RECORD 1964

Montpelier High School
Montpelier, Vermont

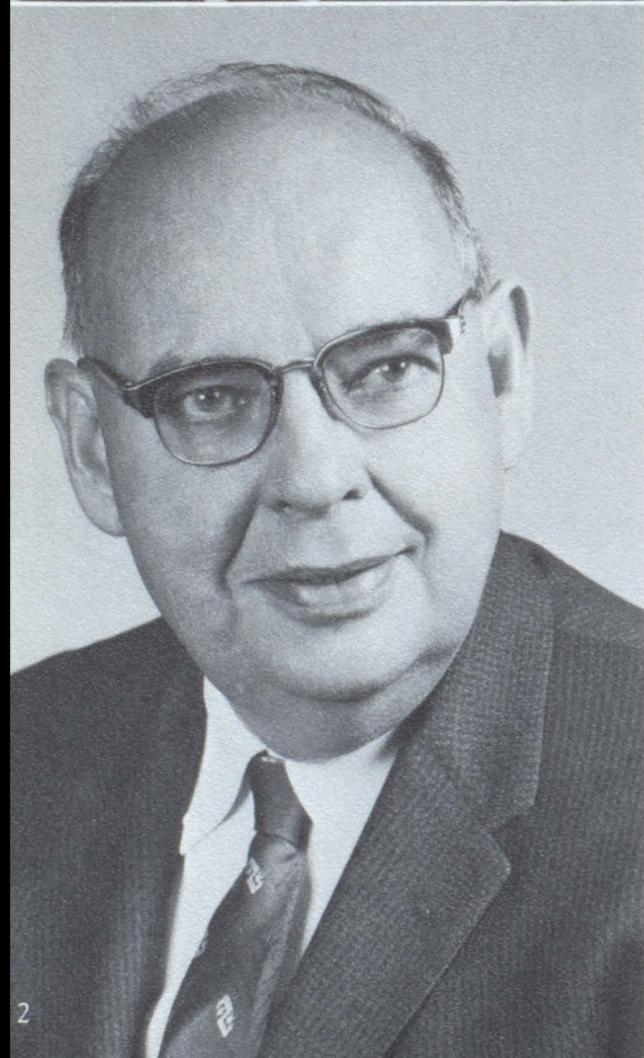

MR. PHILIP H. MATHEWSON

Superintendent

Members of the Class of 1964:

As you leave Montpelier High School I am sure you will look back on the past four years as the most rewarding of your lives. You have faced an increasingly challenging and demanding high school program and you have successfully fulfilled the requirements. The world into which you are now stepping, whether it be an institution of higher learning or in your chosen vocation, is going to expect a great deal from you. This is an age of youth, an era of bold adventure. Measure up to your fullest potential and this new world will be a good place in which to live. The world can afford nothing but the best from all of you. Congratulations and best wishes I extend to you.

DR. ROBERT H. CHASTNEY

Principal

Ladies and Gentlemen:

It is traditional that the Principal of your school give you some word of greeting or sage remark that you may look at in the years to come when your four years at Montpelier High School become only a fading memory. The pages of this book may become yellowed with age and the pictures may fade but this note requires an immortal thought which will endure beyond the life span of pen and ink. I, therefore, give you the words carved upon the wall of a small chapel located in the Austrian Alps near Salzburg. I never saw this chapel but I have seen the copy of the inscription which Longfellow recorded for all time.

"Look not mournfully into the past. It comes not back again. Wisely improve the present. It is thine. Go forth to meet the shadowy future without fear and with a manly heart."

These words contain the wisdom of the ages. When the road before you looks especially dark and difficult in the years to come, think on these words.

So much for the sage advice. Know that as you go out from Montpelier High School, each in your own direction, we who remain here shall remember you and think of you. Our blessing and our prayers go with you.

DEDICATION

Everyone knows his characteristic crew cut and bow tie. His room is filled with plant life and a tank of fish, but it also is usually filled with people who want to talk about the future or the problems they have come against during the course of the school day. He is always ready to assist, if the problems are those in a certain subject or those of choosing a career.

For your help and understanding of us, Mr. Illingworth, we the Class of 1964, dedicate the *RECORD* to you.

RAY THOMAS to Coach Morrison, the 1963 basketball team!

LESLIE THOMPSON to Mr. Fink, a cure for his ear trouble.

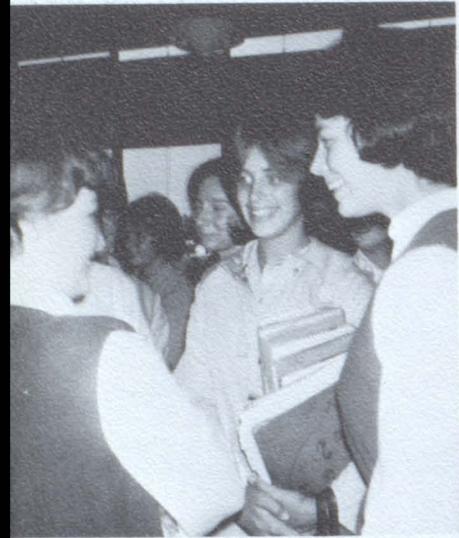

ROBERT THOMPSON to Steve Shearer, my knowledge of modern cars.

JUNIORS

Below: Tony Brainerd, President; Bob Felberg, Vice-President; Linda Washburn, Secretary; and Bill Reed, Treasurer, led you, as Juniors, through a year of various activities.

Fall is . . . burning leaves wafting their way in clouds to leafless limbs, yet it is the sun, rain, snow and dreariness with a hint of the past, present and future.

You as Juniors felt the pangs of being old enough to think about making your own life in a world of your own, but finding everyday life much too fun to give up . . . just yet. . . Colors of cranberry, olive green, burnt yellow, black, frosted orange, and "tinny" brown stunned the senses . . . the football games with the sun shining, and everyone yelling . . . this was your Junior year.

SOPHOMORES

Perhaps the summer brought a new job . . . new responsibilities . . . new freedoms . . . some of you came to the conclusion that the time was coming for deep and profound thought towards your future . . . yet . . .

Learning becomes a study in concentration during a light-hearted moment in French, a more serious mood in a history class or through the coordination of mind and hand in a mechanical drawing class.

SOPHOMORES

. . . just now was the swim dance or a party . . . the future was so far away . . . it was fun being lazy and happy on a sunny day with nothing to do except . . . think . . . you planned your days to your own discretion . . . swimming . . . a week at camp . . . reading . . . watching the clouds float by on a sunny day.

FRESHMEN

Spring is . . . fresh, new green grass and the fun of your first barefoot walk through it . . . crispy cold mornings gliding into warm days . . . the first robin . . . warm breezes . . . a gilding of ice on a pool of water . . . crashing, flooding brooks . . . somber colors of black, brown, and deep red mixed with bright blue, crystal white and pastels . . . thoughts of finals . . . little boys playing marbles in the mud . . . puddles . . . showers . . . flowers.

Whether it is a conversation in the hall or twirling practice, Sue Goodall, Sue Durkee and Jane Roberts display the intense interest and eagerness to learn typical of many freshmen.

FRESHMEN

For you, spring brought thoughts of summer . . . your first year in high school was almost gone . . . the year had been one as the spring . . . mixed feelings and thoughts. New people mixed with the somber duties of school . . . new ideas fought for recognition in a life such as you had never known. Try as you would some things could not be made dignified . . . laughter prevailed with slight remarks being made by upper classmen who really enjoyed seeing the "antics of youth."

Frosh means FUN . . . walking a cracker path at the Freshman Reception under senior supervision or getting a drink of water with Alan Neveau.

Varsity football coach, George Brown, discusses strategy with J.V. coaches, Gray Coane and Merle Fitzgerald, as the cheerleaders spur the team on.

FOOTBALL

Maybe they should have won the state championship, but we are just as proud of them for the 6-2 record they posted. After all, they had some pretty rough competition!

When our 1963 football team took to the field, they went out there to win. But when they lost, they took it like true sportsmen. And you must remember that they did have their high points . . .

On a cold, muddy November afternoon, they battled Spaulding High to a 0-0 deadlock until late in the fourth quarter, when a blocked punt in the end zone scored a safety for the 2-0 win.

Congratulations go to linemen Adrian Ferris, Ron Wells, Pete Bruso and Steve Eldred, and to backs Bruce Grout and George Burnes, for earning All-Conference honors. Pete also made the All-State squad.

FOOTBALL

HOW COULD WE EVER FORGET . . . the great running of Sophomore quarterback George Burnes and Senior halfback Bruce Grout, who scored 80 of the team's 162 points between them? . . . the crushing tackle that dislocated Bruce's shoulder, to put him out of action after only two complete games . . . the great pass receiving of end Steve Eldred, whose two important TD's came on hard-to-catch bombs over his head . . . Pete Brusco's charge through the line to block an end zone punt for the game-winning safety at Spaulding . . . the happy looks on the faces of six players reading the All-Conference results?

