Dedication

Ronald S. Goodwin

December 2, 1956-May 23, 1972

It was very strange
Seeing Ron every day
For years and then
Being told
That we'd never see him again.
His presence was missed.
And for the first time
For many of us
Death touched to earth
And became human
And immediate.
Through our sorrow and loss
Maybe we have been taught
To live every minute
Love every second
And give thanks for being alive.
Like Ron did.

Matthew S. Wemitt

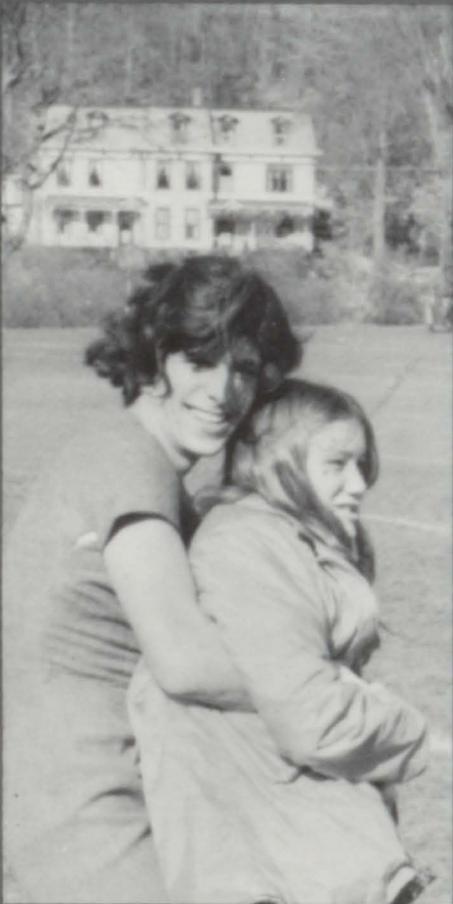

January 19, 1957-July 16, 1973

When life is pain
And love is strange
And the wind blows lonely
And empty,
I'll remember you, Matthew.

When people turn away
And forget me
In my time,
When the sun brings no wonder,
I'll remember you Matthew.

Life hurt you
But you grew out from under
That pain
And were happy; the wind
Blew your hair
You were a shiny blue vision.
But the vision crashed
And blurred
And faded away.

But sometimes,
In myself
I see your eyes filled with light
And I smile.
I just want to say,
I'll always remember you, Matthew.

Every day is reduced

To memory;

We will never see this day

Again.

It is a brief visitor,

But one worth all of the energy

We can muster,

And all of the love

We can manage.

What better time

Than now?

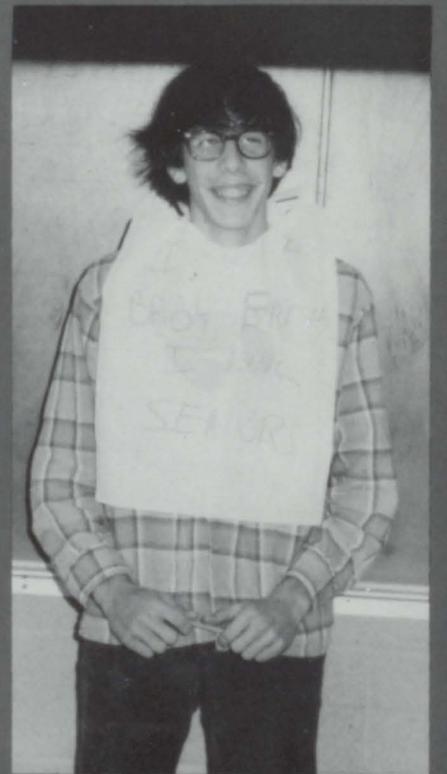

What better ocean to cross

Than this one that

Laps at our feet,

With waves

That catch the sun?

Teachers were our first real contact with the adult world outside our families. It has taken years to lose our awe and to respect them as fellow human beings. As children, we saw them as omnipotent beings, possessing limitless wisdom. We were shocked to see them outside of the school environment.

Now, many of them are our friends. We are fortunate at Montpelier High School to have a faculty that is responsive to our needs, inside the classroom and out. They have dedicated themselves to our growth, personally as well as scholastically.

