THE RECORD

1962

Montpelier High School

Montpelier, Vermont

PHILIP H. MATHEWSON
Superintendent of Schools

The ability to think gives man a great advantage over other forms of life. **What** each individual thinks is of great concern to all of us in our democratic society. What are his thoughts on justice, cooperation, honesty, hard work and personal sacrifice? Will they be so directed that democracy will flourish and prosper?

The real purpose of education is not only to transmit to the younger generation some of the information acquired over the past centuries but also to develop within the individual the ability to think and to think constructively. Each individual should be given the opportunity to develop to his full potential.

The Montpelier Public Schools have tried to give you a sound education. It is up to each individual to make the best possible use of it.

It is my pleasure to wish you continued success as you leave Montpelier High School.

PHILIP H. MATHEWSON

ROBERT H. CHASTNEY
Principal of Montpelier High School

The Members of the Class of 1962
Montpelier High School
Montpelier, Vermont

Ladies and Gentlemen:

One of the most pleasant traditions of which I know is that custom at Montpelier High School of having your principal give you a parting message by a letter in the RECORD.

It would be trite for me to tell you how quickly these four years have passed and how you are now facing a new and different world; even though these things are true.

I can only hope that you are at least partially as proud to be graduates of Montpelier High School as I am to serve as its Principal.

Recently I read an address of a contemporary American statesman from the Middle-West who said, "When an American says that he loves his country, he means not only that he loves the New England hills, the prairies glistening in the sun, the wide and rising plains, the great mountains and the sea. He means that he loves an inner air, an inner light in which freedom lives and in which a man can draw the breath of self-respect."

So I feel about you who are leaving us. You have been given the best that America has to offer. You are entering upon a career in the knowledge that no man or woman can have a finer heritage than that of an American citizen and a resident of Vermont.

Therefore, as you leave our school, know that the prayers and best wishes of your teachers and your Principal go with you.

When you can, come back and visit us. We are always glad to have you return.

Cordially yours,

ROBERT H. CHASTNEY

This year marked the last year for Pro Merito and the second year of the National Honor Society at Montpelier High School. The chapter has had as a major project the establishment of a student tutoring system. Under this plan students may seek help from other students who are qualified to help in special subject areas. This plan was presented to the teachers at a faculty meeting and met with their approval and support. This system is expected to go into effect next year.

The second installation of the Montpelier Honor Society was held in February. It was our honor and pleasure to have Governor F. Ray Keyser, Jr., an alumnus of Montpelier High School, address this assembly. Over thirty new members were inducted into the society at this time. The officers elected this year were Beth Herschel, president; Bob Prentice, vice-president; Nancy Lord, secretary; and Evelyn Tucker, treasurer.

I became a daughter at the home of Mr. and Mrs. Fred Newton and family at 13 Marvin Street last fall. Mr. and Mrs. Newton, Grammie, Eileen, Paul and Pepper became my new family. They always made me

feel at home, and I couldn't have had a nicer younger sister and brother.

At M.H.S. I enjoyed games, clubs, and everything—even the studies, too! English classes, all in American English, were indeed much more fun than the Japanese English classes.

However, there was nothing more exciting than becoming more acquainted with other students. The deeper I know you, the more I love Americans. My memories and experiences with you in this beautiful Vermont, where I fell in love with every season, will be always with me. Thank you very much for warm kindnesses. Good luck and sayonara 'til we'll meet again someday, somewhere!

The cast was as follows: Peter Monte, Peter Johnson, Carol Ryan, Sue Hoxie, Cheryl Prescott, Bill Candy, Kit Allen, Paul Gray, Anna Sykas, Betty Otis and Larry Masure. This was one of the biggest years for the Solonscope. The staff published eight issues with from four to six pages in each issue. A new feature was also added—Book Corner. In this column students review both classic and the current best sellers.

You may think there is nothing to publishing a newspaper. You certainly would be surprised at the work and headaches involved in trying to meet a deadline. Just ask Forrie or Sheila what it's like.

Forrie Bowman started the year as the editor-in-chief, and Sheila Rushford took over in February for the last half of the year and will carry on until January of 1963. Their advisor, Mrs. Joslin, and the staff deserve our appreciation and congratulations for a job well done. Thanks to the Solonscope M.H.S. students were kept well-informed about concerts, athletic events, class and organization news, student views, and of course humor and gossip were not entirely neglected.

VARSIITY BASKETBALL

This year's varsity basketball team enjoyed one of its best seasons by winning each of the league games with the exception of the final one which was lost to Spaulding High School. The team entered the tournament as strong favorites, defeated Rice Memorial High School in the first game, and lost a heart-breaker to their arch-rival, Spaulding, in the finals. Montpelier placed two players on the All-Tournament Team, John Otis and Phil Fernandez.

Next year's team will be greatly depleted through the loss of its starting five, John Otis, Bubba Fernandez, Brad Raymond, Brooks Heaton, and Jim Blow.