The MHS Junior Varsity grid team, under the direction of Coaches Gray Coane and Merle Fitzgerald, established a fine 4-1 record this year. Their only loss was a 12-6 heartbreaker to the Spaulding Jayvees, as a fourth-quarter interception set up the winning TD.

This had been preceded by a pair of wins from St. Johnsbury and one from Lyndon, was followed up by one more over Lyndon.

Special credit goes to quarterback Doug "Pee Wee" Bresette, fullback Terry Philbrook, and halfback Chris Anderson, and lineman Nick Ward.

The 1964 Varsity Cheerleaders have been raising money for new uniforms by various projects such as food sales, selling programs, etc.

The Varsity Cheerleaders also held two pep rallies to promote more school spirit in the games with Spaulding. Tryouts are now being held to find boy cheerleaders to cheer along with the new 1965 Varsity.

BASKETBALL

The MHS basketball team started practice in the middle of November under the direction of Coach Burt Morrison. In pre-league action, the team scored two victories over Northfield and one over St. Johnsbury Academy with a sole loss to Marian.

In league play, the Solons were 5-9 overall with two victories against Burlington and single wins over arch-rival Spaulding, Essex and BFA of St. Albans.

By gaining a sufficient number of victories to qualify for a playoff by rules of the Headmasters Association, MHS played Spaulding for the third time at the Rice Memorial Gym coming out on the short end of a 70 to 66 decision.

Mr. Morrison's usual starting lineup read: sophomore Rick McNeer and co-captain Don Allen at forwards, co-captain Dick Jones at center and sophomore George "Punker" Burnes and either Chris Chisholm or Greg Raymond at the guard spots. Near the end of the season, Allen was injured and junior Jack Walker filled in capably. Rounding out the squad were Harry Bossi, Terry Philbrook and Doug Bresette. Although the team lacked hustle at times, it made up for it with spirit.

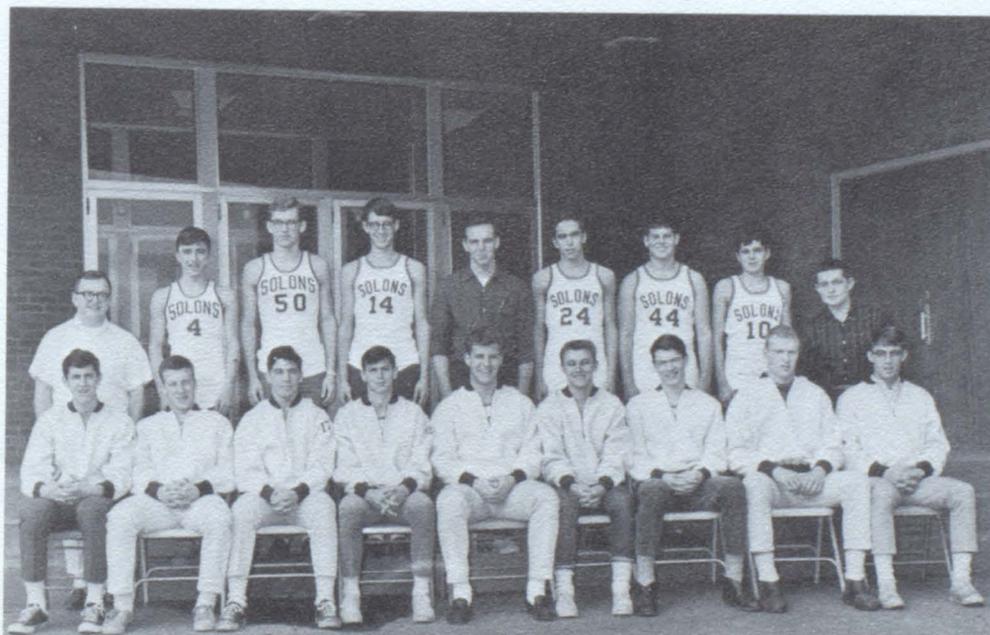

Next year looks like a good one for Coach Morrison's team with only one senior, Don Allen, leaving the team. Don was elected co-captain by his fellow team members and certainly deserved and fulfilled the honor, along with co-captain Dick Jones.

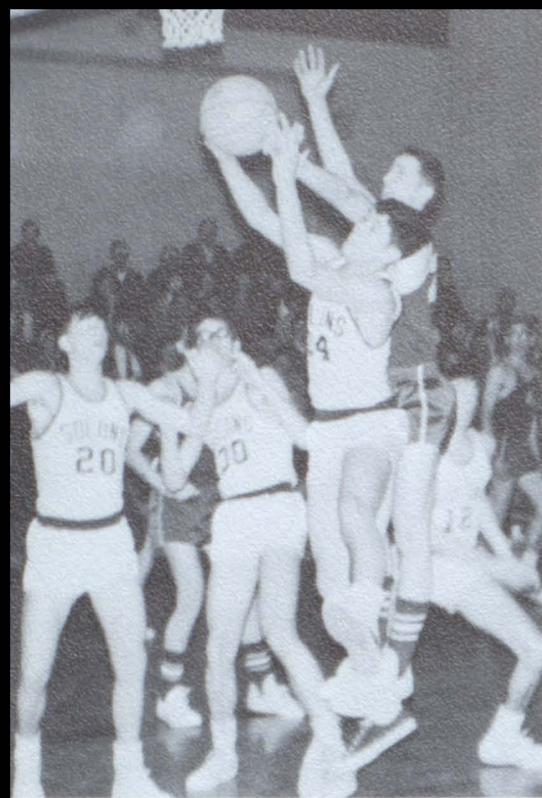

Top scorers for the team this season were Jones, with 343 points; Burnes, with 232; Raymond, with 153; and McNeer, with 149.

Dick Jones is fouled while trying an under-hand lay-up. The Solons lost a squeaker, 66-64. Jones led Montpelier with twenty-one points.

The 1964 basketball team was again led by Coach Morrison.

Harry Bossi snarls rebound against Essex Junction. George Burnes and Rick McNeer are close by to grab a loose ball. Montpelier split with Essex during the year; losing the first game 58-47 and winning the second 67-61.

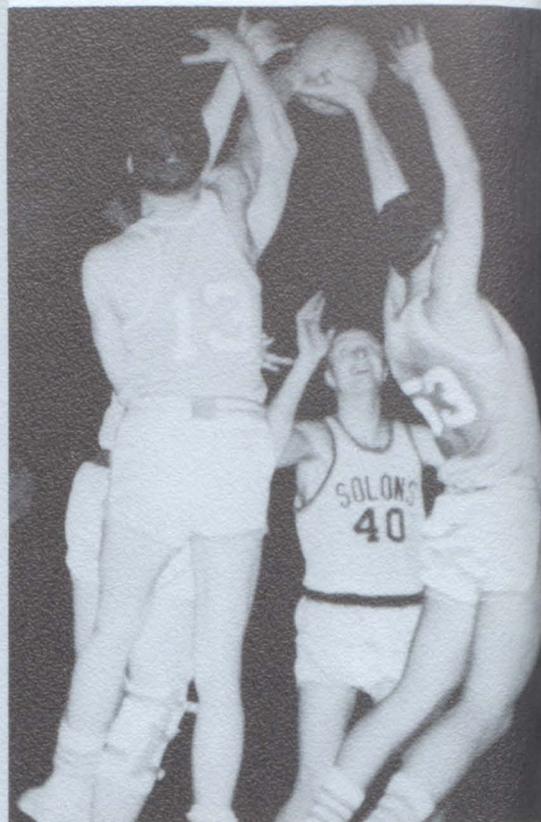

A lot of action during the annual Alumni game. Former Montpelier stars were too tough for the Solons, who lost the game 68-40. Harry Bossi and Jack Walker try to get rebound away from Norwich star John Otis. Dick Jones and George Burnes are also prepared for action.

