# DEDICATION

When a baby cries, his mother cradles him, and he is soothed by her touch and voice. Parents stand behind their children for a long time, and then are left standing behind.

For now there is no pacifier that can quiet us. Our minds need to be stimulated, to be made angry. The man who accepts this challenge can expect little gratitude. His part is that of a mediator. He must be buffeted by the storms of criticism from both sides.

Mr. William Haines plays that vital role. As initiator of student thinking and student projects, he has found the midpoint from which an adult can guide, but not lead, stimulate, but not claim.

For your truly honest interest and effort, Mr. Haines, the class of 1970 thanks you. Your unspoken understanding will remain a tangible memory for all who experience it.

Mr.  
Haines

Friend

# ADMINISTRATION

The difficult task of serving the best interest of all students belongs to the administration. Long and dedicated hours are put into this labor. Not only does the administration build a strong educational program for the students it also brings to all students a realization of the future: its opportunities, its challenges. Too often we lay our complaints at the administration's door. How often do we express our appreciation for their accomplishments?

To the Class of 1970, Congratulations and Best Wishes. These sentiments are oft-repeated, but occasionally are not fully understood, which is not at all unusual with set phrases.

However, congratulations implies a successful conclusion to a job well done. And such is certainly the case for your Class. No other recent Age has known the dilemmas and the frustrations of maturing and acquiring knowledge as has yours. You have never known a day free of war or rumors of war. You have never known your country completely unified or free of dissent. You have never been assailed from all sides — social, political, and environmental — with offers of a more tempting, exciting, and all-fulfilling life. To these offers some in your Age have ascribed, while others among you

have buttressed yourselves with a deeper desire for more fact-finding and knowledge before making your decisions and deciding your course of action. But, through all, you have persevered and grown.

To be growing up today is more than risky business, however; it is greatly exciting. You will be making decisions concerning life on this planet and others in our solar system. No other Age has been offered this challenge. Your knowledge, your insight and your perception should equip you well as you now assume your roles of the future. Here, your perseverance will insure your continued growth. Life has decreed you a special, but not impossible mission.

Be not deterred by the matters of trivia that will be scattered in your paths as you travel forward. Your mission is the future; its environment, its life, and its promise. Thus the conviction truly expressed, for a past that has been good and a mission that is possible: Congratulations and Best Wishes to the Class of 1970.

Bruce E. Stewart — Principal

Ladies and Gentlemen of the Class of 1970:

Had I the opportunity to speak with each of you personally before you leave us after these four short years, I think I would ask you to live by the words of John H. Rhoades, who said, "Do more than exist, live. Do more than touch, feel. Do more than read, absorb. Do more than hear, listen. Do more than listen, understand. Do more than think, ponder. Do more than talk, say something."

My life has been fuller by knowing you. Good luck, and may God be with you always.

Asst. Principal

A familiar four-some sit out a dance to enjoy the surroundings.

The Queen and her court in all their radiance — Sue MacPherson, Chris Redmond, Jody Boyd, Suzanne Goulet, and Andrea Hadd.

The Class of 70's Junior Prom was unique in many ways. Individual talent which had never been openly recognized was displayed on every wall of the gym. Giant murals depicting scenes from "Fantasyland" reflected much ingenuity and work.

Despite many moments of anxiety, as a class we grew closer together as a result of the long meetings and endless streams of conversation. We suddenly realized that although most of us had been classmates for many years, we still did not know each other. Working together changed all this. Suddenly everyone was talking and offering a little of himself.

"Fantasyland" proved to be more than Alice and the White Rabbit. It was a great deal of very "real" work climaxed by the traditional dance and crowning of the Queen. Our Junior Prom will be one of memories and new friendships, something that was shared by all.

## Junior Prom 1969

Jackie Crowell's reign ends as she crowns Susan MacPherson Queen of the 1969 Junior Prom.

Montpelier High with loyal song, we  
rally to thy call.  
And lift thy name in chorus strong, thy  
sons and daughters all.  
Thy spirit guides us to the shrine of  
Truth that makes men free,  
In work and play we strive to pay the  
debt we owe to thee.

