

Spirit of 76

1976 RECORD
Montpelier High School
Montpelier, Vermont

Walking down the long dark corridors I sense this feeling of coldness down my spine. The smell of the freshly painted rooms, the squeak of the newly polished floors. Everything looks so alone and deserted. Suddenly, lights flicker on, doors swing open, voices of laughter fill the once silent and desolate hallways.

The words of a dedication — what do they serve to do? They skim the surface of a person, pull out his good qualities, and print them on a page. They are a gift to that person from those who will always remember him. We could have picked out your good qualities and, as is the custom, put them down for you to see. But we feel that, just by dedicating this yearbook to you, we have already said that we admire you. We have already proven that we will remember you. Now there is just one thing left to say: Thank you for caring enough to try to understand us and for helping others to do the same.

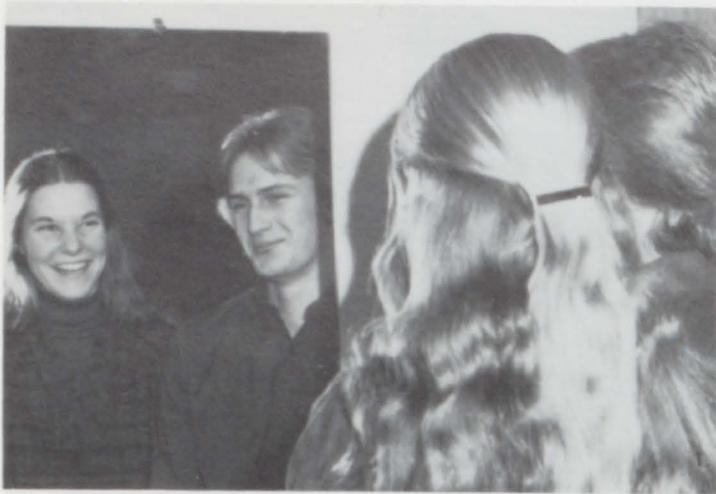

Gratefully and With Love,
The Class of 1976

The week's activities covered phases of government from city meetings to state elections. MHS and the class of '76 are proud of Tina Facos and Ken Dubay, who were both elected governors.

Anne Book and Ken Dubay represented the State of Vermont during Girls' and Boys' Nation held later that summer in Washington, D.C.

Senior Bryan Cooley was elected DAR good citizen, and at his side is Tina who was selected as one of two Vermonters to participate in the William Randolph Hearst Senate Youth Program.

SENIORS

Dawn does not Burst,
it eases its way into our
lives.

Perhaps this was meant to be.
Realization all at once
would frighten us away.
For this reason,
slowly,

we discover that we have
reached the goal.

Sometimes we look down
to where we once were
and sometimes we wish
we were there again.

