THE RECORD

1963

Montpelier High School

Montpelier : Vermont

PHILIP H. MATHEWSON
Superintendent of Schools

We are living in a rapidly changing world. Knowledge is being accumulated at a frightening speed, especially in the areas of science and mathematics. Every period in history has had its problems to face but under much less pressure of time. No one dares to predict what problems your generation will be called upon to solve. It is certain, however, that if you are to play your part in this modern world you must be willing to keep abreast of this explosion of knowledge.

It is my privilege to wish you great success in the years ahead.

PHILIP H. MATHEWSON

ROBERT H. CHASTNEY
Principal of Montpelier High School

The Members of the Class of 1963
Montpelier High School

Ladies and Gentlemen:

May this note serve as both a salutatory and a valedictory, a greeting and farewell, to you who are being graduated from Montpelier High School in 1963.

Your teachers, you and I have worked and sometimes worried together during the last four years. Many events have given us pleasure, some have produced irritation and a few have caused us sorrow. In this respect your experiences in high school are a preview of your experiences in the life that lies ahead of you.

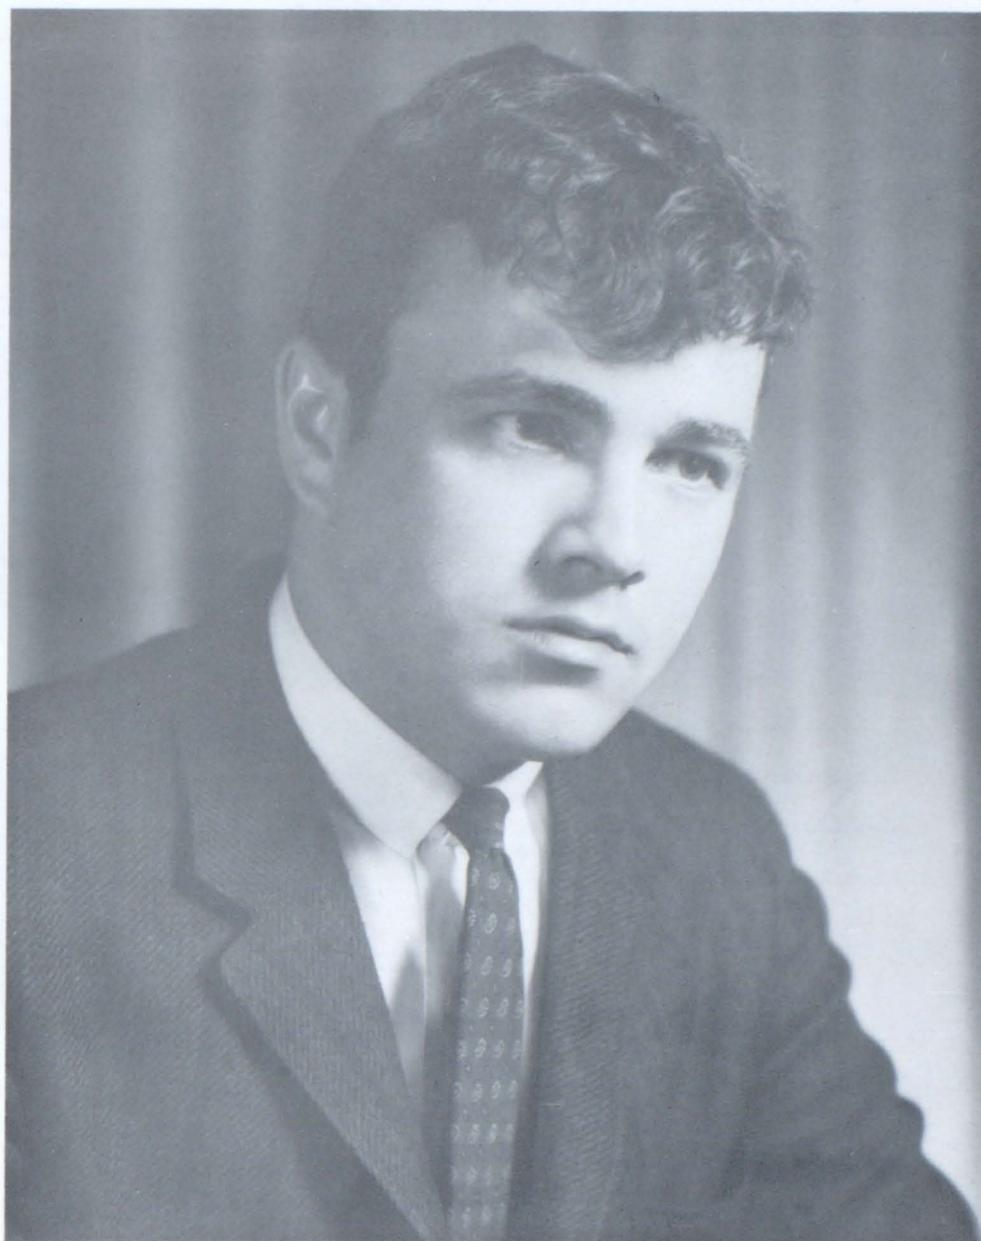

You will know success, I hope, in large measure. You will know irritation and annoyance in precise ratio to the degree you permit them to harass you. You will experience sorrow and defeat at some time, since existence on this earth guarantees you but one thing: no man-made government or organization can guarantee you security or even freedom from fear.

As you leave us, know that our prayers and best wishes go with you. Come back to see us when you can. Let us rejoice with you in your success and happiness. Share with us your annoyances and irritations. Perhaps we too can understand them and possibly help you. In defeat or sorrow, rest assured that you may find sympathy and understanding with us for we are your friends.

Sincerely yours,

ROBERT H. CHASTNEY
Principal

THOMAS B. SAUNDERS

Mr. Saunders will be remembered for the encouragement and aid which he has given us and for the concern which he has shown in preparing us for the years following graduation.

To express our appreciation for his interest and to wish him success in the future, we, the Class of 1963, dedicate our **Record** to Mr. Saunders.

There are

three representatives from each senior home room, two from each junior home room, and one from each sophomore and freshman home room.