Thy Green and White unsullied bright  
shall ever float on high,  
Every lip in fellowship shall join the

Hear our cheer, Montpelier dear, swell

Hail to thy name, Bright be thy fame,  
Forever more!

# ACTIVITIES

# Freshman Reception

Despite unique ideas and careful planning, the freshman reception usually results in chaos. The reception for the class of 1973 was no exception. Freshmen and seniors alike sat amidst globs of lettuce and whipped cream. And who looked funnier, an innocent 9th grader or the sliding senior right behind him? At any rate, almost every freshman received a sincere welcome, in one form or another.

After the clean-up committee completed their job, the gym was quickly prepared for the dance. The only trace of what had proceeded was a damp floor and a few wet heads.

CHAIRMEN OF RECEPTION: Jody Body, Bob Lanza, John Martin.

At the clean-up job is Patty Huntsman.

Remains of a joyful evening.

David Naramore does a strip-tease!

Doesn't Jerry Goss make a very clean baby, everyone?

Whipped cream-faced Diane Murray.

As you can see — some freshmen like onions and others don't like them.

# Latin Club

Gathering together as a group of students interested in the culture, politics, and history of Italy and its surrounding islands, as well as its ancient language, the members of the Latin Club participate in many Latin-oriented projects. This spring they held a wonderful Roman banquet. The original Roman garments plus the hard-working slaves made the night a gala affair. Latin Club activities at other times this year were food sales and candy sales, as well as a party at Christmas to usher in the festive season.

OFFICERS: *Left-Right:* Jill Mosher, Consul; Pam Morse, Treasurer; Kathy Milard, Aedile; Beth Ricketts, Aedile; Andy Fowler, Consul.

Lisa Johnston dishes up a pickle for Don Guyette.

# Spanish Club

Once again this year the Spanish Club held their fabulous Pickle sale. The sale was a success, besides the fact that too many stomachs were also successful.

The club meets once a month in room 21, to discuss the culture of Spain and finds out ways the members might relate these customs to their everyday lives.

OFFICERS: *Left-Right:* Bill Frank, Treasurer; Lisa Johnston, President; David Buzzi, Vice-president; Marcia Clark, Secretary.

# Christmas Ball

Amidst colorful lights, Christmas trees, wooden fences and a gigantic chimney a Winter Wonderland emerged. This was the evening of the 1969 Christmas Ball, the annual semi-formal dance sponsored by the Student Council. The couples danced to the music of The Blue Cloud.

As the night grew to an end, everyone there had some feeling of the Christmas Spirit and were very grateful for such a joyous evening.

1st Row, Left to Right: Paula Downing, Betsy Colby, Cindy Wells, Steve Young, Debbie Curtis. 2nd Row: Vicki Wells, Debbie LaCourse, Olin Buska, Tom Sargent, Tim Chapin, Mona Copeland. 3rd Row: Gary Muretta, Patty Ayer, Shelley Fenno, Valerie Utton, Joan Young, John McIntyre, Dan Newhall. 4th Row: Ron Bressette, Mike Boardman, Mike Cody, Cindy Martin, Debbie Thomas, Darlene Chapin, Linda Martin, Bob Lanza — vice president. 5th Row: Steve Donnelly, Terri Crowthers, Linda Houghton, Debbie Miller, Debbie Chisholm, Joan Dubois, Chris Redmond, Jody Boyd, Paula Fleck. 6th Row: Dick Weiss — president, Karen Grout — secretary, John Randall, Jeff Dowan, Peter Johnson, Brent Curtis, Greg Nash, Aime Jassman, George Willey.

Each year the Student Council meets with renewed criticism from teacher and student alike in its jurisdiction and radical philosophies. This year has been no exception, yet a new element has come into being — student response. The response to a suggested Student Court was not a welcoming one, but it was there. The death of any sort of dress code was met by a unanimous response — "Great!"

The Student Council sponsored its annual Christmas Ball and Winter Carnival with success and a few unusual twists. There is no one pat definition of the Student Council. It is there, it is angry, but most important, willing.

See Shelley Walker, she is the treasurer.

Our illustrious president rushes to aid the riot squad.

Dick Weiss crowns Dan Ayer king of the Winter Carnival.