But the sun becomes too
bright

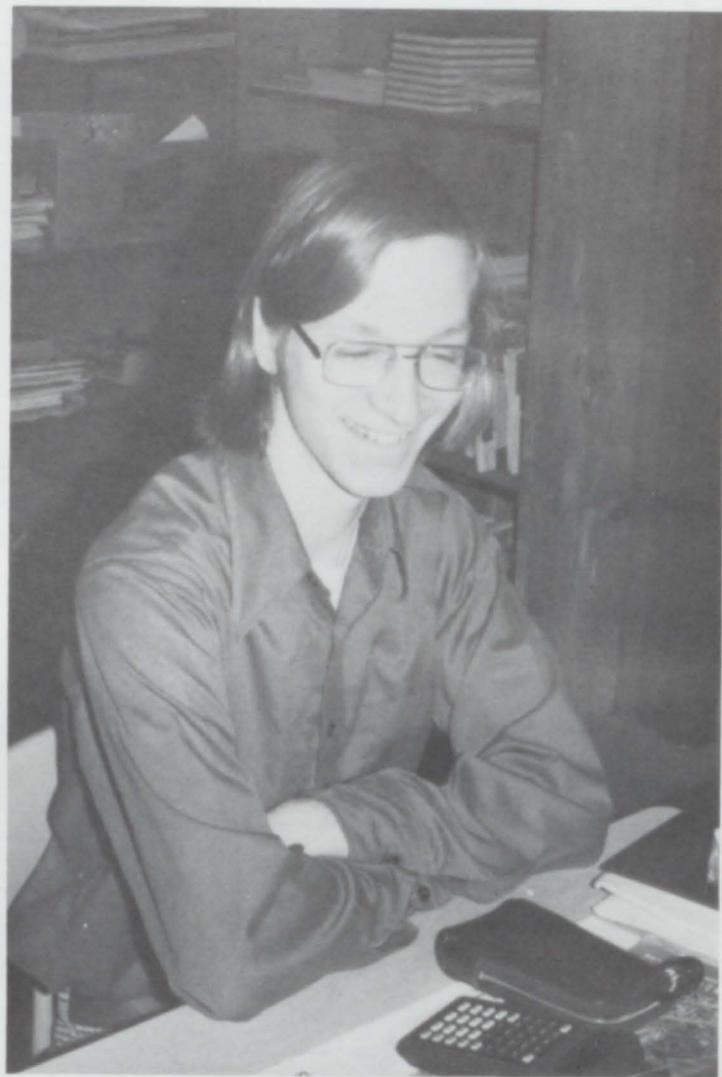

for us to do that.

Happily,
we know that now
the only thing worth
reaching for is the sky.

Let us pass quietly
with little rebellion,
as those before us have done,
and if a tear falls for memories of easier days,
it shall be a tear well shed
for it will show that,
though we have grown,
in our growing we have learned to appreciate
what has been
left behind.

SHEILA SMITH AND GAIL FACINI

Everywhere we look today, we see reminders of an important century. This year signifies two-hundred years of life for our country — two hundred years of freedom. The nation looks back at all that has gone by and celebrates its growth. We, the graduating class of 1976, are oblivious to it all. The past is irrelevant to us. This is the way a graduating class — any graduating class should feel. We look to the future and all that it holds. We see not how far America has come, but only how much farther we can make it go.

June 1976 — The Bicentennial Class — "Unique" would be the word for it as there never was nor will there ever again be a graduating class in quite the same situation. Many words will be written, many words will be spoken during the course of this year of national celebration — most of which will reflect things of the past. In your case the opposite is true. For the Class of '76 this is the beginning. Your individual histories will be a part of the future. What a responsibility you have as you assume your role in the launching of this country toward its quadricentennial celebration — 2176 — "Unique."

Congratulations on your past endeavors and good luck for the future.

Charles B. Johnson
Superintendent

George E. Sulima
Assistant Principal

I sincerely hope the past four years have kindled a spark within each and every one of you which will burn brighter and stronger as you go through life for continued learning and growth. As you leave Montpelier High School to venture forth into the worlds of higher education, technical careers or the job market, you should do so with a new self-awareness which illuminates a feeling of self-respect, self-confidence and respect for others which will enable all of you to succeed at some thing, no matter what.

The biggest problem this great Nation of ours has today after inflation, irresponsible government, and a series of tragic wars, is growing conflict among our people. If we really care about people, and experience a new awareness of our country and its future, and about ourselves, this internal problem could be solved by all of us who call ourselves "Americans" by one simple personal pledge which would proclaim: "To spare the world one more fool I dedicate my best effort to become a better American and a better person than I now pretend to be." Congratulations and good luck to all of you.

This is your year — 1976; and it is our year — our 200th birthday as a sovereign nation. How many growing pains we have rendered over the years past — you and our country. How many times we have been tempted to the easier road to achievement and fortune; and how many times we have followed conscience and advice and taken the true and proven pathways to success.