J. V. BASKETBALL

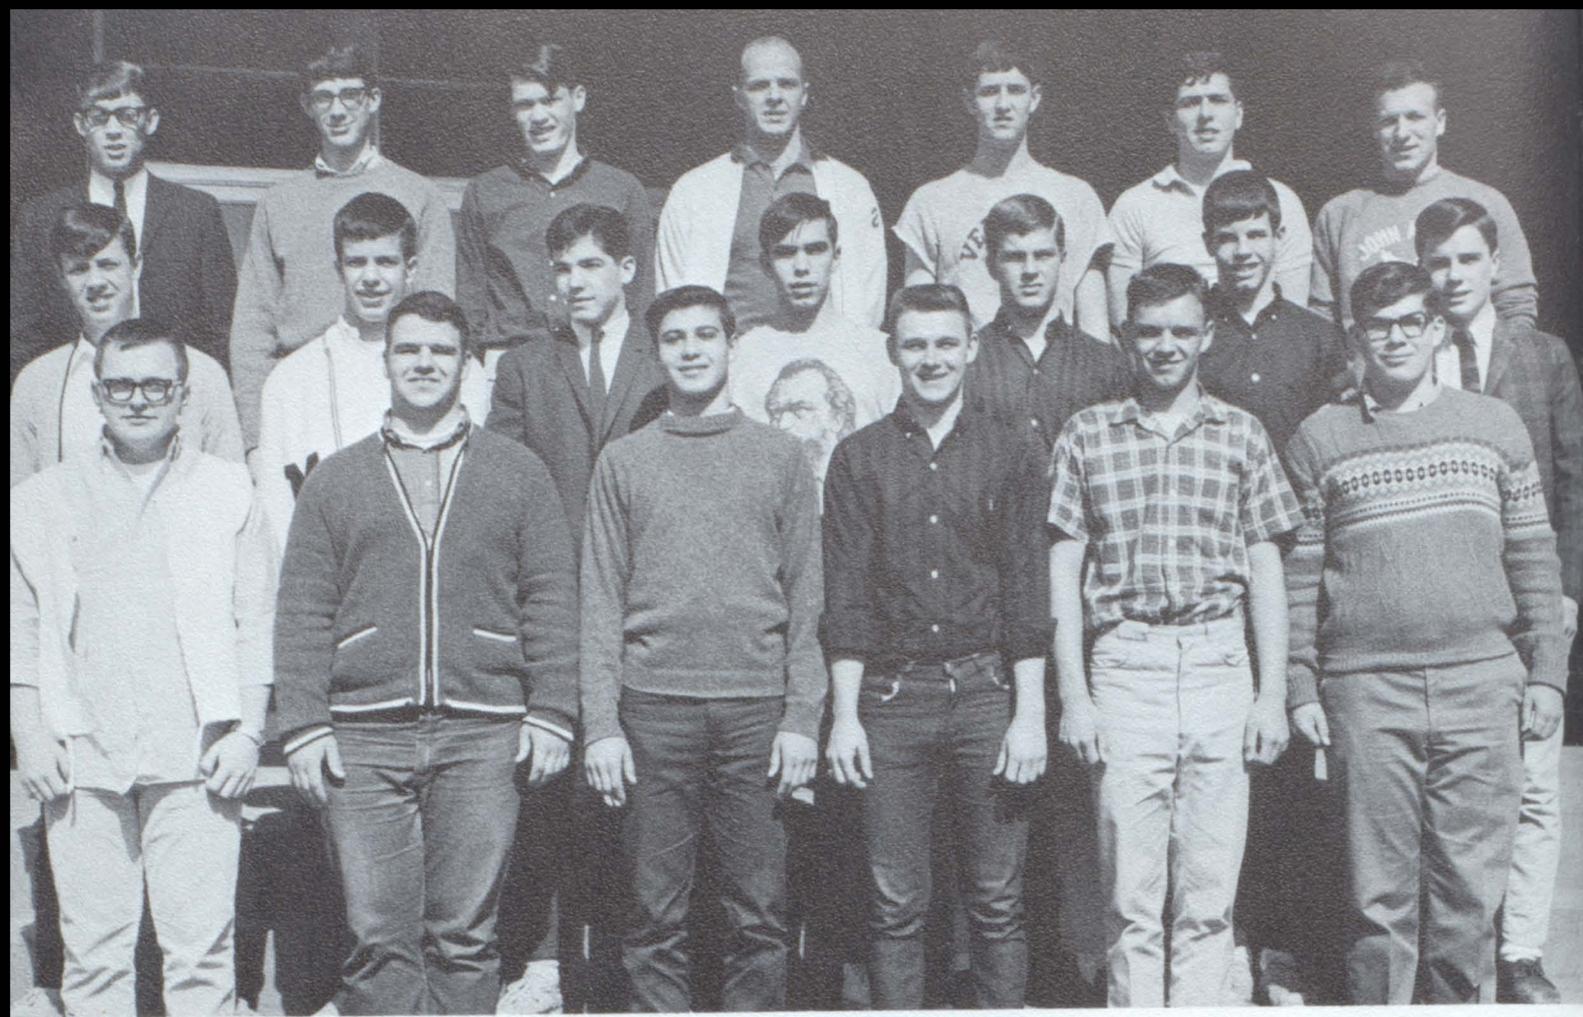

Even though "Gray's" boys didn't quite do the job, they were always out with lots of team spirit and hustle.

The season began with a pair of losses to Northfield followed by an easy win over St. Johnsbury Academy. After a heartbreaking loss to Marion, the J.V. boys bounced back to pull out a victory against B.F.A. of St. Albans.

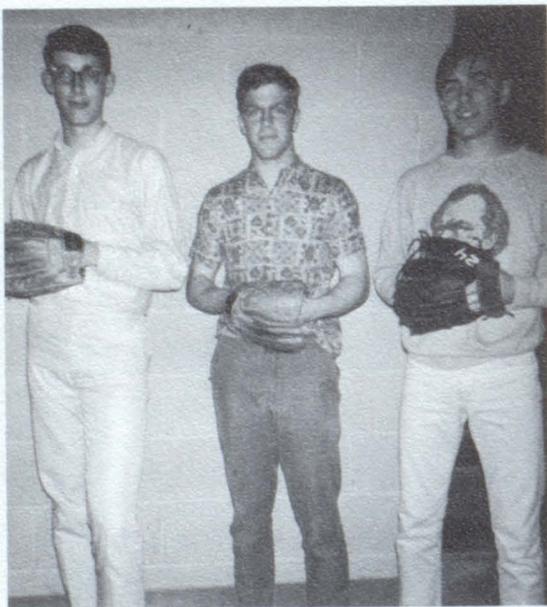

But this still couldn't spark Montpelier to the winning column. They fell at the hands of Winooski, Essex and Rice in succession. Even in this rut, they rallied to add two more victories from B.F.A. and South Burlington. The rest of the season the boys fought hard but never could get another win. The starting five were Chris Anderson, who led the team in scoring, Jim Bryan, Larry Graham, and Rich Powell. The fifth position was held by Jeff Duke, injured much of the time, and Dick Woodhull, who joined at mid-season.

Rick McNeer boxes out a Rice player so that Jack Walker can grab the rebound. The Solons lost both games to Rice Memorial.

BASEBALL

With the coming of spring, baseball season began anew at M.H.S. Practice started two weeks before spring vacation and continued in one-day sessions until the first game at Rice. Montpelier lost 5-11, but made no errors and gained much needed experience.

A new experiment was initiated this year under Varsity Coach, Morrison; J. V. Coach, Palermo; and Assistant Coach, Fitzgerald. They felt that both varsity and J. V. teams should practice together until the first game. It was hoped by training together the coaches could each stress certain important aspects of the game benefiting all. This program also had long range implications. The younger players became more familiar with the game while gradually adjusting to the coaches and training techniques.

Inclement Vermont weather confined practice to the gym until shortly before the first game so there never seemed to be enough time to accomplish the numerous requirements to field a team.

Though the team was weak in some spots, the spirit was great. Every one of the boys wanted to play ball and play to win. Vet-

eran seniors Ted Joslin, Steve Eldred, Ray Thomas, George Kramer and Ronnie "Herc" Wells were counted upon to stabilize the team and lead it to victory. Junior veterans Greg Raymond, Harry Bossi, and Steve Sloan were also counted on heavily for a successful team. Newcomers to the squad were Chris Chisholm, Greg Kreis, Ronnie Maynard and Jack Sykas.

From the looks of the J.V. team, M.H.S. will have some fine seasons to look forward to in the future.