This year's Student Council meetings were presided over by George Gillander, president.

THE EDITORS PRESENT...

This is a book of nostalgia. Pictures of the Class of 1963 from the "knee high to a duck" stage to this final, memorable year will be found among its pages.

As the copy finally goes to press, we wish to express our appreciation to the administration, faculty and underclassmen whose patience and cooperation, especially on the days when pictures were taken, have con-

tributed greatly to the publication of The 1963 RECORD. We also wish to express our gratitude to our printers, the Leahy Press; our photographers, the Morris Studio; and our advertisers.

To every member of the Class of 1963 is extended best wishes for a happy and prosperous future.

Let Hertz put you in the driver's seat!

Come on, it's not that cold out.

Which hand has the adverbial object?

Now, here's the rub.

Eek! A snake!

Yeh, it's a halo.
Wanna' make somethin' of it?

If you put these two wires together, it might...

Cornered!

Let's see now, ex. A, p. 134, ex. Q, p. 136, ex. F, p. 159, exercises with C.R., June 29.

Films are 3¢ a day - with no exceptions!

Whoops! Caught in the act.

But they didn't make pink candles then.

Good mo'nin', class.

If we mix some of this stuff with some of that stuff...

Reading a book - What's it to you?

My turn to put my finger through the flame next.

It's there; on the third finger. Keep looking!

Smile! You're on candid camera.

Orders from the chief.

Between-class snack.

Those little ole' numbers won't add up right.

You pull the cord like this, and the whistle goes "toot-toot!"

THE JUNIOR PROM

The Prom put on by the Class of 1963 was one of the most gala proms ever held at M.H.S. About eighty-five couples entered the gymnasium last spring to find that it had been transformed from a basketball court into an inviting scene in Rome. The decorations committee, headed by Virginia Withycombe, had been working for weeks to make a success of our Prom.

Card tables covered with red checkered tablecloths lined both sides of the gym. In the center of each table was a fancy wine bottle with a lighted candle inside. Crepe paper and strings of red lights formed a canopy over the tables.

The center of attraction was a breath-taking fountain at the front of the stage. The fountain was made by the boys in shop classes and consisted of a wading pool filled with water with a three-tiered pump which drew water up from the pool and over the three tiers. Plastic flowers floated in the pool and paper flowers covered its sides. A sign beside the fountain invited anyone to throw a penny into the water and make a wish.