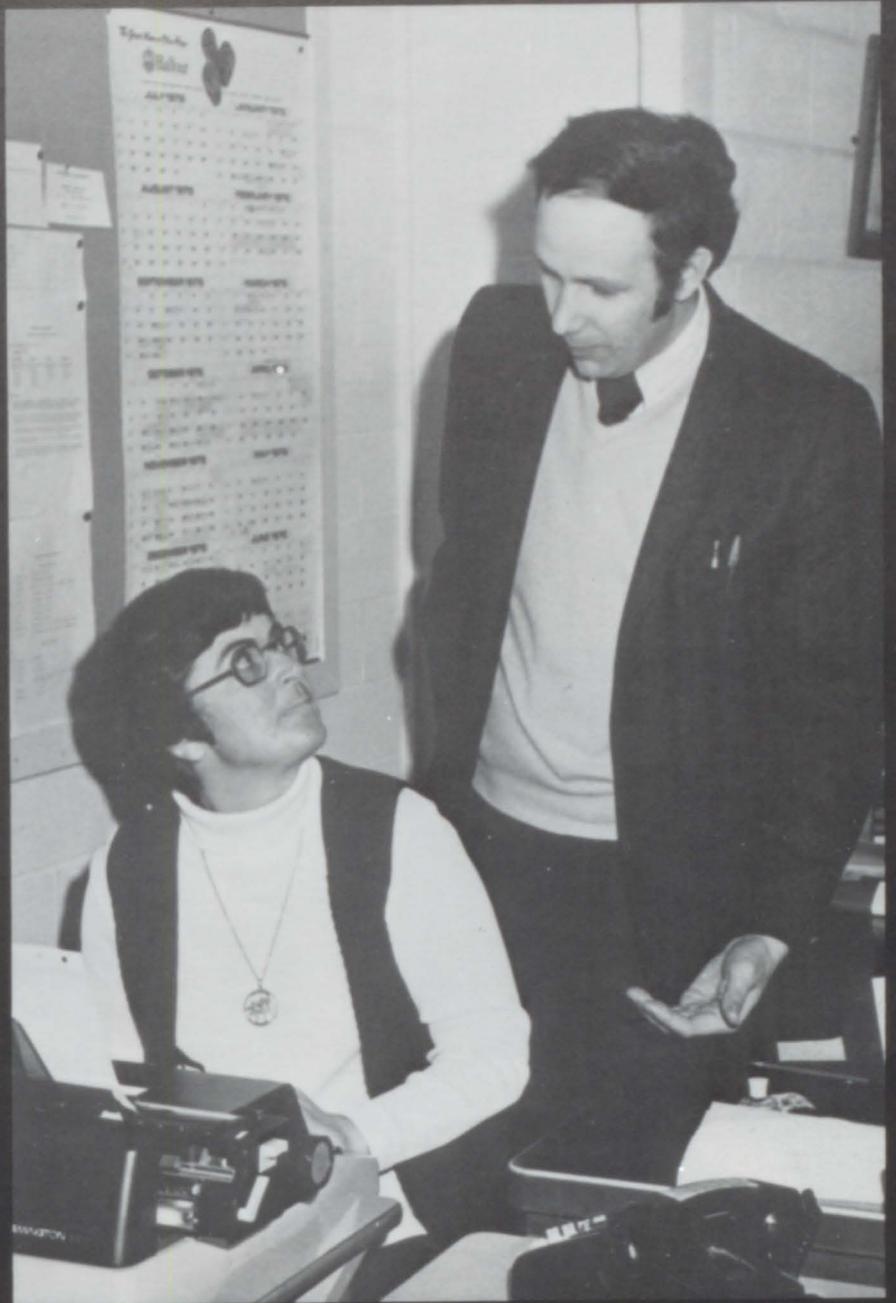

Yes, there are countless ways we can draw parallels between you as members of the Class of 1976, and our nation. But now, as then, a point of decision has been reached, a corner must be turned, a bridge to a future must be crossed.

The sound of a bell is tolling. As with the great and symbolic bell of our land, the bell that sounds for you today continues to exhort you to "proclaim Liberty throughout all the land unto all the inhabitants thereof." How will you respond to the chiming you hear? How will you proclaim, foster and support liberty for all? How has the Age fated you, the Class of 1976, to go forth from this day with pride and resolve of person?