# National Honor Society

OFFICERS: *Left-Right:* Debbie Chisholm, President; Janet McClean, Treasurer; Debbie Miller, Secretary; Suzanne Goulet, Vice-President.

The Honor Society is a rather aloof organization that recognizes only a few students as worthy of its standards. These are the students who are able to mix their academic and social lives successfully. They fully realize the necessity of a strong education as well as a well-rounded social life. Members of the National Honor Society deserve recognition as outstanding students and promising citizens.

# Winter Carnival

For the third consecutive year, the Student Council sponsored the Winter Carnival. The theme was "Kartoon Karnival."

After a week of snow sculpturing; skiing, skating, and basketball competitions, a king and queen were selected. This year's queen was Mary Carpenter and Danny Ayer was crowned king.

Concluding the week, a dance was held where the famed "Archies" band played.

All-in-all the week was fun and competitive for all who participated.

The French Club once again held its fabulous French Supper. The many who went enjoyed themselves immensely and the food was delicious.

The purpose of the French Club is to take what is learned in the classroom and apply it to real circumstances; to make it come alive by practical use, making the learning of French an interesting and meaningful pursuit.

LIBRARIANS: Mrs. Cassort and Mrs. Osgood.

## Library Staff

Each day Mrs. Cassort and her cohorts huddle together behind her desk to discuss the day's plan of strategy. Then they file to the library door. enmasse, and converge on a sleepy, unsuspecting student body.

Aside from the unpleasant art of collecting fines, the library staff is an able group of people eager to explain the absence of a book you need so badly. they also point out a book that has been embarrassingly placed in front of your nose.

The library staff runs a tight ship with an unbeatable set of rules and regulations. As students progress in their years of high school they become more appreciative. Perhaps that is somewhat of a consolation!

Steve and Mary study in the library.

# Pep Club and Psyche Squad

It would not be exaggerating to say that the Montpelier High School has not displayed the overwhelming support at football and basketball games in past years that it has shown during this school year. A newly formed variation of the Pep Squad, the Psyche Squad has played a vital role in the success of Coach Drew's basketball wonders. The entire student body, faculty, and administration applauded the efforts of these two groups. They have proven that a sincere school spirit does indeed exist at M.H.S.

Left to Right: Paula Candy, Vice-president; Margie Leland, Secretary; Beth Ricketts, Treasurer; Janet Greene, President.

Left to Right: Eileen Wilson, secretary; Ronda Piro, vice-president; Darlene Carey, president; Nancy Flanagan, publicity; Judy Garand, treasurer.

The Girls' Athletic Association is an organization designed to promote athletic activities not only within this school, but also in competition with other schools in the area. The following are some of the sports: field hockey, football, soccer, volleyball, basketball, tennis, softball, golf. An advisor is appointed for each sport, whose duties include checking to see that the equipment is in order and to be present on the designated nights for participation.

The organization provides a form of relaxation and a chance to enjoy yourself while doing something that interests you. At the same time, you learn to associate with others who share the same interest. However, the most important thing that you realize and practice is the real meaning of sportsmanship, which makes the organization what it truly is.

## Model U.N.

Delegates Steve Donnelly and Suzanne Goulet.

# Secretarial Club

OFFICERS: L.-R.: Kathy Healy, Sally Granger, Nancy Bork, Marybeth Hickey.

Few students ever really get prepared for the cold world after high school. But the members of the Secretarial Club get a head start in the world of business under the leadership of Mrs. Marsh. Office work and tired feet — both seem to be a part of the profession these girls have chosen. This year the Secretarial Club is working to raise funds for a local charity. They have held several food sales and a banquet with this end in mind.

Mrs. Sancibrian breaks down and buys a few goodies to finish out the day.

# Cafeteria Staff

The meals are great and smiles abound. Can anyone ever do justice to the cafeteria staff? Perhaps in a small way, by saying that complaints are few in number and seldom given in a serious manner. The school cafeteria will never be considered a second home, but the hot food and good cheer are appreciated by all who find themselves there for twenty minutes each day.

# Boys' and Girls' State

Left to Right: Janet Greene, Chris Smith, Debbie Miller, Debbie Chisholm, Ruth Ayer.