Bare branches decorated with hundreds of paper flowers were found along the bleachers. The front of the stage was decorated with real green branches. The effect of an Italian sidewalk cafe and garden was extremely realistic.

Music supplied by the Ambassadors and the refreshments of cupcakes, cookies and punch completed the atmosphere of the 1962 Junior Prom.

THE CHRISTMAS BALL

The Christmas Ball was held on December 15, 1962 in the high school gym. This was a semi-formal affair attended by almost two hundred students. Music was provided by John Lincoln's band and vocalist.

Students who had previously purchased tickets voted Friday afternoon for the king and queen of the Ball. The highlight of the affair was the crowning of the king and queen, Peter Johnson and Nancy McAvoy.

The Student Council sponsored the Christmas Ball, and the money raised went into the fund to support our foster child. The Christmas Ball was enjoyed by all who attended and may become a traditional dance at M.H.S.

MODEL UNITED NATIONS

Mary Ann Nichols

Robert Prentice

As juniors, we were fortunate to be able to serve as Montpelier High School's delegates to the Model United Nations, which was held, under the sponsorship of Rotary International, at Plymouth Teachers College May third, fourth, and fifth. At the various assembly and committee meetings patterned after those of the United Nations Assembly in New York we learned much about the foreign policy of Yugoslavia, which we represented, and the other nations of the world. We also received a fascinating inside view of the international organization at work in the diplomatic struggle for world peace and understanding. Between meetings we had time for a brief taste of college life with our Plymouth room-mates and a dance for both delegates and our college hosts. In short, our three day stay at the Model United Nations was a most rewarding experience, and the knowledge gained and friendships made will remain with us.

Throughout this year the Record Board has worked hard to put out the 1963 **Record**. Supervised by Miss Branch and headed by Helen Cascio and Patti Heller, the staff has tramped the streets soliciting advertising, observed seniors, snapped shutters, sold candy bars, counted money, counted groups of students, fashioned features, designed covers and line drawings, pasted up dummies, and typed miles of copy.

Modesty prevents us from further mention of our extreme versatility, so we'll just whip right on to the next page as soon as we have wished next year's editors, Sheila Davidson and Franne Slosberg and their advisor, Mrs. Good, the maximum of success and the minimum of crises in producing the proverbial "Bigger and Better **Record**"

Other officers include Jane DeForge, vice-president; and Susan Winters, secretary-treasurer.

The purpose of the A.F.S. group is to further international understanding and to promote its exchange program. Students chosen as candidates for a summer abroad were Stephanie Seguin, Robert Ferris, Nancy Teachout, and Jane DeForge.

Last summer the Montpelier chapter sent as its representative Anna Johnston to Finland. In turn, a foreign A.F.S. student, Juan Soms, from Argentina, has lived this year at the home of Mr. and Mrs. Addison Pond. Both Anna and Juan enjoyed their visits and have learned much from their experiences.

The A.F.S. members wish to express their appreciation to Mrs. Nims, the advisor, without whose generous help they could not have had such a successful year.

Mix, the band has demonstrated its ability many times. The Band paraded in Barre, Montpelier, and Burlington this year and gave concerts at Waterbury, Montpelier, and Augusta, Maine. The latter was part of an exchange between the Augusta and Montpelier schools. The Augusta band visited Montpelier in April, and Montpelier returned the visit in May.

This year many members participated in the Winooski Valley Music Festival held at Barre. Several members also tried out for and attained chairs in the Vermont All-State Band. These were Ann Cleveland, Bill Duke, Leslie Grossmann, Pete Johnson, Diane Mears and Nancy Teachout.

The Varsity Twirling Squad has seven members, including the captain. To become a Varsity Twirler a girl must have at least one year of experience on the Junior Varsity Squad. On the J.V. Squad, which consists only of freshmen and sophomores, there are also seven members; each girl is given at least one opportunity to act as captain at the basketball games.

The Varsity Squad twirls at all the home football games and at the major pep rallies. The members also twirl at all of the high school band concerts and at the annual exchange concerts. In the spring they march in all local parades as well as in the Vermont State Music Festival parade in Burlington.