Those of us who remain behind are confident and sure of your response. We both congratulate and welcome you into the complexities of our Life and world. Go forth today with our admiration, our best wishes and Godspeed.

The stars have faded,
the sun is still hours away.
We hang suspended
between day and night.
We struggle through
this year
in anticipation of the next.
Hopes and dreams
fade in and out
and we begin to wonder
if it's really worth it
to try.
Where are we headed?

Stars rise in the sky
to light our way through
this year.
Confidence has
been boosted

Drifting in and out

pinpoints of light
carry us through time.

this year will end.

Night falls,
envelops,
follows us
through this year
of insecurity.

Each step is a tentative one,
each word uttered has been
previously attempted,
tried on for size.

We shall make a mark somewhere
in this year.

Of that, and only of that,
we are sure.

Although the Varsity Football Team again this year was not a winning team, the togetherness, spirit, and devotion of all its members made for one of the best teams yet. The devotion of Coaches Morrison and Simpson kept the team close even during the losing season. The team had the advantage of having two Norwich cadets, Steve Banks and Kurt Volland. The two student teachers helped the team considerably. The majority of the team were seniors who will be well missed, but the remaining juniors and sophomores, and the promising Junior Varsity Team give next session a promising outlook.

JUNIOR VARSITY FOOTBALL

Under the fine leadership of Coach Brooks, the JV's had a very rewarding season. The team's combination of both offensive and defensive skills led them to several victories. Continuing in the Montpelier spirit, the team gained much experience through the season. Next year should be very promising with talented and devoted boys.

FRESHMAN FOOTBALL

The Freshmen this year showed their determination and spirit by the hardworking Frosh team. The Junior Varsity and Varsity teams have a very promising future with these energetic boys. Coach Kimble did a fine job leading these freshman in a season of dedicated playing.

GIRLS' CROSS-COUNTRY

Led by Tri-Captains Stephanie Lewis, Jayne Daniels and Kellie McCann, the girls X-Country team enjoyed their most successful season yet. The season was highlighted by the girls finishing as runner-up in the state meet. Led by Linda Kingsbury's 9th place and Rosemary Hull's 11th place finishes, the M.H.S. girls turned in their best performance. Mary Duprey's 12th place finish, Kellie McCann's 17th place, and Brenda Mailman's 19th place finished the Montpelier scoring. As with the boys' team the fact that there was only one senior in the state meet points to the potential for a strong team next year. However, the loss of Stephanie Lewis, Kellie McCann, and Jayne Daniels, all who have run for four years, will leave a big gap in leadership and experience.

Horan, Rowe, Daniels, Huntsman.
2nd ROW: Jenkins, Smith, Scheele, Isham, Barbour, O'Connel,
Kerin, Mehlman, Brigham, Schlosser, Bates, Boudreau.
FRONT: Upmal, Barrows, Leach, Graves, Brown, Scott, Whalen,
Day, Ellerson, Hull, Otis.

BOYS' CROSS-COUNTRY

The Varsity Team had a fine record of 6 and 2. They were runners-up in the state meet. The JV's were the state champions. Peter Brigham repeated his state title and improved on his 1974 New England 7th place by placing 5th. Sophomore Doug Brigham climaxed a fine season with his 7th place finish in the state meet. Junior Tony Bates had a fine 13th place. Ron Kerin placed 21st and Dennis Scheele was 24th. For the fifth year in a row, Montpelier has sent a X-Country Team to the New England Championships. The season was not limited to the success of a few. Every runner played an active part in the success of the team.

VARSITY BASKETBALL TEAM

BACK: J. Blow, B. MacDonald, G. Sebens, J. Sturtevant, J. Donnelly, M. McArdle, M. Lewis, M. Marinelli.
FRONT: L. Wilder, B. Yacavoni, S. Drew, Coach Drew, J. Daniels, B. Barrett, M. Goodwin.