Left to Right, Standing: Chris Dale, Steve Donnelly, Steve Clark. Seated: Nels Ericson, Cliff Mix, John Martin, Dave Cate.

## Future Teachers of America

The purpose of the F.T.A. is to lighten the interests of many different students in the teaching profession, and at the same time to give them experience in this area. The members of the F.T.A. learn about many facts of teaching thru making up test, grading exams and arranging material for a teacher's approval.

By assisting the teachers of today the F.T.A. members prepare themselves to be teachers of tomorrow.

# Collegium Musicum

Collegium is more than a singing group — it is a mood, a way of life. Bound together by a love of 16th century sacred music, the members exist amidst the never-ending strains of Bach, Mozart and others. Under the influence of these great composers, they constantly strive to recreate the emotion, as well as the sound, of the music they perform. And through the intermingling of each individual's voice, personality, and feelings, Collegium attains its goal.

# Chorus

Proving once again that singing is a popular entertainment, the M.H.S. Chorus did 3 superb concerts plus a Musical Review in the fall.

From the money earned through these performances the group bought a new set of risers. Also at the end of school the chorus enjoyed a Day-Outing.

# Masque

Take a successful Broadway play, a creative demanding director and a group of inexperienced but willing adolescent thespians, and the result may be smashing but certainly interesting. The turnout for tryouts for "If A Man Answers" in Oct. was amazingly large. Bill Cody and Paula Candy received the lead roles. After weeks of rehearsals the group presented their masterpiece on three nights in November. Later on in the spring "My Fair Lady" was selected as the spring musical. The show was a smash hit. Once again the M.H.S. Masque proved to have talent within its organization that was exceptionally good.

## Stage Crew

The Montpelier High School Stage Crew was formed this year, under the direction of the faculty advisor, Mr. Bateman, to operate the complex lighting and sound equipment in Smilie Memorial Auditorium.

The Stage Crew has created lighting and sound effects for the following productions this year: the Masque play "If A Man Answers," the faculty play "Here's Love," the student-directed One-Act Plays, the Band Concert, and the Chorus Concert.

The Stage Crew has also constructed scenery and assisted in the technical aspects of the various presentations, and has recircuited much of the lighting board in order to provide greater variety and flexibility in lighting effects.

In addition, the Stage Crew installed and operated the special pre-game lighting effects at the home basketball games.

Members are: Don Edson, Edro Cecchini, Michael Poulin, John Truchon, Brad Walker, Peter Walker, Kim Wortman.

Newly formed last year, the Interstate Exchange is a group of students, primarily sophomores and juniors, whose purpose is to plan an exchange with another school somewhere on the North American Continent.

Last year twelve students from the group went to Wheaton, Illinois; this year a group went to Quebec, Canada.

As a result of both trips, the exchangers learned more extensively about the government, culture and environment of their home land and Canada.

These students raised money for the trips thru candy sales, paddle-pop sales, and food sales.

# Record Staff 1970

Who would rather throw time out the window than the members of the *Record* Staff? They live in a world of deadlines and calendar pages. Nerves ride on the ticking of the minute hand.

When the book is completed, the sigh heard 'round the world is only that of a deflated *Record* staff. After months of writer's cramps and printer's ink, they must sit and wait. Everyone waits, for the result and the reaction. Good or bad, the *Record* staff will be recognized for their efforts and devotion.

Well, this year the golf team made it to the sports section of this book. The girls and boys played fine golf this fall and spring and had a lot of fun while representing M.H.S. With four experienced lettermen returning, some practice this summer, and a few new students to complete the squad, the 1971 golf team should ace the courses.

So *this* is Marlboro Country

Dave Clemons and Don Murrary discuss the weather?

The temperature is hovering around 40° and the wind is blowing briskly. You are standing there jumping up and down waging an unsuccessful battle against the goose bumps that cover your arms and legs. Bitter memories? Not for "the boys who run through the woods in their underwear" better known as the Cross-Country Team.