FACULTY

Here today — gone tomorrow. Four short but action-packed years. Normally a person's own life has a sufficient amount of the unexpected and the unusual to cope with during a period of life-time. But added to this, in brief, please take a look at what you, the Class of '75, have experienced since entering M.H.S. in September, 1971: the winding down and end to the Viet Nam conflict, successful moon space voyages, drug problems, economic boom to recession, inflation, major move toward zero population growth, Watergate, energy crisis, resignation of a U.S. President, Women's Lib, Kissinger diplomacy, co-ed college dorms, world food shortages, and the social phenomenon — streaking.

This points out very vividly that our greatest challenge today is not change in itself but rather the RATE at which change takes place.

As aspiring young people in the mid-seventies, your goal will be to take this challenge in stride, make your contribution to society a positive one, and fulfill your personal aim to a degree that gives you satisfaction on a job well done.

Congratulations and my best wishes for years of continued success.

Charles B. Johnson
Superintendent

While countless words and thought-provoking phrases have been pronounced over the years wishing class after class of seniors well being and success, there remains but the simple Truth to be uttered and refined for you in our time. As said by an editor of the Record over seventy years ago and paraphrased now: Wherever you may go along whatever path Life has extended for you, put your whole heart into it and strive faithfully to learn each minute detail. For in proportion to the knowledge you obtain will stand the chances for your success.

Good Luck and Godspeed.

Bruce E. Stewart, Jr.
Principal

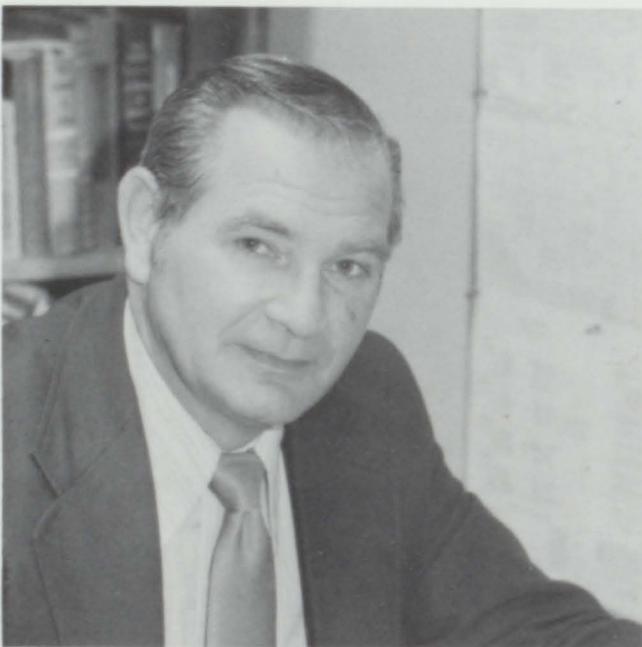

Seniors, remember way back in 1971 when we were both Freshmen rookies at M.H.S.? We've come a long way together.

Now that you are about to begin another milestone in your life, I would like to make one final request of each and everyone of you.

BE YOURSELF: Think for yourself, don't ever be a phoney, let the world accept you as you are. **BE A REALIST:** Realize that you can't be all things to all people. Concentrate on your goals and priorities. **BOUNCE BACK:** You're going to get knocked on your behind a few times. Pick yourself up, dust yourself off and start all over again. **BE TOLERANT:** Of everyone, remember, they're all human beings. Learn to tolerate the weaknesses and shortcomings of others. Be tolerant of the very young and the very old. We have our special problems, too.

Congratulations to all of you; I shall miss all of you, my class.

For some,
It may take time
For the memories
To become sweet.
We are caught
In the mainstream
Of today,
Maybe unable to see
Things in perspective
As a whole.
We can never go back,
But we should never forget
Or sit back and relax.
Every day is meant for living,
And maybe soon
We can look back at these days
And smile a little
Even a lot.

Boys' And Girls' State

Perhaps they will be our future leaders — that is the premise on which the Boys' and Girls' State operate. Through a week of meeting people, forming political parties, and participating in the running of their own mock districts, delegates have fun and learn about the principles upon which our social systems operate.

Carry with us, these
Times that mark our lives
Long after
They are gone.