After completing one year on the squad, all girls earn one point toward the Silver "M" award. For each successive year, they earn one-half point. After completing two years of Varsity twirling, each girl receives a letter to wear on her football twirling uniform for the next year.

MASQUE

President Bill Neveau banged his gavel, ending the year's final Masque meeting and with it a year filled with opening nights and cold cream and cokes for cast only.

The season's opening production, **Best Years** by Raymond VanSickle, was staged December 7th and 8th for a good audience. The play, a serious drama, featured: Carol Ryan, Peggy O'Brien, Juanita Hopkins, Nancy Alger, Connie Bell, David Webster, Peter Johnson, Paul Gray, Bill Hodgeman, and Wes Robertson.

In the year's second production, three senior members of the Masque got a chance to try their hands at directing; and for the

month of February Bill Neveau, Peter Johnson, and Susan Hoxie found their hands quite full. "An Evening with the Masque" was presented March 8th and 9th to the enjoyment of a very good crowd. "Search Me", a drama with very few props, under the direction of Bill Neveau, featured: Bruce Ribolini, Cindy Cattanach, Bill Mehlman, Bill Reed, Laural Candy, Jean Peterson, Joan Lindsay, Harriet McLeod, Robert Holden, Wes Robertson, and, as a last minute substitute for Carol Ryan, Miss Genero. "The Bond Between", directed by Peter Johnson, was a tense drama and had Patti Gandle, Terrie Johnson, Patti Sierra, and Judy Seamans in leading roles. The third

play of the evening was "Angel Child", a comedy directed by Susan Hoxie. This play featured such tender scenes as Mike Bresette kissing the foot of Sharyn Wilkinson and included in its cast, in addition to Sharyn and Mike: Ritva Salo, Anna Sykas, Ann Cleveland, and Phil Huttenlock.

Between the one-acts and the spring play, many Masque members found activities for their talents. The Masque's entry in the one-act play contest was "The Birthday of the Infanta", a colorful play set in seventeenth century Spain. Although the play did not win the play contest, it was very well done and much enjoyed by the student body when it was presented at an assembly. In a more profitable venture, a committee led by Jane Davis, Linda Somers, and Leslie Thompson sold home made candy at

the Teacher's Association play, **You Can't Take It With You.**

The final production of the year, **The Man Who Came to Dinner** by George S. Kaufman and Moss Hart, was presented June 7th and 8th featuring: Judy Seamans, Dori Conkling, Bill Neveau, Cris Nelson, Bill Hodgeman, Carol Ryan, Bill Reed, Nancy McDowell, Nicki Nichols, Lucy Reed, Bill Mehlman, Paul Gray, Patti Heller, George Gillander, Robert Foti, Bruce Ribolini, Wes Robertson, Avon Robertson, Jeanne Seales, David Webster, Howard Robertson, Danny Coane, Mike Yates, Gary Olich, Mike Bresette, and Richard Corey.

All in all, the Masque, under the direction of President Bill Neveau, Vice-President Peter Duke, Secretary Debbie Smith, Treasurer Dottie Pecue, and Faculty Advisor Miss Genero, has had a very good year.

A new organization this year, the Modern Dance Club, has succeeded in interesting many students in interpretive dancing. Organized and directed by Miss Martinez, the club has participated in two programs, the Community Christmas program and an all-musical assembly presented to M.H.S. students on May 23.

The purpose of the organization is to promote musical expression through dancing. Officers elected this year were Dori Conkling, president; Pat Heller, vice-president; and Pat Gandley, secretary-treasurer. Our newest group deserves our notice and appreciation for initiating a new and worthwhile activity.

The third installation ceremony of the National Honor Society of Montpelier High was held February 8, 1963. Governor Philip Hoff spoke to the students, faculty and guests assembled to witness the candle lighting service at which twenty new members were inducted into the Montpelier Chapter.

This year the Society inaugurated a tutoring service. The members of the faculty submitted names of students qualified to tutor in their respective subjects, and those

who wished to be tutored were referred to them by members of the N.H.S.

The officers of the group this year are Robert Prentice, president; James Dudley, vice-president; Susan Richards, secretary; and Nancy Teachout, treasurer. Because Robert Prentice was also president of the state organization, the chapter was host to the state convention of the National Honor Society.