Although all of this is a part of Cross Country, as are wind sprints, time trials, and long practices, they become insignificant when compared to what these boys have gained from participating in this seldom popularized sport. Distance winning requires a tremendous amount of self-discipline and desire. After hours of hard work and practice, the reward comes in their meet when each boy has the satisfaction of representing his school and of crossing that finish line, whether he be first or last.

# Varsity Football

It was a lively, spirited, and much improved Solons football team that took the field against Northern League opponents this season. After some tough losses early in the season and a few position changes, the Solons came alive on a rain-soaked and mud-covered field behind our school where highly rated Rice fell victim to Montpelier's devastating football machine. The following week the Solons defeated Spaulding, our chief rival. The exciting brand of football displayed by the Solons this year will be remembered for years to come. With no less than eight defensive starters and an equal number of offensive stalwarts returning next season, the Solons' flag should fly high over M.H.S.

Although the girls' ski team has been in existence for a mere two seasons, this year it produced a group of girls totally devoted to the low temperatures and endless slopes.

The ten girls participated in cross-country, giant slalom, and slalom skiing events. Freshman Patty Huntsman was an invaluable member in cross-country. An experienced racer, Marilyn Rose proved her worth where she took high honors in all of her races.

The girls' ski team looks forward to many more successful seasons. They can lay claim to an already impressive list of events: C.V.U. — 2 cross-country meets; Middlebury Snow Bowl — 2 giant slalom and slalom; Northeast Ski Tows — giant slalom; Bolton Valley — giant slalom and slalom; St. Johnsbury — cross country and giant slalom; Glen Ellen — giant slalom; Montpelier — cross-country.

Posting a regular season's record of 13 wins and 5 losses and a tourney record of 3 wins and 1 loss the 69-70 edition of the Montpelier High Solons provided their fans with plenty of exciting basketball.

Highlights of the season included an eight game winning streak after losing their opener and a five game winning streak at the end of the season with streaks being terminated by Rice Memorial High School, the number one team in the state. Games that brought the greatest excitement would have to have been the two decisive wins over arch-rival, Spaulding, the 61-62 loss to Rice, and the three two point victories in tourney play over St. Johnsbury Academy, Winooski, and Mt. Anthony of Bennington.

## Varsity Basketball

Looking at the team statistics for the season, the Solons shot a creditable 512 for 1182 for a floor percentage of .432 and from the foul line hit on 207 shots out of 427 for a respectable .632. The team outscored its opposition 1294 to 1104 thus allowing them fifty points per game while scoring slightly over fifty-eight points a game themselves. The rebounding statistics were very even with the opponents pulling down 797 and the locals getting an even 800. This figure becomes rather remarkable when we consider that no Solon reached over the six foot mark in height.

Individually, the members of the squad contributed a great amount to the success of the team. Bill Cody sported the finest field goal percentage, hitting 103 shots out of 208 attempts for an excellent .495 percent. Paul Bowles was second in this category with an even 400. In the all important foul shooting department, Paul also had the team's top percentage with .714 on 45 shots out of 63. Steve Donnelly was close with a .687 figure. In the rebounding statistics Steve excelled with 211 rebounds and Jamie Seiwright placed second with 160. Both figures represent excellent marks as continually the two players were being challenged by opponents many inches taller.

And away we go. Paul for two.

Steve challenges.

The intent bench.

Another statistic of great meaning is the assist mark where guard, Bowles, led his team with 102. Mike Cody placed second with 87. In the final statistics we find that the principle of the team in scoring with 265 points followed closely by Paul Bowles' 257. Mike Cody had 229, Jamie Seivwright scored 188, and Steve Donnelly came through with 138. The two top reserves in this category were Peter Dale with 96 and Kim Phalen with 57.

Looking for the next season the Solons could field another winning team. Although the Northern League appears to present many good and veteran clubs for another year, the representatives from Montpelier High School should be in the thick of the battle for league and state honors.

Mike on the move.

Dale on the defense.

As a final note, it is to the credit of the team as a whole and the captain, Steve Donnelly, in particular, that the 1969-70 addition of Solons basketball went as far as they did, under at times some rather difficult situations. With speed, hustle, desire, and defense, the boys presented their fans with exciting and successful basketball.