On the evenings of October 21 and 22, as the snow fell outside, the doors were opened to Smilie Auditorium and to the lives of people in a basement apartment of an old house in Greenwich Village. Eight performers and innumerable others were on hand to transform the immediate world to one of compassion and intrigue. Through a blind girl, a rag doll filled with heroin and many disarming and pleasant encounters, WAIT UNTIL DARK was recreated. The minds and emotions of few reflected, momentarily, the lives of many. Once again, the Masque had captured the essence of Shakespeare's words, "All The World's a Stage . . ."

A Note Of Appreciation

For the past several years, M.H.S. has had a Masque. It has been an asset not only to the school, but also to the city of Montpelier. The group has performed a number of plays that no one thought would work, because they were a challenge, because teenagers are not capable of such hard work. Yet, these plays have been performed and are a great source of pride to many of us. No attempt could ever have been made save for two men, Mr. Miana and Mr. Pelkey. They have given their time and knowledge. They have dedicated themselves to showing that those faithless pessimists are wrong: Not only can the Masque do challenging works, but they can be professionals who do justice to the plays they perform. This is a thanks to those two men, whose faith and guidance have shown us that they are not only dedicated teachers, but fine human beings as well.

Advisors Mr. Miana and Mr. Pelkey

Junior Miss

In its strictest sense, the day of the beauty pageant is over. During Montpelier's pageant, girls were judged for poise, talent, and scholastic ability; those things necessary for a well-rounded individual. The judges' choice was Wendy Galbreath, M.H.S.'s budding artist.

From Masque to F.T.A., from Spanish Club to Interstate Exchange . . . there are ample opportunities at M.H.S. for us to express ourselves, and activities play a crucial part. They make our lives at school enjoyable and personally profitable; we can follow our own interests and learn our own capabilities.

But most of all, extracurricular activities are meant for fun, for a break from school routine. At our school, there is little reason to complain of boredom, though many seem to. That's life!

Secretarial Club

As usual, the Secretarial Club's Christmas crafts sale was a great success. Aside from this, the club also had a number of bake sales. The whole idea behind the Secretarial Club is to acquaint its members with the ins and outs of business. This year, the club has been especially active.

The Secretarial Club

F.B.L.A.

F.B.L.A. serves as an effective means of bringing students together to deal with vocational preparation, national problems, community improvement, and worthwhile relationships with local, state, and national groups interested in the welfare of youth. One of the major objectives of F.B.L.A. is to develop self-confidence and strong, aggressive business leadership so that these future businessmen and women may participate more effectively in the business and community life of which they are soon to be an integral part.

Spanish Club

As always, los españoles have been very active at M.H.S. With proceeds from many money-raising projects, the club has been able to treat itself to Spanish parties, as well as to donate sizeable amounts of their earnings to charity at Christmas and Easter. The club also earned enough money to go out to dinner at one of the area restaurants specializing in Latin-American foods.

The Spanish Club

Latin Club

Those great purporters of the Roman Tradition have been a bit slack in their activities this year; however, their gala feast is an event that redeems them in everyone's eyes. Food, glorious food! E Pluribus Unum!

The M.H.S. Band

The Band, though small this year, has earned a great deal of recognition not only musically, but by their dedication and drive in raising money for new concert and parade uniforms. Mr. Davidian has instilled pride in the band, as shown by their exciting performances, featuring contemporary pieces and challenging works that would never have been attempted before he came.

VARSITY TWIRLERS

Under the lively leadership of Sue Preble, the Varsity Twirlers have had a great season. Even the fans of the "enemy" enjoy their entertaining half-time routines. Twirling requires a great deal of poise and coordination. It's clear that these girls have got it!

J.V. Twirlers

Aside from the scandal ensuing from their choice of uniforms, the J.V. Twirlers show much promise and talent. Glibly twirling and tossing their batons, they prove that the players aren't the only athletes at home games.

Back Row: Lori Grout, Joan Zorzi, Sarah Stone, Barb Couture. Middle Row: Michelle Pinard, Pam Fresolo. Front: Debbi Mercier.

The M.H.S. Chorus

Chorus

With 80 members this year, the Chorus has become an impressive musical group. Miss Perry has done a phenomenal job, grooming the group into professional-sounding, dedicated musicians. In addition to a successful television appearance and Christmas concert, the Chorus has three concerts back-to-back this spring: the Scholarship, Exchange, and Spring Concerts.

Miss Perry

Sing, girls!