The faculty advisors for the honor group are Mr. Illingworth, Mrs. Allen, Miss Kettelle, Mr. Hoxie, and Mrs. Nims.

THE MONTPELIER HIGH SCHOOL ORCHESTRA

First Row: Kay Edson, Lucy Reed, Ann McIntyre, Lesley Thompson, Jane Illingworth, Jon Flanders, Martha Ferber, Mary Marshall, Ruth Sykas

Second Row: Stephanie Seguin, Robert Ryan, Suzanne Galpin, David Amadon, Bill Duke, Kathy Steele, Sue Hoxie, Barbara Potter

Absent when picture was taken: Mr. Louis A. Fink, **director**

The M.H.S. orchestra, under the direction of Mr. Fink, has given many M.H.S. students a real chance not only to play the classics but also to let loose on some popular music, too. Its members range from freshmen to seniors, but all get along and have a "blast" while learning to sight read and to appreciate good music. Several of its members have participated in the Winooski Valley and the Vermont All-State Festivals.

*Although this group is none too big,
You'll find its music one can really dig.
Its members all have a lot of fun
And as a group they play as one.*

*If the music doesn't go too well,
He puts it aside for a spell.
Until a later date, you'll see
They'll make it sound as it should be.*

*Some do well and some aren't so hot,
But each one tries with what he's got.
It's under the direction of Mr. Fink,
Who makes each member really think.*

*Some of its members get to be in All-State,
Where each one gets a chance to really rate.
And many get to go to the Winooski Valley Show,
Where everyone can just let go.*

*So if you can play an instrument,
And have some time that can be spent,
Just join our group, and you will see
What a great musician you can be.*

HI-Y

First Row: William Reed, Richard Bond, Mr. Hoxie, Peter Duke, William Mehlman
Second Row: Jon Flanders, Howard Robertson, Robert Holden, Robert Robinson

The Hi-Y is a YMCA club for high school boys. Each club has an advisor whose responsibility is to guide each boy toward certain goals. While working toward these goals, the boys try to fulfill the Hi-Y purpose. The Hi-Y purpose is "to create, maintain and extend throughout the home, school and community high standards of Christian character." The name Hi-Y stands for "High School YMCA." The club operates on a four-plank platform—"clean speech, clean sportsmanship, clean scholarship and clean living".

In the community Hi-Y clubs sponsor social gatherings, charity drives and fund raising drives. On the world scene Hi-Y clubs contribute to such charitable organizations as Care and Foster Parents Plan. The main goal of Hi-Y clubs is to aid others.

The advisor for the Montpelier Hi-Y is Mr. Hoxie. The officers for this year are Richard Bond, president; Peter Duke, vice-president; Bill Reed, secretary; Bill Mehlman, treasurer.

This year our school paper staff initiated some changes in organization, publication and production. The staff re-organized to provide us with a mimeographed paper appearing twelve times during the school year.

With the help of Mr. Seaver, the advisor; Shelia Rushford, editor; Susan Richards, business manager; Helen Cascio, features editor; Veronica Peatman, art editor; and other members of the staff, the traditional "bigger and better" **Solonscope** rolled off the mimeograph machine.

At mid-years it is the custom to elect a new staff to complete the current year and start the following one. In January Nancy Goodall became editor-in-chief; Ron Tallman, production manager; Stephanie Seguin, business manager; Wes Robertson, assistant editor and sports editor; Betty Otis, news editor; Nicki Nichols, literary editor; Dona Ryan, features editor; Anna Walbridge, art editor; Dori Conkling, editorial and clubs editor; and Norene Laundry, typist.

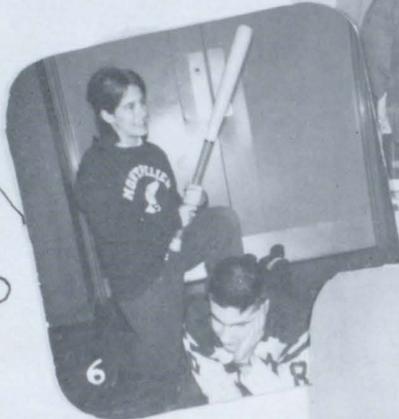

BOYS AND GIRLS STATE

First Row: James LaClair, William Duke, Barbara D'Arthenay, Roger Anderson, Patricia Gandley
Second Row: George Gillander, Peter Johnson, Dr. Chastney, William Hodgeman, Robert Prentice

Each year six boys and three girls from the junior class are selected by the Montpelier High School faculty to attend Green Mountain Boys and Girls State. For one week they take part in the governing of their respective towns. The high point of this period is the campaigning for and election of their state officers. There is fun and more fun, and one really does learn about the problems arising from the governing of town, county and state.