# My Fair Lady

It seemed only a dream when Masque announced their spring production in February. By March the cast and crews had been chosen and the work on *My Fair Lady* began. Mr. Pelkey and Mr. Stimmel worked hard separately and then together with their cast of forty.

The story of an English flower girl transformed into a lady of society took place in London at the turn of the century. Beth Ricketts was cast as Eliza Doolittle, the flower girl. Other leads were Larry Keyes as Prof. Henry Higgins, Jim White as Col. Pickering, Higgins' friend, and Dan Moulton as Alfred P. Doolittle, Eliza's father.

But the acting and singing were only a small part of the production. Props had to be found, two revolving sets and one stationary set had to be painted, and over 150 costumes had to be found or made. Publicity went out and tickets were sold. The various crews worked overtime for two months and finally pulled the whole show together in the end.

Lines and music were learned, costumes and makeup were on and the set still shone with its last coat of paint as the curtain went up on May 14. The production was put on May 14 and 15, playing both nights to full houses, a sight rarely seen by the MHS Masque. Their goal was accomplished. What had been a dream in February became a reality in May.

# One-Act Plays

The One-Act Plays, which the Masque presents each year, have always been a highlight for those participating in the Masque's activities. The One-Acts provide for those interested in drama the chance to direct the play of their choice. This year there were three plays, which brought enjoyment to all who took part in, or saw, these plays.

"The Sisters McIntosh"

"Where'd he go, Lizzie?"

"Now that's Uncle . . ."

"I'll drink to that!"

"People in the Wind"

"Come on, baby."

"Quiet, Please!"

Keep it clean, Jud!

"Get it away!"

## Tennis Teams

The newly organized tennis teams at MHS represent more in the total effort than most people realize. Behind the scenes one finds many hours of tedious and rigorous practice. These hours of practice were contributed by those actively participating in the match as well as those who knew they might not be playing. The tennis teams fill an important gap in the sports program at MHS. One is awakened to the diversity of people contributing to the whole of MHS. when he sees such a team in action.

## Golf Team

When the snow finally melts and the grass begins to grow the MHS golf team gets out the clubs again. Fresh air, sun and newly clipped greens entice the golfers into practicing their game. Golf is becoming a popular game for men and women of all ages. The members of the golf team have a sport that they can continue to enjoy long after their school days are over.

# Varsity Baseball

The pitcher winds up and lets it go . . . the excitement felt by the batter at this moment is probably the most sensational aspect of the game of baseball. His actions a split-second after the pitch are a deciding factor. He will either experience moments of triumph or moments of fear that he may also miss the next one . . .

Self-consciousness is not a trait of the baseball player. He is both eager to succeed and to learn. A game may lead either to glory or to an intensified resolve to do better the next time. Of course, glory is the more pleasant result, but the ability to cope with the harder times is one of the most important measures of the well-rounded baseball player.

## *J. V. Baseball*

The Junior Varsity baseball team closed the season with a very commendable record. These boys are the Varsity team of next year and the future. They practiced hard, looking forward both to their games and to the years ahead. If at any time they wondered if all their work was worth it, their success in 1971 certainly answered the question.

## Boys' Track Team

Determination, a lust for adventure, and a devotion to the outdoors are the characteristics of members of any good track team. The task is equally as tough for the mind as for the body. But, each is nothing without the other. The body and the mind, with the three qualities imbedded in each, must unite for a good showing in any event. Only after this totality will the reward be known.

*Back row:* Doug Singleton, Dave Drake, Tom Leene, Mark Walker, Jack White, Dan Montgomery, Jim Thompson, Steve Koenemann, Brent Curtis, Pete Dale, Mike Tosi, Mark Seguin, Jim O'Connell, Kevin Andrews. *Third row:* Louis Barbero, Dan Brooks, Even Ellerson, Ned Battey, Dave Pitonayck, Pete Tomasi, Randy Joslin, Steve Bernedi, Terry Mitchell, Jerry Goss, Tim Allen, Mark Marineau, Dave Bellini, Chris Graves, Tim Bouton. *Second row:* Mike Percy, Don Gove, Dan Roselli, Ron Chadwick, Denny Semprebbon, Mark Canavan, Ken Ferris, Steve Smith, Jamie Seivwright, Jeff Gerstenblatt, Bill Burgess, Phil Cecchini, Randy Jenkins. *Front row:* Tim Healy, Dean Yates, Bob Smith, Bill Schillhammer, George Grout, Jim Huntsman, Jim White, Paul Anderson.