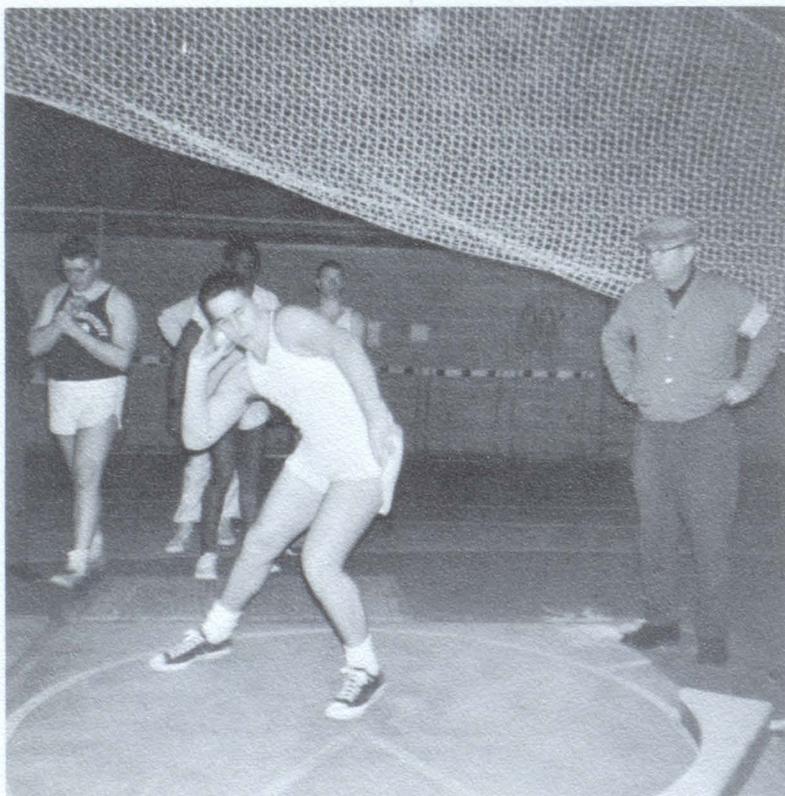

Both teams played home games on the new field behind the school. This move sought to increase attendance at games and help school spirit.

TRACK TEAM

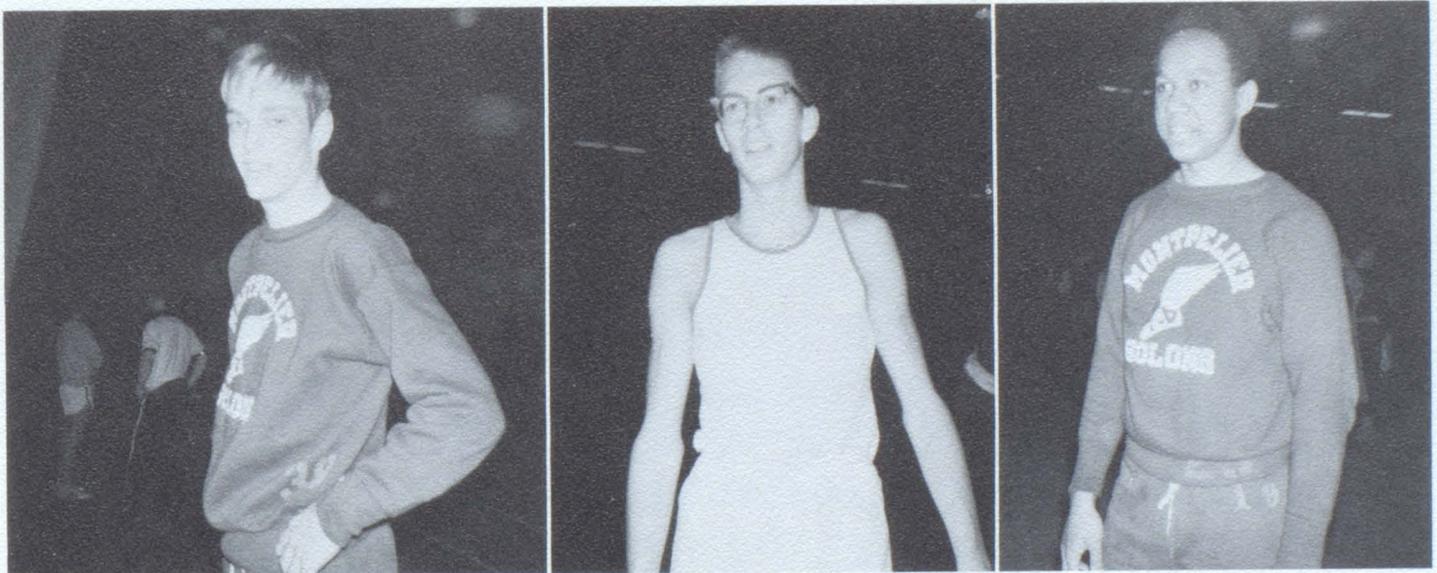

Don Allen and Pete Brusco, two of our track members, pause before a safety net used for indoor meets.

... on April 25 and ended it with the New England Championships on Saturday, June 13. Track is based on various combinations of running, jumping and throwing skills. A meet includes such events as dashes — 100 yard, 220, 440, 880 — and mile runs. Jumping events are the high jump, broad jump and pole vault. Running and jumping are combined in the low and high hurdles. Throwing skills are perfected through the javelin, discus, and shot

indications they should have a fairly successful year. Outstanding prospects for the season include Dick Bond, who stands an excellent chance of setting a state record in the broad jump. Bruce Grout, Robbie Robinson and Chris Anderson are good in the 100, 440 and 880, respectively. Weston Cate should be one of the finest high jumpers in the Northern League. However, regardless of individual stars, track takes team effort to compile enough total points to win any meet.

Track is a demanding sport, requiring a lot of time and effort in practice. Three track members pause for a rest . . . Dick Bond, Bob McDowell, Robbie Robinson.

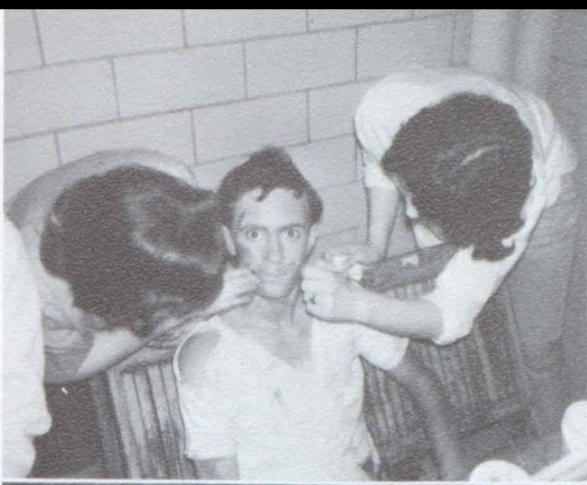

SKI TEAM

The ski team had a fairly successful season. The team was holding its own until the Northern district meet. Then disaster struck. Adrian Ferris broke his ski, Bill Fitzsimmons broke his leg in the giant slalom, and then to top it off, Allen Ferber dislocated his shoulder jumping. Still they finished the season strong, coming in first at the Burlington meet.

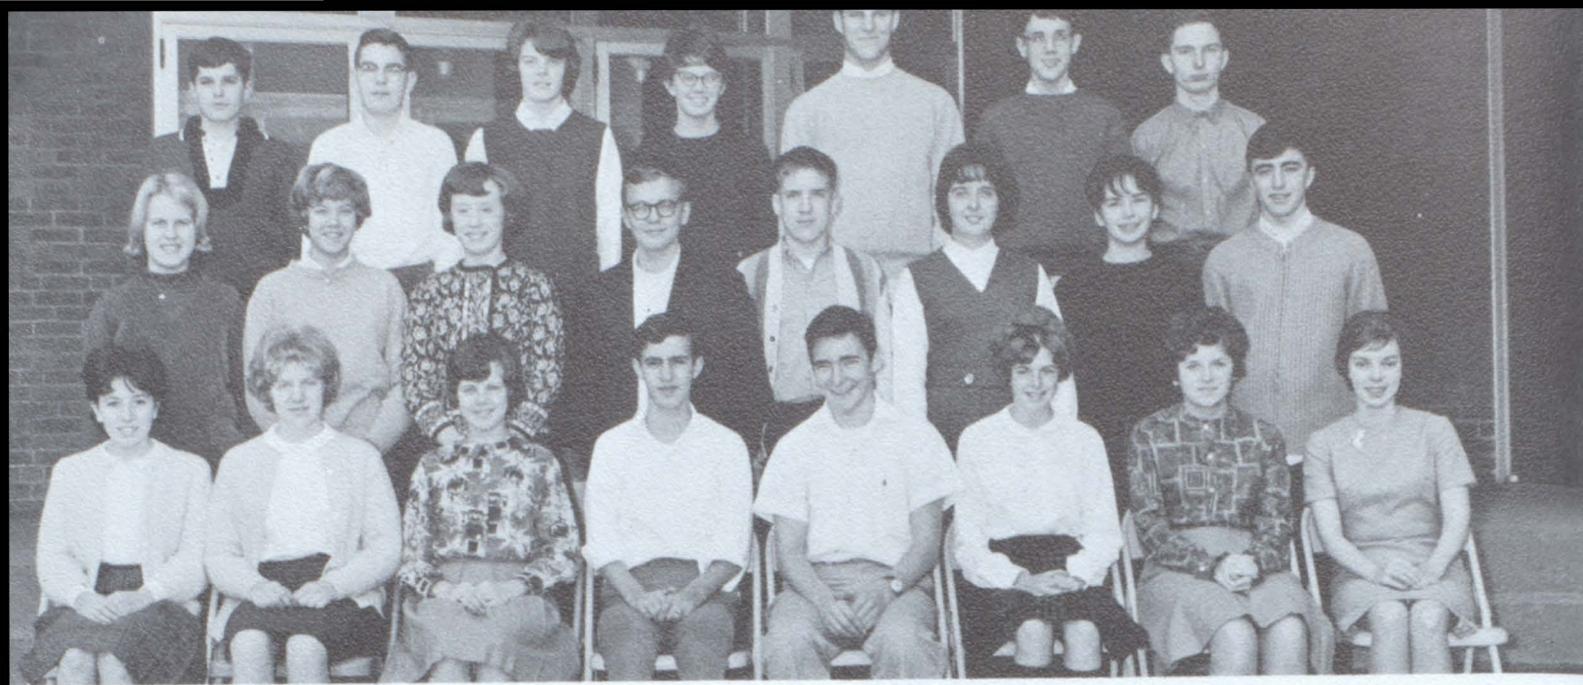

Bill Seguin gets set to take a run during one of the meets.