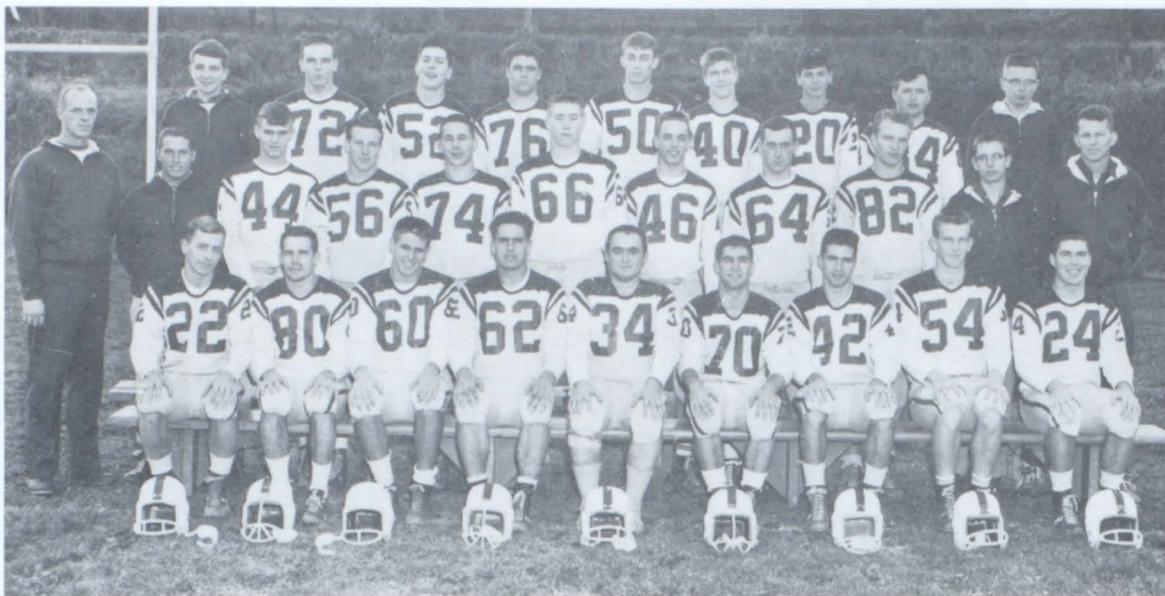

Friday night there is a dance at the Norwich Armory—a time of happy meetings and sad good-byes. With Saturday afternoon the "old town" is deserted. All citizens have returned to their own parts of Vermont. The consensus is that the food was great, the company wonderful, and the warm spirit of patriotism has made it the most memorable week ever.

FOOTBALL

Under the capable direction of Coaches George Brown, Burt Morrison, and Gray Coane, the M.H.S. football team ended the 1962 season with a seven-one record and the Northern League Championship. Other honors awarded to our team included being named the Team of the Year, and Coach Brown was named Coach of the Year by the Vermont sportswriters.

After starting off with a losing effort against Spaulding, the Solons breezed through the rest of the schedule without a loss. Of course it wasn't quite that easy. In the third game at Rice Memorial High School, a missed extra point with a half minute to play gave us a 7-6 victory. The following week at St. Johnsbury the Solons scored the only touchdown of the game with a minute and a half left to win 7-0.

The climax of the season came in the game against Spaulding at Recreation Field. Here Montpelier completely dominated the play on a cold, muddy, snowy field; and when the final whistle blew, the Solons had more than avenged the opening day loss with a big 19-7 victory which gave us the Northern League crown.

Seniors Gary Olich and Bob Prentice and junior Steve Eldred were named to the first team of the 1962 Conference Team. Mike Gingras, Roger Anderson, Bob Foti, and Mike Yates were named to the second team while Gilbert Pierce received honorable mention.