Collegium Musicum

Collegium Musicum

Collegium, a madrigal group, has returned to M.H.S., thanks to Miss Perry. There are sixteen of our best singers and musical technicians in the group, whose performances have proven to be of professional quality. Collegium is an accredited course, wherein the history of madrigal music is studied, as well as its technical aspects.

Having fun in chorus

The D.E.C.A. Club

decorates our lobby with its lively store front, and gives our M.H.S. hangers ample space to lean on. The club started a school store, The Hut, which was run by the student members. Unfortunately, due to current economic conditions the Hut fell as a victim of inflation, just as many other small businesses have. It was not for lack of effort, however, and D.E.C.A. remains one of the most active clubs in school, perhaps because it is so vocationally oriented. We need more of that here.

Advisor Mr. Ste. Marie, Jim Jarvis, Secretary Alice Walbridge, Diane Vivian, Sally Fenoff, President Steve Bousquet, and Treasurer Jean Holmes.

Jim and Alice

The Hut is a very busy place.

A.F.S. is a feeling among people . . . It is an active feeling shared by President Doug Haley, the M.H.S. club, and Advisor Mr. Evans. It is a feeling for the worlds and lives of Switzerland and Colombia for returnees Bill Durkee and Candace Grout. It is a new world for Jesus Menendez of Gijon, Spain. And for Mary Lynn Augustoni, A.F.S. is future times with new people, new places, and valuable experiences. A.F.S. is friendship and love around the world for all people . . . The spirit of A.F.S. is within everyone. A.F.S.: "Walk together, Talk together."

F.T.A.

F.T.A. if you didn't already know, stands for Future Teachers of America. It is admirable that the members are sure of what they want to do. They get practice by helping teachers at Montpelier's various schools. So, in addition to doing the things they like, they are also an asset to the community.

V. Pres. Patti Nelson, Sec. Anne Hutchinson, Ellen Vaughan, Bryan Cooley, Treas. Vickie Kay, Advisor Mr. Blakeman.

Library Aides

The library aides have proven to be a great asset to Mrs. Cassort and the school. They help students locate information and free Mrs. Cassort to do important work, while learning the functions of a library, one of our most educational resources.

The Library Aides with Mrs. Cassort

The Masque

The Masque Officers and Advisors

Masque

"Mankind's endurance is its saving grace." Every play starts with a problem. At the end comes some resolution. In between, a playwright, either comedian or dramatist, wants to show a facet of human life, an isolated emotion out of everyday existence, and how through torture or laughter, the characters come to terms with themselves. Drama is an art in its pure form — directly derived from life. The members of the Masque are artists, both the performers and crews, for they bring these bits of life to the audience with precision, dedication, and of course, talent.

Scavenger

Our school newspaper has truly come of age. Under the leadership of Becky Dickinson, "The Scavenger" has become the school's free press, bridging the gap between students and faculty, as well as giving many people the opportunity to display their talent at writing and cartooning. As students, we have the right to air our views, and the paper has become the ideal vehicle for this. Let's hope that apathy does not destroy this for future students.

The Scavenger Staff

Thanks to a dynamic, outspoken student body and its elected representatives, Student Council has made significant gains in communications with the administration. With an impressive treasury and such projects as the river clean-up behind them, they have truly left a legacy for future councils to uphold.

Debate Club

This year, the Debate Club (comprised of the debate team and forensics team) had an active and successful season. This was due to increased membership on both teams and the realization that only through practice can you really improve to a high competition level. The club sponsored a large debate tournament in January and acted as host for the 1975 State forensics meet in March. Aside from this, the club was a major contender in all Vermont tournaments and appreciated the increased school interest in these rather unique activities.

The Debate Club and Forensics Club

Pres. Cindy Gomez, V. Pres. Dan Ricketts, Sec. Maureen Horan, Treas. Candy Wood, Advisor Mr. Palermo.

National Honor Society

The National Honor Society is well on its way to becoming one of the schools most active groups. They have been working on a treasury, launched a successful tutoring program, circulated questionnaires for the city, and have also participated in the Dollars For Scholars drive. As President Cindy Gomez says, "It's about time that these students who are SUPPOSED to be outstanding really got out and did things for the school and community, instead of believing that their mere existence does everybody a favor."

