach Morrison, Rick Graham, Rick Adams, John Otis, Richard Slayton, Bruce Griffin, Roger Mack, Bob Edson, Manager

This year Montpelier High School has the ingredients for a good baseball team under the direction of our able coach, Burt Morrison.

With quite a few returning MHS stars this year, the team has an optimistic outlook. Rick Graham, Normie Otis, and Larry LaFlam should take a strong hold for a great pitching staff. These boys are also strong hitters enabling our boys to come up with a great winning season.

Two new sophomores have also proved to be very promising players as well as our skilled frosh, Johnny Otis. Seniors Bruce Griffin, Albie LaBounty, Rick Adams, Roger Mack, and Richie Slayton are also proving to be strongholds for our team.

If our calculations are correct, the MHS baseball team will have a tremendous season.

## JUNIOR VARSITY SPORTS

### JAYVEE FOOTBALL

The Montpelier High School Junior Varsity football team had an undefeated season of five wins and no losses. St. Johnsbury Academy and Lyndon Institute were defeated twice each in home and away contests while the Spaulding junior varsity lost to the MHS JayVees by a score of 13-0 to close the season.

The starting line-up consisted of Mike Gandley, R. E., Terry Murray, R. T., Hugh Jones, R. G., Stan Sloan, C., Henry Kreis, L. G., Bill Roy, L. T., John Otis, L. E., Albie Richardson, Q. B., Calvin Haskell, L. H., Mike Yates, F. B., and Dick Moher, R. H. Congratulations, Mr. Coane and boys, for such a fine season.

### JAYVEE BASKETBALL

This year's MHS Junior Varsity basketball team had a very successful season, winning 14 games and losing only 4. The best win of the season came with a 43-42 win over rival Spaulding. The starting line-up consisted of Johnny Bossi, R. F., Mike Gandley, L. F., John

Otis, C., Justine Skirry, R. G., and Phil Fernandez, L. G. Mr. Coane certainly has that special "something" that is needed to come up with a winning team. Again, congratulations, Mr. Coane and boys, for your very fine season and your splendid display of good sportsmanship!

### JAYVEE BASEBALL

Our JV baseball team, under the coaching of Mr. Palermo, holds a lot of promise for this great baseball season, with quite a few sophomores and many new freshmen. The pitching spot is well filled by the "veteran" Ben Brown

and other new potentials. In the other parts of the playing field there are many sophomores and freshmen who will gain valuable skill and experience for the varsity squad, and will aid the JV's to a great season of winning baseball.

ПРЕДСТАВЛЕНИЕ

PHILIP H. MATHEWSON  
SUPERINTENDENT OF SCHOOLS

Did you know that our tall, dignified superintendent enjoys fishing and hunting outside of school? We still remember when he was principal at the Union School when we were there only a few years ago. Held in high esteem by all who know him, Mr. Mathewson has certainly helped many seniors with his advice and understanding.

ROBERT H. CHASTNEY  
PRINCIPAL OF MONTPELIER HIGH SCHOOL

Words fail us when it comes to writing about Dr. Chastney. Certainly, there has never been a better principal and friend than our Dr. Chastney. Where would the Senior Class be today without his expert advice and guidance? Thanks ever so much, Dr. Chastney!

GLENN AIKEN  
SCIENCE

We call him "Pop" for short. Anyone who has taken his chemistry or physics courses knows *he* knows what he's talking about whether *we* do or not. Occasionally in chemistry class he reminds us of the weight of a liter by kicking the wastebasket.

NANCY J. BEALS  
ENGLISH AND SPEECH

When our able faculty advisor of the Masque directs a play, success is assured. The topics she assigns for essays are something we'll never forget. They are really "dillies"—and those new words!

STANLEY K. BOND  
U. S. HISTORY AND P. A. D.

Among other facts of historical interest, Mr. Bond sometimes tells us about his past war experiences and how he taught the Kentucky boys English. We'll always be grateful to him for arranging graduation so perfectly for us.

ELIZABETH M. BRANCH  
ENGLISH

Remember those awful nights after school when we had to chew spruce gum because we had chewed gum in her class? Anyone working on the *Record* will understand why she is always in such a big hurry.

KATHLEEN I. BRETTELL  
FRENCH AND ENGLISH

Vive la France! Anyone passing Room 24 may pause to wonder at the alien sounds issuing from within. Don't run away frightened; step inside and soon you'll be speaking French too. In both French and English, we think Miss Brettell is tops.

GRAY R. COANE  
MATHEMATICS AND MECHANICAL DRAWING

Want to get on the good side of Mr. Coane? Just study hard! He always said, "It's not how well you do but how hard you try that counts." His brief but hilarious talks at the pep rallies will be among our MHS memories.