Senior Mike Yates was named to the All-State Second Team. Those who received honorable mention were seniors Mike Gingras, Bob Prentice, Bob Foti and juniors Steve Eldred and Pete Bruso. Representing M.H.S. in the Vermont-New Hampshire Shrine Game were Mike Yates and Gary Olich.

Seniors who will be missed are Gilbert Pierce, Robert Prentice, Mike "The Tank" Yates, Bob Foti, Edward Leonard, Graham Pickard, Steve Stillings, Gary Olich, Mike Gingras and Roger Anderson. Senior managers were Jim Adams, Jim LaClair and Bill Neveau.

The J.V. Football Team ended the season with an 0-3-2 record. Two of the losses were in the games with Lyndon Institute by 7-0 scores. The other loss was to St. Johnsbury 6-0. The ties were with St. Johnsbury 0-0 and with Spaulding 7-7. The team was coached by Mr. Coane.

BASKETBALL

The Montpelier Basketball Team did not do very well this year, but they tried, making use of two members of last year's team and filling up the rest of the space with ex-jayvee players and a few new boys. The final showed three wins in 18 starts, and a Northern League record of 1-11, with two wins over St. Johnsbury and one over Winooski.

The three best single performances of the year came from Dick Crosby, who scored 24 points in the season opener with Northfield, and Dick Jones, who scored 29 in a losing cause against Winooski and 21 in

the next game, with Essex Junction. Dick, who was out of action with a bad knee for half of the season, still managed to take third place in the scoring column.

The players with the highest scores are as follows: Senior Dick Crosby (160); Junior Don Allen (136); Sophomore Dick Jones (132 in nine games); Senior Bob Foti (119); and Sophomore Greg Raymond (61).

The junior varsity ended the season with a 14-4 record. George (Punker) Burns, Jack Walker, Terry Philbrook, and Rick McNeer are just examples of the fine jayvee squad.

VARSITY CHEERLEADERS

Left to Right: Donna Nelson, Louise Hill, Nancy McAvoy, Patricia Gandley, captain; Sally Blanchard, Janet Barber, Sandra Smith

"Beat 'em, bust 'em, That's our custom" was the cry which echoed and re-echoed in the fall of 1962 as the seven Varsity Cheerleaders and an enthusiastic crowd saw Montpelier down Spaulding at the Recreation Field. The cheerleaders, wearing the traditional white sweaters with large letter **M**'s and green pleated skirts, found that plastic raincoats were a necessity for that memorable game. The night before a gigantic pep rally had been held at the gymnasium. After the pep rally, the fans formed a parade and marched through the streets with the cheerleaders performing cheers at intervals.

As basketball season rolled around, the cries of the cheerleaders changed to "Let's Go Solons." The home games were well attended and, win or lose, the fans never failed to support their team. The cheer-

leaders will never forget the wonderful times they had riding to and from games and stopping to eat at the Lincoln Inn in Essex Junction. They are grateful to Miss Mills for her assistance and for taking them to many of the away games.

The spirited Jayvee cheerleaders are composed of eight regulars: Patty Thomas, Pat Clemons, Lee Ann Merrill, Cindy Wilcox, Terry King, Linda Washburn, Joan Barton, Eileen Hatch and their substitute, Dianna Nelson. These girls held candy and cookie sales after school to help provide new uniforms. They are to be commended for their fine organization and pep in cheering for our successful Jayvees. Next year the positions of the graduating varsity, Pat Gandley, Nancy McAvoy, Donna Nelson, Louise Hill, and Sally Blanchard will be filled by five of these Jayvee cheerleaders.

THE SKI TEAM

First Row: Danny Coane, David Purchase, Bob Bancroft, Bill Parker, Mr. Naess, Bill Fitzsimmons, George Gillander, Howie Morse, Russell Armstrong

Second Row: Alan Desilets, Max Daamen, Alan Ferber, Dave Roby, Philip Guare, Wes Cate, Bill Seguin, Gilbert Pierce, Bill Mehlman, Bill Duke

This year the Montpelier High School Ski Team had a very successful season. The team placed fourth in the Northern District Meet at Middlebury on January 26. With this fourth place standing, the team qualified for the State Meet held at Lyndonville on February 8 and 9. A seventh place was taken at this meet; in the slalom, however, our team finished second.