"This shot could do it?"

Up and over! — Kevin O'Connell

"Just a little further!"

Looking good!

## *Girls' Track Team*

The girls' track team, along with the other girls' teams, has opened the door to the development of new or hitherto undiscovered talents in the athletic realm. The team fulfills a definite need at MHS, as it attracts many girls of many different types.

The season could be said to have served as a time of preparation for next year, when the fully-blossomed abilities of these girls will show their true selves.

*Back row:* Karen Grandfield, Rene Brousseau, Sue Seamans, Mary Blouin, Ann Fernandez, Sarah Carpenter, Sue Gomez, Marge Percy, Kris Carlson, Betsy McCarthy, Liz Isham, Pat Huntsman, Jody Pratt, Priscilla White, Cindy Griffin. *Front row:* Lori Brigham, Mary Lou Coates, Judi Joslin, Rita Dawson, Lynn Sykas, Patty Magnant, Liz Sargent, Melanie Sargent, Zoe Peterson, Cheryl Smith, Donna Marineau, Linda Merriman.

## Once Upon a Mattress

The Masque's spring production is always one of the most anticipated occasions of the year, and 1971 was no exception. This organization staged a musical based on the fairy tale "The Princess and the Pea." For the simple reason that a musical *is* musical, the Masque needed actors and actresses who could also sing. After many tryouts, disappointments and astonishments, those chosen to take the parts played their roles brilliantly. Each night they made their audience a true part of the story, and made them believe that "everyone lived happily ever after."

"What a laugh!"

"Listen to your mother!"

"But I *am* a real princess!"

"Good grief!"

"It's a bird, it's a . . ."

"I said page 124!"

"Am I a damsel or a dunce?"

"Is this the right one?"

"I think I'm supposed to be on!"

"I wear the pants around here!"

Second row: John Hudson, Marjie Leland, Marilyn Rose, Barb DeForge, Kathy Millard, Linda Houghton, Beth Ricketts, Marcia Clark. ## Silver "M"

When a person receives the highest honor that can be bestowed upon him, he is filled with a sense of accomplishment. He realizes that his years of hard work have not gone unnoticed.

The Silver "M" is such an honor. The recipients of this award are truly the leaders of yesterday, today and tomorrow.

## National Honor Society 1971 Inductees

Once again this year our top students were recognized by the National Honor Society for their scholastic achievements. With this distinction, they are also accorded respect for their leadership, strength of character and overall quality.

The students inducted this year, as well as those who became members earlier, have, academically, found their place at the top.

Standing: Debbie Groff, Connie Carnahan, Mary Caparco, James Knapp, Marjie Leland, Lea Sikora, Sue Brooks, Tony Segale, Steve Miller, Mike Cody, Ken Ferris, Paul Knapp, Doug Barney, Paul Bowles, Rex Martin, Bill Schillhammer, Jane Dwinell, Debbie Lowe, Sue Betit, Kim Butler, Mr. Palermo, Advisor. ## *Senior Vespers*

Senior Vespers was the last thing the class of 1971 would do as a whole before graduation. The exercises that night advanced us one step closer to the finality of our high school education and to the awaiting world.

## Graduation

Valedictorian — Bill Cody

As we marched to the steady beat of "Pomp and Circumstance," we were forced to believe that our high school days had ended. Prior to this time, we failed to see this as a reality.

Yet as we filed toward our awaiting families and friends, memories and vivid impressions flooded over us, and we could not avoid it.

1971

Salutatorian — Beth Jackman

We turned to our fellow classmates, even though some we had never really known, we knew we would miss them and wondered why. As we listened to the speeches and the congratulations,

we realized that we were the ones being commended. We were proud, both of ourselves and our friends. But, a barely audible sob from the audience once again filled us with nostalgia.

With our graduation, we have completed a major chapter in our lives. We have become aware that we can no longer live in the past, but must follow our rivers and discover why we live.