JOAN DIPPRE  
MATHEMATICS

Our charming new math teacher this year is from Pennsylvania. Mrs. Dippre is also the mother of a small daughter. She is always very smartly dressed and is very good natured. To hear her talk you'd almost think that trig and solid geometry were snap courses.

MILLICENT L. DIXON  
COMMERCIAL

When one of us writes a book based on our experiences as secretary to the President, we'll dedicate it to Miss Dixon in appreciation for her patience and skill in teaching us the fundamentals of business. By the way, did you ever notice how her blue eyes sparkle when she's amused?

HARLAN R. FARNSWORTH  
MATHEMATICS

None of us will ever forget Mr. Farnsworth's alumni game outfits. *He* says that he likes people, classical music, and spectator sports; but we are sure his greatest thrill comes from giving quizzes and tests.

MILDRED L. HALLGREN, R. N.  
SCHOOL NURSE

"Come in during homeroom period for a check of your shot." Sound familiar? To many of us this year, Miss Hallgren's office was the place for a small-pox vaccination or polio vaccine shots. Miss Hallgren always gives a remedy for our aches and pains with a smile.

JOYCE E. HERMAN  
SOCIAL STUDIES

Mrs. Herman can tell us everything that has happened from the pristine man to President Eisenhower. (Unfortunately, her history classes have to learn it too.) We shall always remember her many ideas and hard work that made Class Day 1959 a memorable day for all of us.

JAMES W. HOLBOM  
ART

Our excellent art teacher is also a very talented artist. Even if you are in one of his classes for only a few days, one of the first things you will learn *not* to do is to draw a straight line. Modern art and bright colors are his passwords.

LOUISE E. HUTCHINSON  
LATIN

*Vini, Vidi, Vici.* Do you know what that means? You should if you've been in any of Miss Hutchinson's Latin classes. Latin seems to bother almost everyone except Miss Hutchinson. However, although we don't comprehend all of the Latin, what we do know surely helps us in other subjects. The famous Roman Banquet each year is Miss Hutchinson's specialty.

VIOLET E. KETTELLE  
DIRECTOR OF GUIDANCE

The Senior Class owes a tremendous vote of thanks to Miss Kettelle for all the things she has done for us; for example: helping us decide careers, choose colleges, apply for scholarships, and so many other things. She also helps the underclassmen with their many problems. All in all, Miss Kettelle is a pretty wonderful person to have around.

BUELL S. JENKINS  
SUPERVISOR OF BUILDINGS AND GROUNDS

Montpelier High School certainly lost a good man this year. After many years of fine service to the Montpelier Schools System, Mr. Jenkins retired on May 15. Always incredibly busy, Mr. Jenkins has kept our school one to be very proud of.

GRACE R. LEVADIE  
ENGLISH

If you pass Room 28 and hear a different sort of language flowing out don't jump, it's not a new type of English—it's only Mrs. Levadie's "plum' pretty" southern drawl. Her favorite saying is "Silence is Golden." New to Montpelier High School this year, Mrs. Levadie is a definite asset to our fine faculty.

ROSE C. MARTIN  
PHYSICAL EDUCATION

If you were one of the basketball fans who attended the out-of-town games, you know that Miss Martin is an enthusiastic and loyal Solon supporter. We know that the girls will agree with us when we say that the gym classes have certainly been interesting this year with Miss Martin.

EDGAR H. MAYO  
ENGLISH

"Hey, that reminds me of something that happened years ago" and "I must tell you a little story" are two of Mr. Mayo's favorite expressions. Take our advice and listen to what follows—you won't want to miss it. He's also the patron saint of the *Solonscope*.

VERNE L. McDONALD  
COMMERCIAL

We'll always remember Mr. McDonald as the man on top of that stepladder taking pictures of the football games at the Recreation Field. The general opinion among teachers is that students are the wise ones, but students say that Mr. McDonald can equal even the wisest ones.

CHARLES H. MEANS  
GENERAL SHOP

Soft-spoken Mr. Means is well-liked by all those in his classes. Did you know that he also taught shop at the Main Street School? Never hurried but always busy, Mr. Means will surely be remembered by all of us. By the way, did you know that he comes from East Montpelier way?!

BURTON B. MORRISON  
COACHING AND PHYSICAL EDUCATION

When asked if he paced the floor while his second daughter was being born, Mr. Morrison replied that he had been reading a magazine at the time. Always good-natured, he usually tells stories about the other coaches at the pep rallies; but sooner or later, they manage to get even with him.

HOMER S. MURRAY  
HISTORY AND ECONOMICS

To the seniors in his homeroom Mr. Murray is a friend as well as teacher. He believes in getting people together and having fun. Just ask him about the picnics, cook-outs and sledding parties at his camp. He also keeps our student council running smoothly.