The Ski Team's most successful meet of the season was held at the Bird's Eye Ski

Area on February 2. A first place win in the slalom and jumping events contributed to the victory. Ten teams competed in this match. Two seniors had the team's highest point standing. These two were Gil Pierce with 67 points and Howie Morse with 55 points. Other seniors whom the team will miss next year are Bill Duke, George Gillander, and Bill Mehlman.

THE TRACK TEAM

First Row: Mr. Good, Gary Lamell, Russ Armstrong, Chris Anderson, Bob Pratt, Alan Desilets, Bill Fitzsimmons, Fred Nicholson, Mr. Naess

Second Row: Jim LaClair, Robby Robinson, Tom Cheney, Bob Prentice, Bob McDowell, Roger Anderson, Bill Mehlman, Alan Ferber, Dennis Lane

Third Row: Rick McNeer, Dick Bond, Bill Seguin, Wes Cate, Graham Pickard, Tony Brainerd, Don Allen, Bruce Grout, Gil Pierce

On your mark! 'Get set! . . . Go! Several lettermen and many newcomers to the team seem to show that our track team would give any school competition in the long run, the short run, and in the field events.

Some of the more promising turn-outs for the first meet were Roger Anderson, an ace in the 440 and the 880; Bill Mehlman, a challenging miler; Gil Pierce, tops in high hurdles and high jump; and Dick Bond, showing his skill in the high hurdles, low hurdles, and broad jump. In addition to these, Graham Pickard, Weston Cate, Alan Desilets, Bill Seguin, and Dick McSheffrey look like threats to any high school track team.

All in all, our 1963 track team is stronger than those of past years. Under the capable coaching of Mr. Good and Mr. Naess, they will, we're sure, bring home many track and field honors to M.H.S. this spring.

Meets have been scheduled from April 27 to June 8. Rice Memorial High, Burlington High, Lyndon Institute, St. Johnsbury Academy, Spaulding High, South Burlington High, Essex High, and Bellows Free Academy are scheduled to meet the Montpelier thin clads before the State Meet and the New England Championship Meet which will be held during the first week in June.

VARSITY BASEBALL

First Row: Harold Austin, Rob Ryan, Ron Wells, Pete Bruso, Mike Yates, Greg Raymond
Last Row: Wes Robertson, Ted Joslin, George Kramer, Ray Thomas, Coach Morrison, Harry Bossi,
Terry Barquin, Steve Sloan, Dick Bousquet

Although Montpelier started off on the wrong foot by losing to B.F.A. 7-2 and then to Burlington High by 18-4, hopes are high and chances for improvement seem excellent.

Climaxing their careers in high school baseball this year are seniors Mike Yates, Bill Hodgeman, Doug Besette and Harold Austin. All four play in the outfield and Mike also pitches. Also in the outfield are Ted Joslin, Ray Thomas and Dick Fielder.

Taking care of the infield are Rob Ryan, Jim Dudley, Steve Eldred, Bob Felberg, George Kramer, Greg Raymond, Harry Bossi and Terry Barquin. On the mound may be seen Mike Yates or Ron Wells, but always behind the plate is Pete Bruso, the lone catcher.

This year managerial duties are shared by Dick Bousquet and Wes Robertson, and with Coach Morrison as mentor our boys should find themselves on top of the scoreboard at the end of the 1962-1963 season.

Get that ball, Greg!

Mmmm, damp I'd say.

Let's get together!

Get with it, Meg!

No more wise cracks!

Stay away from me!

Jump Dick, jump!

What do you say, Nan?

Warming up.

Give us an "M"!

Kind of tired, Roger?

½ Varsity + 1 Gloria.

GRADUATES
OF DRIVER EDUCATION

A well known Vermont judge, who still maintains the dignity of his court, once said: "There can be no hope for a consistent reduction in traffic accidents until drivers learn to accept their responsibilities in traffic which include knowing and obeying all traffic laws and doing everything possible to compensate for the unsafe acts of others—drivers or pedestrians. This is Defensive Driving—and the person who isn't a defensive driver has no business behind the wheel of an automobile."

With esteem and confidence I salute you! Drive with Sense. Any old car will last a reckless driver a lifetime.