An interesting sidelight is the fact that these same five players finished high on the list of top scorers in the Northern League with Bubba Fernandez leading the entire list with 225 points. John Otis was fourth on the list with 217 points; Brad Raymond was eleventh with 139 points; Brookie Heaton placed fifteenth with 113 points; and Jim Blow finished sixteenth by collecting 107 points.

Other varsity members seeing action were Randy Bryan, Steve Holden, Gary Olich, Bob Foti and Hugh Jones.

VARSITY FOOTBALL

For Montpelier High School the 1961 varsity football team was one of the most successful in the school's history.

The team kicked off the season under the lights at Coote Field in St. Albans. Although B.F.A. hadn't lost a game in their last twenty-five, they were slightly favored and were ahead 7-6. With less than a minute left in the match, Montpelier came through with a touchdown for a thrilling 12 to 7 victory thus ending B.F.A.'s winning streak. In the following game against St. Johnsbury the Solons again came through and showed the fans what a fine football team Montpelier had. The two teams entered the game unbeaten and untied. Furthermore, at half-time the Solons trailed 13-0. Nevertheless Montpelier rose to the challenge and, in what has been called by many the greatest come-back ever seen on the Recre-

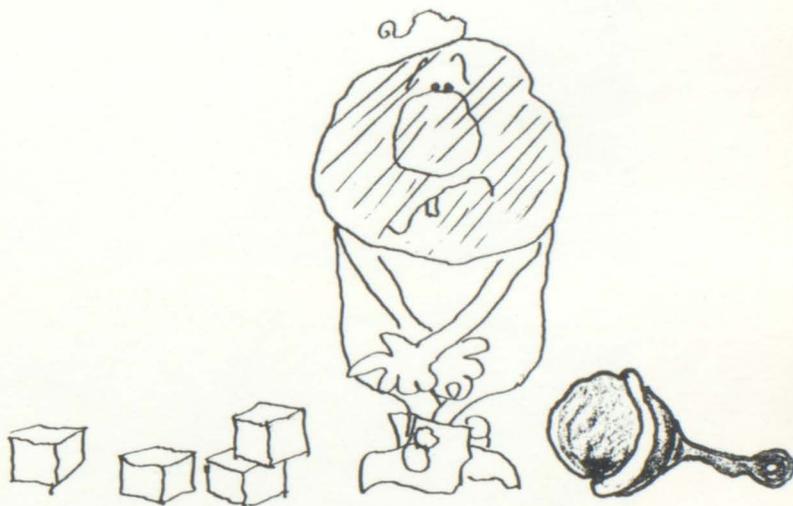

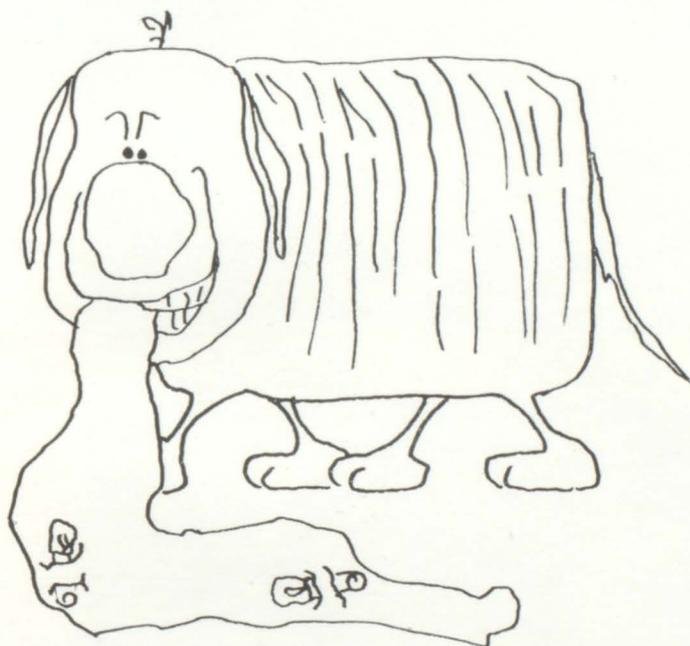

ation Field, they scored three touchdowns and left the Hilltoppers behind with a score of 20 to 13.

The undefeated Solons met their Waterloo, however, in the last game of the season against their arch-rival, Spaulding. Heavily outweighed, the Solons fought courageously on the muddy Auditorium Field but finally bowed to a score of 26 to 13.

The seniors who played their last game for the Solons were John Otis and Hugh Jones, team captains; Terry Murray, Bill Taylor, Doug Brink, George Edson, Marty Fitzgerald, Brookie Heaton, Albee Richardson, Harry Colombo, Bobby Wells, Bubba Fernandez, and Rick Purchase, manager. Named to the All-State first team were John Otis, Hugh Jones, Brookie Heaton, and Bubba Fernandez.