The M.H.S. Stage

Crew is never seen, but always busy behind the scenes taking care of the technical aspects of the Masque productions, the Jr. Miss Pageant, the teachers' production, the Follies, and all concerts and assemblies held in the Smilie Auditorium. In addition, the Stage Crew operated P.A. facilities at all home basketball and football games, as well as lighting effects and videotaping of the home basketball games. It is easy to see what a great asset the group is to both the school and the community.

The M.H.S. Stage Crew

Aeronautics

Rockets are a part of our society. At M.H.S., we have a number of students who are interested in their technological aspects, as well as those of airplanes. How many of us know how an airplane works or how to build a model of one without a plastic kit? These members do, and they mirror our society's involvement in the Space Age.

The Aeronautics Club

Chess Club

Chess is a thinking person's game, and the possibilities for improvement and further study into its strategies are endless. Sharing knowledge is a good way to learn. Ask the chess club members. By the way, have you ever heard of the famed Outer Mongolian Double-Up opening move?

The Chess Club

Ticket Squad

As always, the ticket squad has worked hard this year, under the dauntless leadership of M.H.S.'s foremost mathematician and good guy, Mr. Farnsworth. Well, they get into all the games free!

Front: Gerald Blow, Glory Boyd, Vickie Kay, Mr. Farnsworth. Back: Tony Bates, David Farnsworth, Patricia Nelson, Jim Conneman, Ellen Vaughan.

Interstate Exchange

This year, the Interstate Exchange students came from Fairlawn, New Jersey. Everybody was a little uncomfortable at first, but they loosened up really fast. The exchange not only acquaints students with other states, but also helps them learn more about their own. How many people in our school have ever been to a dairy farm? Well, the Interstate kids have! No trips would be possible without intense fund raising efforts. The club has done well on that score, with Advisor Mr. Duesing giving them a lot of support.

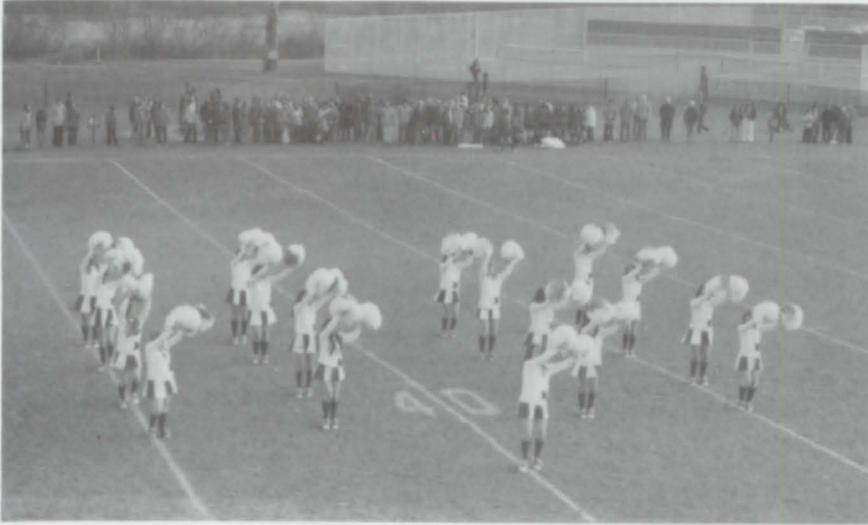

The Interstate Exchange Group

Treasurer Sandra Joslin, Secretary Nancy Carver, Co-Chairman Dawn Canavan, Advisor Mr. Duesing. Missing: Co-Chairman Sue Preble.

Pom Poms

The Pom Pom squad has really added a dash of excitement to the home football games this year. Under the leadership of Kathie Donnelly, star swisher of the Senior Class, the group has worked hard and added much variety to their routines. The squad gives many girls the opportunity to show their school spirit as well as their agility and rhythm.

Varsity Club

Who ARE those dashing young men and women in the green jackets at the basketball games? Are they M.H.S.'s CIA? Wrong! They are members of the Varsity Club, our school's outstanding athletes. They coerce us into buying programs with their good looks and keep us from trampling the players during games. They also sponsor Sock Hops and generally jazz up the halls on days of games. Their membership in the club indicates their achievements in sports, as well as their outstanding character.

Coach Morrison, Pres. Mark Nicholson, V. Pres. Charles Hull, Treas. Rick Wells, Sec. Ernie Flanders

The Gymnastic Team

The Gymnastics Team is very happy about their accomplishments this year, and with good reason. It was their first year in competition, and the girls did well in the three meets they attended. Two girls also attended an all-around meet. The word for the team this year has been "enthusiasm." Their coach, Nancy Davis, has done a fine job, and the team has only good words for her.