Alan Desilets relaxes between runs.

Each home room in Montpelier High School is represented by at least one member of the Student Council. The Student Council plays a very significant part for the members of our high school. The representatives bring forth new ideas suggested by the students whose home rooms they represent. Many improvements have come about because of the constructive efforts of this organization. There are three representatives from each senior home room, two from each junior home room, and one from each sophomore and freshman home room.

This year's Student Council meetings were presided over by Roger Howes, president. Vice president was Chris Chisolm, secretary-treasurer, Joan Lindsay, and Robert Ryan, parliamentarian.

SILVER "M"

The Silver "M" award is the means by which Montpelier High School tries to encourage students to work and take part in extra-curricular activities and scholastic areas.

Units, for which the Silver "M" is awarded, must be earned in at least two extra-curricular activities with not more than five units being counted for any one activity. Scholastic units for one year are awarded as follows: A-5 units, B-4 units and C-3 units.

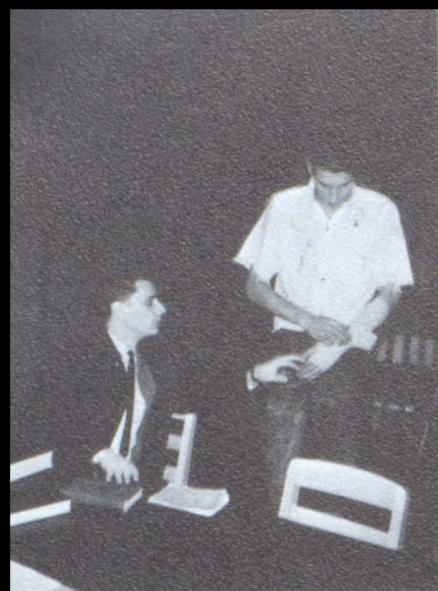

One must have earned eight extra-curricular points and scholastic units in order to be awarded a Silver "M" either in the fall or spring of the senior year.

MASQUE

The Masque, Montpelier High School's largest club, has been very active during this school year. Mr. Rocchio has done an excellent job of taking over as the new advisor and director. Under his direction, the Masque successfully presented a three-act play in November, "The Night of January 16." Although the presentations were interrupted by the death of President Kennedy, the play was a success and the entire cast did a good job.

In March, three student-directed one act plays were presented, these included: "The Hungerers," "Minor Miracle," and "Shock of His Life." These three plays provided varied evenings enjoyed by all who attended.

A final Spring production completes a successful year for the Masque with all crew and cast members enjoying the rewards of their hard work.

Rehearsals are frequently quite hectic, but the objective of each student is to do his best for a good performance.

Mr. Anderson is the very capable new director who brings out the best in our musicians.

It takes a while to get organized but things go smoothly once the rehearsal starts.

MIXED CHORUS

The mixed chorus, under the direction of Mr. Paul Anderson, meets two periods a week in the Smilie Auditorium to rehearse for concerts and other various programs. The membership is approximately 75, the largest group Montpelier High has had participating in many years.

In November, a number of students were selected to attend the Winooski Valley Festival, which was held in Northfield this year. The Festival is an annual event in which the bands, orchestras, and choral groups of several schools in the Winooski Valley area perform a concert for the public.

The program throughout the year consists of Hootenannys at assemblies, a musical program at the State Hospital, the annual spring concert with the school's orchestra, a variety show, and the performance at baccalaureate and graduation.

The high point of the year is the selecting of a few students to participate in the Vermont State Musical Festival in Burlington. The selection is based upon the student's ability to sing.

GIRLS' GLEE CLUB

The girl's chorus has again become an active organization in M.H.S. Under the direction of Mr. Paul Anderson, they have become known as the Girl's Glee Club and work in close correlation with the mixed chorus. Most of their members belong to both groups.

Mr. Anderson rushes to rehearsal overloaded with music for practice.

Practice makes perfect and our Record camera has caught the members of Girl's Glee hard at work.

ORCHESTRA

The M.H.S. Orchestra, under the direction of Mr. Fink is enjoying a very successful year. There are seventeen members in the orchestra who meet during the seventh period on Wednesday. In November they took part in the Winooski Valley Music Festival and this year in April the chorus and orchestra are presenting a combined concert in the Smilie Auditorium.

An orchestra is composed of many different types of instruments. Here we see Mary Marshall with her violin, Stephanie Seguin at the piano and John Flanders with a clarinet, all are preparing to begin making music.

The music room is a busy place seventh period Wednesday. Here Tony Brainard sets up his drums while Lesley Thompson and Lesley Ballentine straighten their music.

BAND

It's been another fine year for the M.H.S. Band! It opened up the '63-64 season by playing at the football games. They led the parade that went through Montpelier for Lyndon B. Johnson when he made his tour of Vermont. A benefit concert at Waterbury State Hospital and exchange concerts with Spaulding High School and Westerly, Rhode Island rounded out its program. Some of the individual band members played at Winooski Valley and All-State. The season was finished with a spring concert and the All-State Music Festival parade in Burlington.

At Christmas the girls had a food-sale and the boys cut and sold Christmas trees as money raising projects.

The band and the Twirlers, led by Mr. Mix marched off to parades or played at football games during the year.

Left to Right: K. Shouldice, C. Hatch, J. Johnson, C. Cattanach, Captain, P. Sierra, S. Aja, C. Pratt.

VARSITY TWIRLERS

The Varsity Twirling Squad has seven members including the captain. To become a Varsity Twirler, a girl must have at least one year's experience on the Junior Varsity Squad.

The Varsity Squad twirls at all the home football and basketball games. They also twirl at band concerts, exchange concerts, and pep rallies. In the spring they march in all local parades as well as in the Vermont State Music Festival parade in Burlington.

All girls earn one point toward the Silver "M" award after completing one year on the squad. For each successive year, they earn one-half point. After two years of Varsity Twirling, each girl receives a letter.

NATIONAL HONOR SOCIETY

The National Honor Society is the school Honor club, chartered with the National Society. To become a member one must retain an average of at least two A's, two B's, and a C, if you have a fifth subject, for three consecutive semesters. Meetings are held on the second Thursday of every month. At present the National Honor Society is revising the point system of the different extra-curricular activities for the Silver "M" award. Earlier in the year the Honor Society spent some time revising their constitution so members may receive only two warnings for marks below the club standard before they are dropped from the club.

MODEL UNITED NATIONS

Janet Barber and Jim Dudley were chosen delegates from M.H.S. to the Model United Nations held at Plymouth State Teachers College in New Hampshire in May, 1963. They represented Finland and defended its position on such issues of international concern as "Admission to the U.N. of the People's Republic of China," "Colonialism" and "Disarmament."

For three days, the delegates from many high schools in New England were intensely involved in learning the structure and purpose of the United Nations. As an experiment in international understanding, the Model U.N. offers an opportunity to realize how necessary it is for each individual to be keenly aware of the world issues and decisions facing our country today. Its primary goal is to help students understand the part they can play in the struggle for peace among all nations.

Janet Barber and James Dudley

Janet Barber, Jane DeForge, Nancy Teachout and Joy Wright were selected to represent M.H.S. at Vermont's Girls' State. The week-long activity was held at Vermont College in June, 1963.

Girls' State offers an excellent opportunity to make lasting friendships with other girls from all over the state while learning about the operations of local and state governments in action. The miniature state is divided into towns and counties and run by the girls as elected officials of the local or state government. Girls' Nation, held at the American University in Washington, D.C., is a special honor granted to only a few girls from each Girls' State in the nation. Janet Barber was selected as one of Vermont's representatives to the 1963 event.