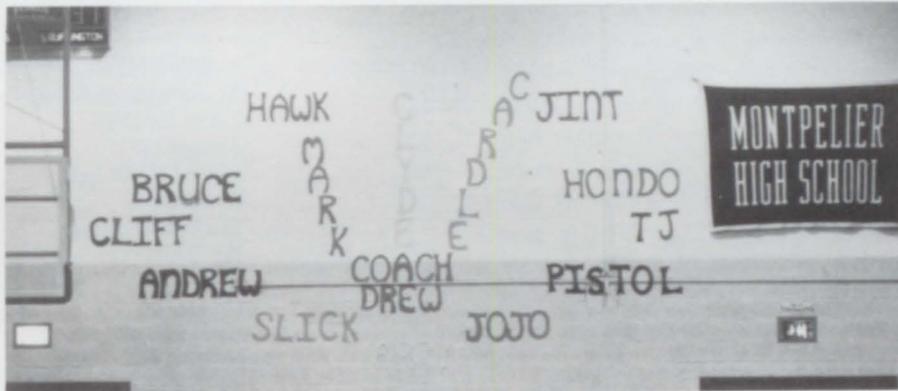

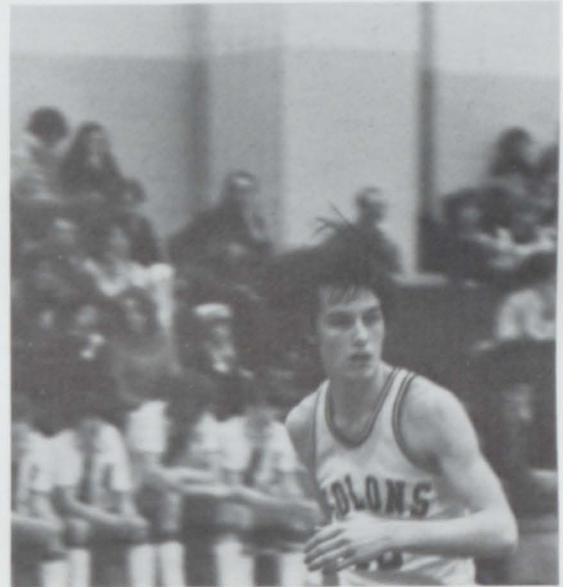

The 75-76 edition of the Solons Basketball Team completed another successful season with an overall 12 won and 9 lost record. If a word could be used to describe the players and what they accomplished it might be "overachieved." Not possessing too much natural talent and playing in a very difficult league comprised of very physical ball teams, they nevertheless gave a creditable account of themselves. Probably the teams' best games were the 2 wins over a good Essex club and 2 losses to rival Spaulding. One of the more exciting games had to have been the 70-64 loss to Windsor in the first round of the State "L" Tourney. When one looks over the individual statistics for the team, it becomes evident that each member had a hand in its success. John Donnelly led in field goals with a 44% and also hauled in 210 rebounds. George Sabens followed with 189. Bill Yacavoni had the highest free throw percentage with 78.8%, and handed out the most assists with 90. Mike Goodwin followed with 61. Team members voted on three categories. Most Valuable Player was given to Bill Yacavoni, and they considered it a toss-up for best defense ball player with equal votes going to Mike Goodwin and Mark Lewis. Probably the most coveted award other than the M.V.P. is the permanent team captain selection given to the ball player who the team members feel gave the most throughout the season in the way of effort, unselfishness, and team leadership. This year's award went to Les Wilder.

It was a good season. The players gave much of themselves without complaint. Although the record does not compare with some seasons of the past, it is a record that says without a doubt, "We did the best we could with what we had." No one can ask or expect any more than that of any team.

Coach Drew

One would classify this year as certainly the surprise year for the junior Solons. Sporting no one over six feet, the team simply outran and outthusted the clubs they played. In the 5 losses they sustained, only the Burlington game showed a large margin, and that was only 13 points. The other four losses totaled only 8 points differential. In their wins there were some outstanding games. Wins over Rice (59-54), Burlington (67-52), South Burlington (59-42), and twice over Spaulding (50-49), and (52-39), highlighted their season. The characteristics that best describe the talents of this team were their pressure defense and fine outside shooting.