Every Monday, from late fall to early spring, the bowling team goes to Twin City Lanes and represents our school in the Interscholastic League. Under the organization of Coach Ray McClure, the program has been a great success. It's a sport for anyone who has time to spare and wants to make a strike in life.

The Bowling Team

Winning . . . losing . . . learning grace in both — that is what sports are all about. Not only do participants revel in personal efforts, but they learn to work as a team in many cases, rejoicing in its success, suffering for its failure. They gain respect for their teammates, as human beings as well as athletes.

And they give our school something to be proud of, a spirit of cooperation and a grand effort not only in their own behalf, but the school's as well.

THE VARSITY SEASON

The 1974-1975 edition of the MHS basketball Solons came up with another winning season; however, one that found winning a little more difficult than in previous years.

Posting an overall 12-10 record that included two State Tourney appearances and a fourth place finish in the tough Northern League, the boys gave a creditable accounting of themselves.

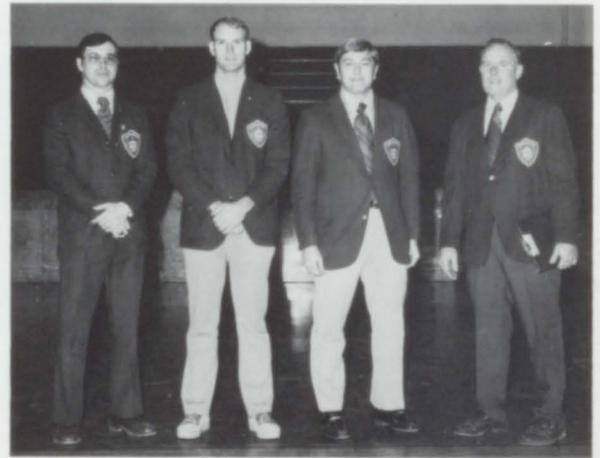

Returning only three veterans from last year's 18-4 team, much was going to depend upon the quick maturation of a number of new faces up from last year's Junior Varsity team. Although each boy gave a great amount of himself in contributing toward a winning season, it was not done without a certain amount of disappointment and frustration.

The high point of the season had to be the 65-37 win over Winooski in the first round of the tourney, thus making it to the quarterfinals of the Class L Tourney for the seventh straight year.

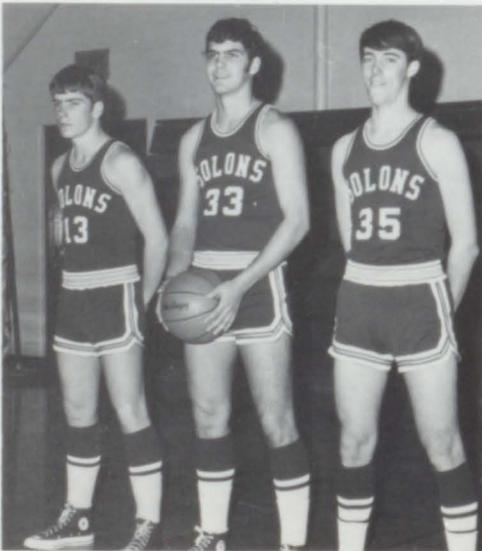

Individual statistics have not been finalized; however, the following players excelled in specific categories. Mike Bernardini and George Sabens were battling it out for the rebound leadership as well as for the field goal percentage crown. Mike Bernardini had the foul-shooting title wrapped up as he set an 80% pace. Brian Drew led all players in number of assists, while he and Jim McCarthy shared the best defensive award. The most valuable player award had not been voted upon by the team but it probably would be accorded one of the three playing Seniors: Mike Bernardini, Brian Drew, or Jim McCarthy. — By Coach Drew

Varsity Cheerleaders: Standing: Terri McDermott, Nancy Carver, Kathie Donnelly, Ginny Carpenter, Gail Facini, Brenda Mureta. Kneeling: Val Marineau, Liz Field.

Coaches: Steve Pinard, Paul Simpson, Fred Jacek, Len Drew

Returning Lettermen: Drew, Bernardini, McCarthy

Back: Jasman, McCarthy, McArdle, Sturtevant, Donnelly, Sabens, Bigelow, Molander. Front: Goodine, Goodwin, S. Drew, B. Drew, Bernardini, Yacavoni, Wilder, Coach Drew.