There she learned about federal government procedures, visited many historical sites, and met some of the well-known political figures in the government today.

GIRL'S STATE AND GIRL'S NATION

BOY'S STATE

Eight boys from M.H.S. attended Vermont Boys' State in 1963. In their week there, Jim Dudley, Peter Duke, Robert Ferris, Roger Howes, Teddy Joslin, Robbie Robinson and Bob Ryan were taught how the state and local governments are run. They were also told their responsibility to the community and state. Everybody had an opportunity to run for an office and accept the responsibilities of the position or defeat gracefully.

Boys' State is divided into separate towns that compete with each other on the basis of athletics and conduct for the position of "Model Town." Above all, the boys made friendships that will last the rest of their lives.

Left to Right, Row One: T. Joslin, R. Ryan, R. Robinson. Row Two: J. Dudley, R. Howes, T. McAvoy.

AMERICAN FIELD SERVICE

This year our student abroad is Robert Ferris, who is studying in Austria. Rosa Jansdotter, from Iceland, is living in the home of Mr. and Mrs. Leon Davidson. Her cheery smile and great personality have added much to Montpelier High.

Robert Ferris and Rosa Jonsdotter, exchange students for A.F.S.

At one of the A.F.S. teas, Rosa Jonsdotter and Jane DeForge are being served by Sue Parker.

Danny Coane, Patty Sierra, Richard Powell and Doug Peck begin the A.F.S. started Hootenany with a rousing song.

Here the boys lead the hootenany with one of the typical folksongs that are so popular.

The purpose of the A.F.S. club is to further international understanding and to promote its exchange program. Students chosen this year as candidates for a summer abroad were Pat Clemmons and Joan Lindsay; those chosen for a winter abroad were Bill Sequin and Dori Conkling.

The club meets the first Wednesday in every month to plan fund raising activities and occasionally listen to speakers, recently they heard a teacher from Panama speak about his country. The A.F.S. has sponsored a book sale and a Hootenanny as their fund raising projects this year.

President, Jane DeForge, conducts the regular A.F.S. meeting.

JUNIOR PROM 1963

Peter Duke stops his work to smile at the camera.

Left to Right, Row One: R. Robinson, C. Cattanach, A. Monte, E. Parker.
Row Two: J. Barber, R. Ryan, K. Shouldice, J. Wright.

The theme of the 1963 Junior Prom, under the direction of Miss Kettelle, was Medieval Magic. The Junior class sponsored the dance for the Seniors through a committee of nine.

The decorations, keeping to the theme, were a green and yellow paper mache dragon, guarding a misty blue castle, while a canopy of stars and streamers were over head.

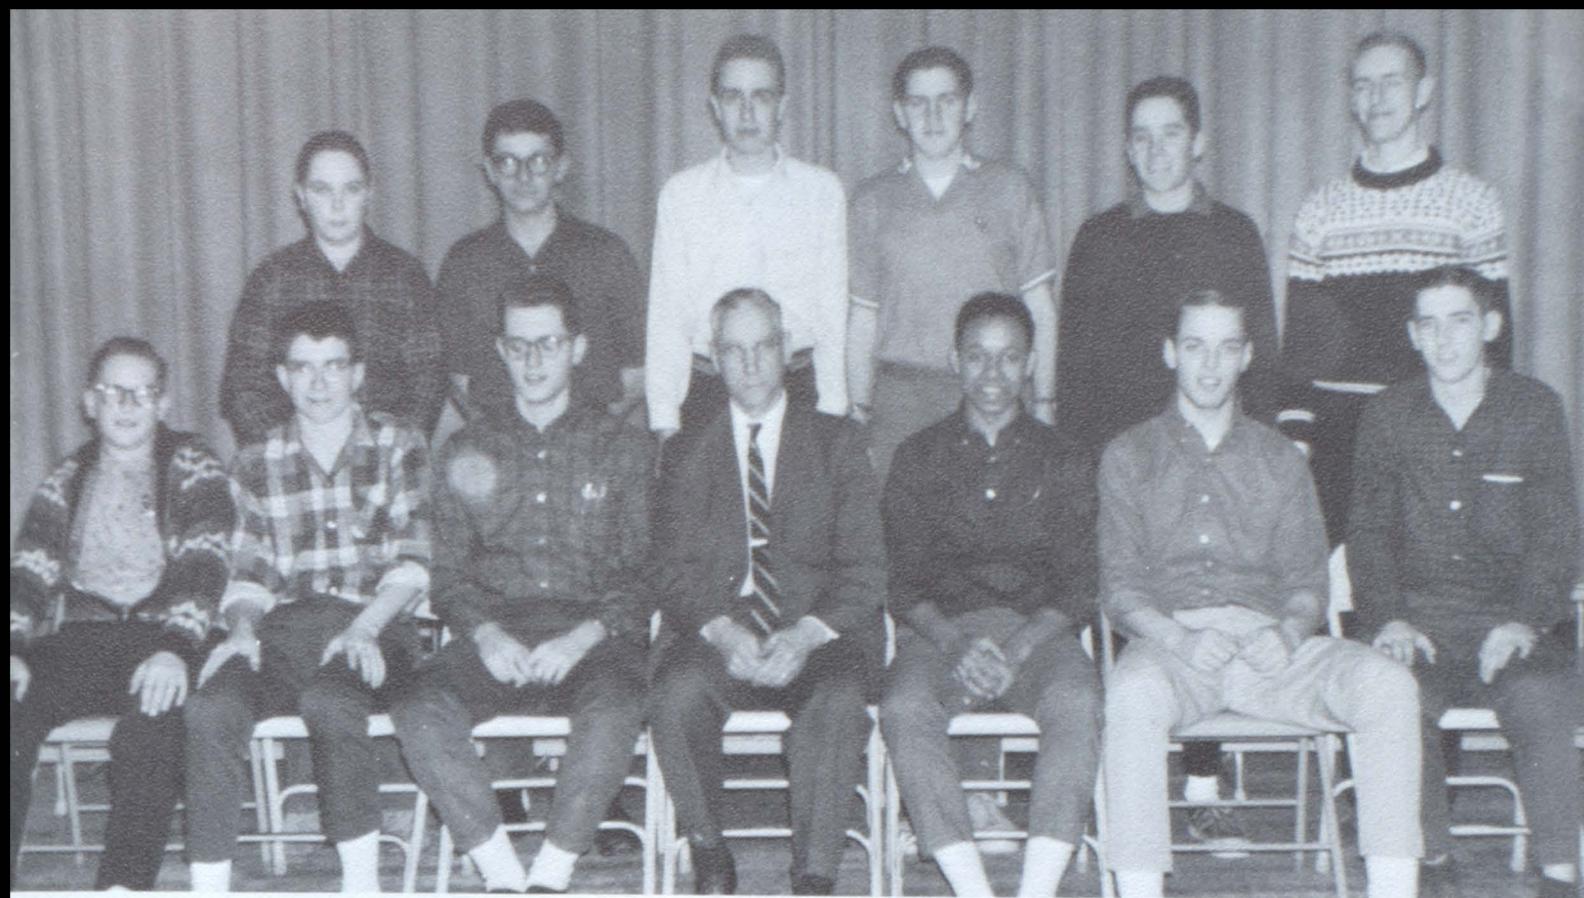

Barb Sicely was crowned Queen of the Prom by Dr. Chastney while Cindy Cattanach, Nancy Teachout, Jane DeForge and Janet Barber were her Attendants.

HI-Y

The Hi-Y is a YMCA club for high school boys. Each club has an advisor whose responsibility is to guide each boy toward certain goals. While working toward these goals, the boys try to fulfill the Hi-Y purpose. The Hi-Y purpose is "to create, maintain and extend throughout the home, school and community high standards of Christian character."

The advisor for the Montpelier Hi-Y is Mr. Hoxie. The officers for this year are Robbie Robinson, President; Peter Duke, Vice-President; Richie Bond, Treasurer; and Bill Reed, Secretary.

CHESS CLUB

Left to Right, Row One: G. Buttles, J. Hopkins, P. Hawkins, L. Kane, Mr. Clayton, W. Thetford, N. McDowell, A. Desilets, W. Parker. Row Two: G. Wagner, R. Armstrong, H. Robertson, B. Johnson, B. Seguin, B. Levitt, R. Robertson, M. Morrisette.

The Chess Club, a new organization at MHS, was created shortly after Christmas vacation. Its purpose is to promote interest and develop skill in playing the game of chess.

The organization's officers were elected at one of its first meetings. Elected as president was William Thetford; vice-president, Claire Parkinson; secretary, Lenore Kane; and treasurer, Nancy McDowell.