JOANNE C. MURRAY  
COMMERCIAL

Can you actually tell Miss Murray from a student? If you've seen her at a football or basketball game, you'll admit it's hard to tell. The way she handles the debate team must agree with the students because the Forensic Society is one of the most looked-up-to Debate teams in the state. All the more power to you, Miss Murray.

DORIS I. NEWTON  
MUSIC SUPERVISOR

Did you know that our efficient and capable music director likes to hike and travel in her spare time? It seems that Miss Newton can attain the impossible when she prepares one of her choruses for a concert or an assembly. And the music sounds so well!

BIAGIO PALERMO  
GENERAL SCIENCE

Our good-looking General Science teacher is also very sports-minded. Besides helping out with the various teams at Montpelier High School, Mr. Palermo also referees basketball games in different parts of the state. Hasn't General Science been interesting, girls?

MARTHA R. PRICE  
BIOLOGY

Have you noticed a slim, brown-haired woman walking around the halls wearing a white smock and carrying books? That's right, she's our new Biology teacher. Biology classes have certainly become more interesting under her capable guidance. Mrs. Price and Mr. Sloan have something in common—Michigan!

J. LAUREL REED  
ENGLISH AND SOCIAL STUDIES

Our charming P.A.D. and English teacher this year is Mrs. Reed. She is also the wife of the Attorney General of Vermont and has three small daughters. We hear that she is an avid fishing and hunting fan.

ROBERT W. SLOAN  
SOCIAL STUDIES

Another newcomer to Montpelier High School this year was Mr. Sloan, who was soon one of the students' favorites on our faculty. His little witticisms in the middle of classes certainly keep anyone from getting bored! And how his blue eyes sparkle! We hear he likes Michigan. (Is that true, Mr. Sloan?)

DOROTHY C. TOBEY  
HOMEMAKING

"Cookie, anyone?" And those luscious biscuits and brownies! Under Mrs. Tobey's skillful guidance, the girls in Homemaking turn out mouth-watering goodies as well as the latest styles in clothes. We shall really miss her next year.

DONALD S. TOWLE  
INDUSTRIAL ARTS

Our famed connoisseur in woodcraft, Mr. Towle, also enjoys camping and skiing. Have you seen any of the beautiful furniture that Mr. Towle's proteges have made under his watchful eye? We couldn't ask for a more competent Industrial Arts teacher.

BARBARA B. WEBSTER  
DIRECTOR OF HOT LUNCH PROGRAM

Aren't the menus just swell this year? And look who's behind all that food! Mrs. Webster! Planning menus, supervising the cooking, etc., for the Montpelier Schools certainly keeps her busy. We're beginning to wonder how she ever manages that friendly smile she has for everyone.

ROBERT D. WRIGHT  
ENGLISH AND DRIVER TRAINING

Girls, the line forms at the (W)right! Mr. Wright is our good-looking English teacher, Driver Training instructor, and Ski Team coach. And judging from this past year, Mr. Wright deserves a lot of credit. We understand he's married and the father of six children.

THELMA V. YEATON  
SECRETARY TO DR. CHASTNEY

"May I use the phone?" "Is Dr. Chastney in?" "May I have a late slip?" Anyone going into the office this year has been greeted by the affable and warm personality of Mrs. Yeaton. Has she ever told you about the trip she and her husband took to California last summer?

## HANG DOWN YOUR HEAD, TONTO DOOLEY

One fine day. Sue *And (er) son*, Jim, decided to go on a *Long* vacation. After they finished packing, they carried their luggage out to the old *Hudson*. Jim *Drew* on the window, and his mother scolded, "Jim, *Do(u) cette* down and let the windows *deFrost* by themselves!"

They drove their old *Carr* in for a check-up at *Roop's*, and then they were off; bound for *Decoteau* (Dakota) territory. Riding along, Jim smiled, feeling like a *Freeman*. He was certainly looking forward to his first camping trip! Sue, too, was looking forward to seeing her sister, Jean, among the Indians out West. They traveled along a dark road, lined by a thicket of *Hedges*. To Sue, it was spooky, but they traveled on. Before they realized their fate, they were lost in a deep *Pine* forest.

In despair, Jim and his mother made camp there. Soon they discovered the sweet *Bliss* of the forest wasn't so bad. Luckily, they had their rations. For a while, they lived on *Campbell's* tomato soup, *Welch's* grape juice and *Graham* crackers. Anyone would deserve a *Merritt* for the accomplishments those two made for survival.

Then one tragic night, it happened, as I knew it would, sooner or later! Sue was awakened by a shadow of a *Tallman* running across the tent. She screamed—but it was too late. The expert *Bowman* shot a whistling arrow. It *Pierce(d)* her heart. Now Jim *Kreis* for his mother.

The *Morrill* of this story is, don't go out West to visit Jean. You just don't *Mix* with her Indian friends.