FRESHMAN BASKETBALL

With a record of five wins and nine losses, the year was not a great one for the Freshman squad, but they show a lot of promise and have three more years to develop their talent, both as individuals and as a team. They are our future, and we have nothing to worry about. In fact, MHS has much to look forward to.

GIRLS' BASKETBALL

This season was an exciting one. The teams showed tremendous improvement, and accordingly, the rest of MHS took more interest and provided a great deal of support. Generally, girls' athletics is gaining more recognition, and the teams are getting better each year. Enthusiasm from the fans, dedication of two fine coaches, plus their own high spirit spurred the Varsity on to their three victories, and the Jay-vees to their six victories.

Varsity: Back: Miccolo, Tormay, Lewis, Jangraw, Lincoln, Cecchini, Garand, Martin, Coach Gibson. Front: Wiley, Campbell, Quintin, Arey, Coletti, Daniels, Ball.

BOYS' SKI TEAM

As a rebuilding squad, the Boys' Ski Team has proven itself more than equal to the challenge. Both the alpine and cross-country squads have done well in their meets this year, and coaches Naess and Phillips are very proud of their effort. Eric Smith was chosen to be MHS's male representative in the State meet this year, and that honor was truly deserved.

Last Row: Schlosser, Gora, Bredice, Pinkham. 3rd Row: Pierce, Garside, Griffin, Romano, Flanders, Wright, Wheeler, Condon, Isham, Mahlman, Daamen. 2nd Row: Smith, Hull, Brigham, Heney, Wheeler, Gray, Senter. 1st Row: Coach Naess, Bizzozero, Spencer, Goulet, Rose, Hudson, Coach Phillips.

GIRLS' SKI TEAM

As always, the Girls' Ski Team has done a commendable job this year, under the leadership of Coach Stowell. They are a developing team, and the prospects for the future look good, indeed. As a special note, Senior "Mo" Horan was selected to attend the state meet. No doubt about it, the Seniors have GOT it.

VARSITY HOCKEY 1974-1975

The 1974-1975 version of the skating Solons was earmarked by team unity and a driving desire to compete. The team was bolstered by the fine leadership of nine seniors and co-captained by Kevin Goss '75 and Dave Nash '75.

As a result of being spearheaded by this fine contingent of seniors, the team emerged as Division II leaders (in league play), were seeded first in the State Tournament, drew a bye into the Semifinal round, and soundly defeated Mt. Mansfield 7-0. In the final game, played at Gutterson Field House at U.V.M., the Solons dropped a heartbreaker to a very scrappy Northfield club, 3-1, and gained runners-up honors in the state play-offs.

The backbone of any hockey team is the goalie, and Montpelier was blessed with two fine competitors in Peter Anthony '75 and Wade Walker '75. Our main "blue liners" of Kevin Goss '75, Bill Huntsman '76, and Phil Drake '75 (with Mike Liberman performing back-up duty) made it very difficult for opponents to enter their offensive zone. Our defensive centurions also added exciting offensive power when they rushed the puck or "unloaded" at the blue line.

Balance and power were two team objectives and the two front lines met all the criteria. The mainstays of the forwards were:

Line 1 — Clint Coolidge '75, Dave Nash '75, Mark Nicholson '75.

Line 2 — Bill Pryce '75, Scott White '77, Scott Smith '75.

As the season progressed, these units jelled to out-hustle, out-manuever, and out-score our opponents, and added the necessary offensive punch to complete the season with a very respectable 15-6-1 record. — By Coach Michaelson

The crowd likes what happens.

Our four years have passed swiftly, and we can never forget all that has happened. Our achievements, scholastic, extracurricular, and most of all, personal, have helped shape our lives and will no doubt affect us all. It has not always been easy, but our hard times have helped us shape our ultimate goals, whatever they may be.

All of our activities have helped us relate to each other as a group, and no doubt many people will remember us this way. We have all just begun to truly live, and each of us will remain, in small part, as a member of a group from which we grew into individuals. It has been for us a time of radical changes, and that special strength we received from our friends will never be forgotten.

Although our future is really unpredictable, let us all work together to make it as fine and happy as it can be.