The Girls' Varsity Basketball Team, with a great deal of determination and teamwork, established a 6-14 record. The girls showed tremendous improvement from the beginning of the season to the end. No matter what the score was, the girls never gave up. Many thanks to Coach Gibson for helping the team with its finest season yet.

JUNIOR VARSITY

The Girls' Junior Varsity Team showed strength and a lot of enthusiasm to establish a fine ten-ten record. The girls worked very hard and showed much promise for the future.

The 1975-1976 hockey season, at times was hard work, learning and fun; was very challenging; was frustration personified . . . but in the end was a pleasant surprise. Composed of 3 seniors, 7 juniors, 4 sophomores and 7 freshmen, the team outplayed both their "expected" potential and opponents and posted a fine 15-4-1 record. In the beginning of the season, I stated "we had a green team with a couple of exciting players." In the conclusion, "the whole team was exciting." The backbone and nucleus of this year's squad was sophomore Dave Kingston, senior defenseman Bill Huntsman, and junior center Scott White. Bill and Scott provided the offensive punch while Dave kept the team in many a fray with his outstanding net-minding skills. There were many significant games. To mention a few: the 4 to 3 overtime victory against Winooski, the 2 to 0 win over archrival Northfield, the state Playoff Tournament when the team soundly defeated Mt. Mansfield 6 to 2 in the Quarter Finals and Northfield 5 to 2 in the Semi-Finals. The first and second lines this season were outstanding considering their youth. They both provided excitement and good play around the net. The second line produced fewer goals, but their pride and challenge came in keeping their respective opponents' lines from scoring fewer goals than any of the other lines. A special thanks and recognition to all players, bench supporters, back-up players, cheerleaders and fans. Appreciation must go to those involved with the games.

As of this writing, the team and I are getting a little excited about next year's hockey season. "We are looking to the future with hope and with no regrets in the past."

This year the Boys' Ski Team had a very successful season. All members were worthy of much hard-earned credit and recognition. With the hard work and effort that the boys put forth, they qualified for the State Championship Meet. The entire team effort, even of those that did not compete, made the team one of the most successful. Coach Naess and Coach Phillips, with the help of Jim Clemons, had a team to be proud of.

GIRLS' SKI TEAM

The Girls Ski Team again hit the slopes this season under the leadership of Coach Stowell. Even in the sub-zero weather, the spirits of the girls never died. Their will to work and try brought them much satisfaction. The team placed fifth in the Northern District Meet and went on to the State meet. A special reference should be made to the cross-country part of the team. These girls worked exceedingly hard all season, and, due to a snow storm, they could not make it to the State Meet. The entire team had a season they can be quite proud of. Even though their record was not all wins, the team had the most spirit of any around.

A new addition to the sports program this winter was the gymnastics team. Although it was the first year for the gymnastics girls, they were very successful. The team had a very good turnout, and all members worked hard and devoted many hours of time to their sport. Many thanks and recognition go to Coach Davis. Next year should be a hopeful year for this young team.

THE TICKET SQUAD

Where would loyal Solon fans be without the Ticket Squad to make change and control ticket sales? Advised by M.H.S.'s answer to Pythagoras, Mr. Farnsworth, this squad deserves many thanks, although their efforts are often overlooked.

THE SECRETARIAL CLUB

Learning by doing, the Secretarial Club sponsored numerous bake sales and the annual Christmas Crafts Fair, which introduced them to some of the complexities of the modern business world.

SEATED: Vicki Cano, Cheryl Bennett, Narra Stevens.
 STANDING: Advisor Mrs. Marsh, Cindy Bigelow, Donna Connolly, Debbie Garand, Jean Miccolo, Joyce Cano.

 SECOND ROW: Todd Miller, Sarah Sprague, Laura MacPherson, Pam Cecchini, Dawn Bowers.
 THIRD ROW: Mike Anderson, Joe Percy, Peter Bliss, Mrs. Redmond.