The club meets once a week to discuss new plays, help beginners, and compete against each other. Four times a year there are tournaments, the winner of which is given the title of chessmaster.

Left to Right, Seated: W. Thetford, W. Parker. Standing: L. Kane, G. Buttles, G. Wagner, B. Johnson.

Left to Right: J. Granger, Miss Mills, K. Edson, T. Johnson, C. Nelson, B. Potter.

G. A. A.

The Girls' Athletic Association is an organization for any girl who enjoys participating in sports. All sports that G.A.A. indulges in are not competitive. For example, this year the girls organized a bike hike and a swimming trip. The club meets two nights a week on Tuesday and Friday, when the girls hold tournaments in such sports as volleyball, basketball, badminton and others.

Sports days are good for furthering the relations between schools. The G.A.A. has been host at one of these sports days and hope to hold more in the future. This year the girls also plan to have the annual basketball game with the teachers. These are only a few of the many things that the future holds for the members of the G.A.A.

Left to Right, Row One: K. Frazier, B. Wemitt, J. Johnson, S. Morse, S. Durkee, G. Johnson, S. Winters, W. Harding, B. Pope, S. Goodall, C. Cano. Row Two: J. Seales, S. Fleck, B. Jacobs, D. Perry, C. Gauthier, L. Reed, L. Anderson, A. Citrini, S. Alger, S. MacEachern,

M. Wells. Row Three: L. McQuestion, G. Bedel, G. Powell, J. Campbell, C. Parkinson, C. LaFountain, R. Sykas, C. Baird, G. Amidon, J. Whitney.

At the G.A.A. basketball games the girls have fun in various ways. Chris Nelson tries for a foul shot and then clowns with Debbie Perry in the locker room after a game . . .

Barb Potter at the foul line gets ready to sink that basketball.

RECORD BOARD

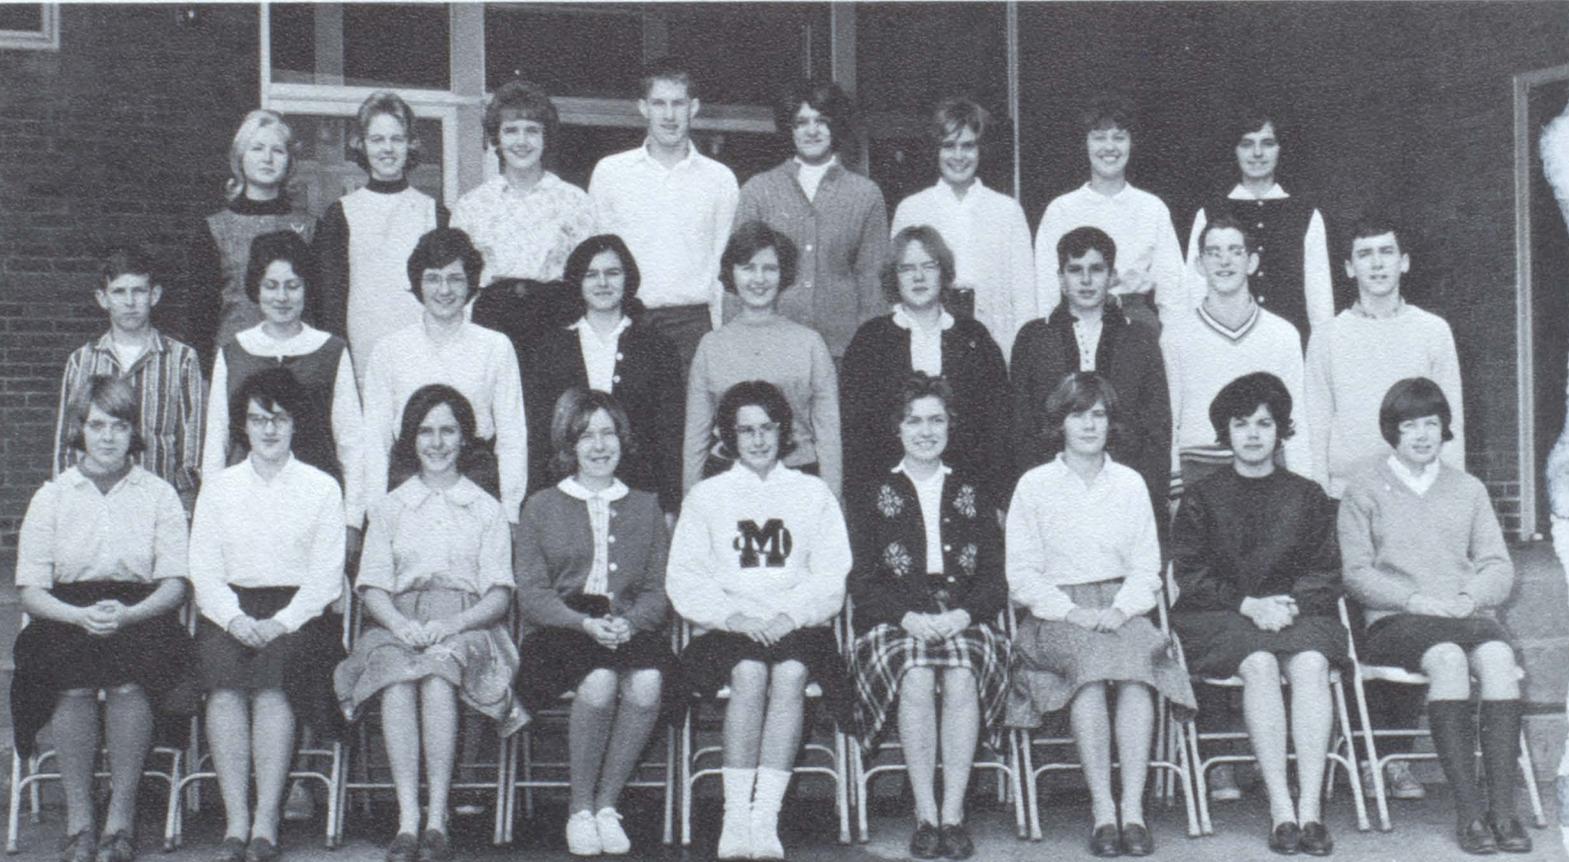

Gail Buttles, a freshman, poses for her picture as others wait their turn.

OFFICERS — *Left to Right, Row One:* S. Patterson, P. Gomez, S. Davidson, Advisor, Mrs. Good; F. Slosberg, D. Crouse, L. Richardson. *Row Two:* P. Escott, D. Johnston, C. McNeer, T. Philbrook, F. Pressey.

Student planning, writing, photography and art work have made the book original, while the business staff has worked to support it financially through yearbook sales, advertising, book cover sales and candy sales.

Left to Right, Row One: T. Leighty, B. Potter, N. Teachout, S. King, T. King, B. Sicely, A. Funk, M. Marshall, M. Foster. *Row Two:* J. Brewster, J. Gheringhelli, D. Perry, S. Goodyear, J. Kemp, C. The change to a lithographed book this year has made possible an entirely different approach to the Record for 1964.

The editors and staff, under the direction of Mrs. Good, have planned the book to include activity pictures, classroom candid, and pictures throughout the advertising section. The new look of the senior section enabled more space to be used for the other class sections.

The 1964 Record has made the big move from a senior book to a yearbook for the entire student body despite protests from the seniors and even the school board. For the first time at M.H.S., individual pictures of all students and the faculty have been included in the book.

SOLONSCOPE

Solonscope, the school newspaper, is divided into three sections — news, sports, and features. The news staff gathers the school news while the sports staff gathers the news of sports. The features staff, likewise, gathers gossip, original writing and jokes. The paper is then typed by Solonscope typists and mimeographed.

Left to Right, Row One: D. Ryan, T. Leighty, Mr. Seaver, S. Sequin, B. Benedini. Row Two: B. Otis, W. Robertson, N. Goodall.

DEBATE

The Debate Club prepares cases, both affirmative and negative, which they present at tournaments with other schools. The topic this year is "Resolved that Social Security benefits should be extended to include complete medical care."

In March of each year the Debate Club invites all the schools in the vicinity to a tournament here at Montpelier High School.

Billy Thieme, Max Daamen and Miss Wilson pause in the middle of their work to smile at the cameraman.

CHRISTMAS BALL

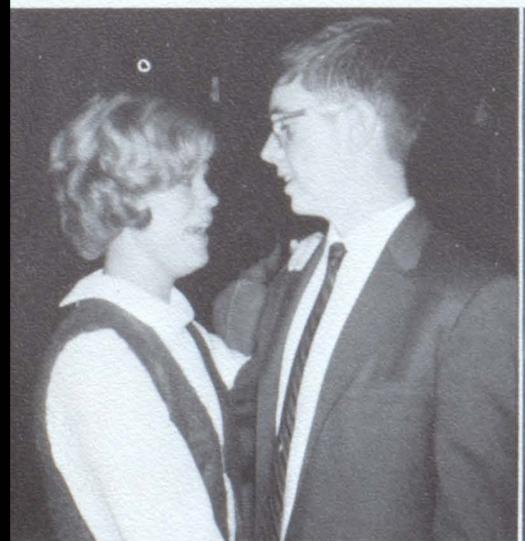

The 1963 Christmas Ball was sponsored by the student council, advised by Mr. Portalupi.

The gym was decorated to the theme of Winter Wonderland, with snow flakes filling the air, Christmas trees covered with lights, and a sleigh with two figures in it as the general focal point. Around the room were skis, posters, and ski poles. Elected as King and Queen by those who attended were Ann Monte and Ray Thomas.

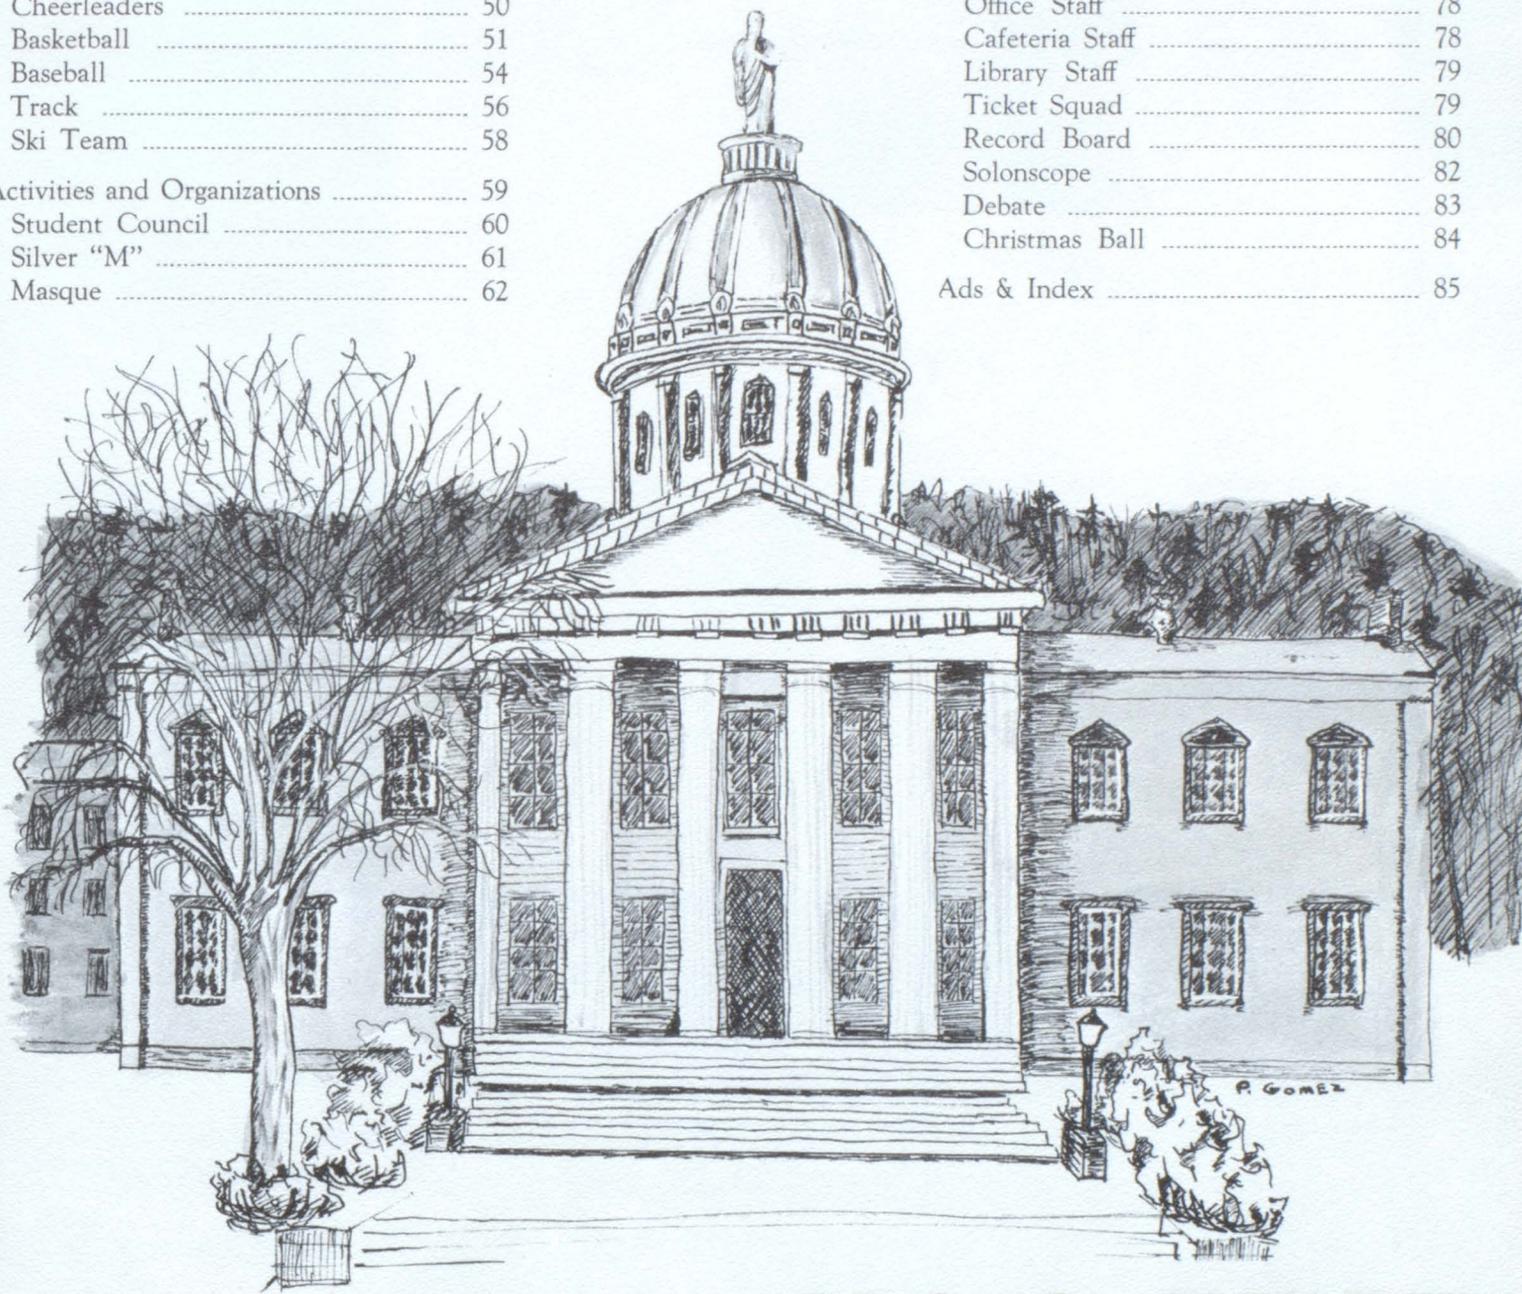

Ann Mote and Ray Thomas, King and Queen of the Christmas Ball dance following their coronation.

An evening for dancing or just sitting and talking for Fran Pressey, Jim Adams, Sue Parker, Tom McAvoy, Dori Conkling and Tony Brainard.

Fall . . . Winter . . . Spring . . . Summer . . .
the school year passed with a special highlight
for each season.

While adjusting to the rigors of school with
Indian Summer still beckoning from without,
Montpelier High students welcomed the
opportunity to greet Vice President Johnson
when he visited the capital city.

Yet not four weeks later, the tragic death of our President
John F. Kennedy stunned the Nation. We perhaps felt
a personal grief for the man thrown so cruelly to the
head of our Nation.

Nevertheless, the Winter brought the every-day routine
of school life, so pleasant after the turmoil of fall.
Basketball in full swing . . . cheerleaders practicing with
the lollipops that were a fad . . . exams.

TPHILBROOK

AUG. 29, 1917
John Fitzgerald
Kennedy
NOV. 22, 1963

At last the first days of spring, when the Winooski overflowed its banks causing some damage. Spring brought, besides the water, . . . the Beatles, — those four British wonders of song. The corridors echoed with "I Wanta Hold Your Hand" "She Loves You" "Twist and Shout" . . . and Beatle haircuts. Traditionally a young man's fancy turns to . . . and motor scooters.

Summer brought plans for visiting the World's Fair . . . mad studying for finals . . . and joy, expressed by most Seniors at the thought of graduation.