FRONT ROW: Linda Bond, Leigh Lamphere, Chris Hull, Mike Nelson, Valerie Jones, Laurie Shallberg.
 BACK ROW: Mark Rivers, Jim Daniels, Dan Buzzi, Carol Gustafson, Lori Rivers, Mr. Miana.

A.F.S.

Talk to M.H.S.'s own MaryLynn Augustoni, who spent last summer in Australia, or Anne Book, who is looking forward to her placement in a foreign home. Learning the wonder and enjoyment of meeting people, sharing ideas, and spreading brotherhood are the goals of this club.

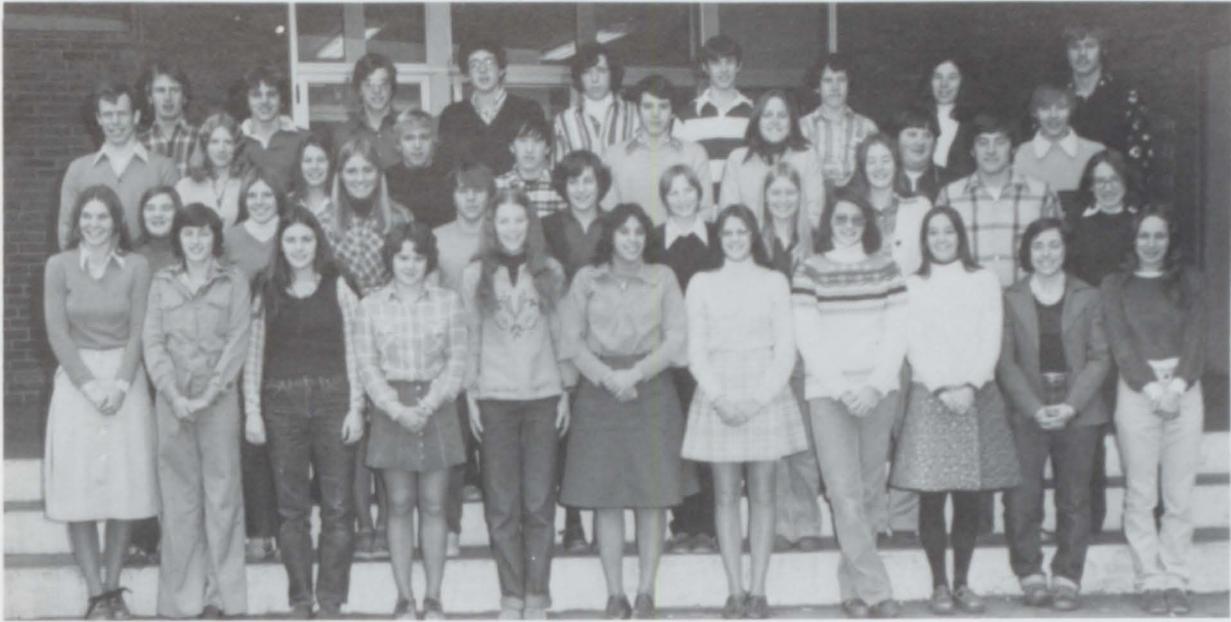

PEP CLUB

Decorating lockers — making signs — planning pep rallies — the Pep Club of M.H.S. adds spirit to the school and spurs our teams on to victory. Their devotion and support are examples for the entire student body.

OFFICERS: Sheila Canavan, Carolyn Moore, Lisa Marinelli, Karyl Carruth, Advisor Mrs. Redmond, Cindy Goodell, Catherine Benda.

THE VARSITY CLUB

The Varsity Club this year has taken a more active and helpful role in the school. Under Earl Blatchford and Stephanie Lewis, they have expanded their activities to not only supervising at home basketball games, but also sponsoring sock hops, and aiding the sports spectrum at M.H.S.

THE CHESS CLUB

With their loyal advisor, Mr. Van Cott, this club meets often to play chess and other games of skill and strategy. This group makes up for its small size with hardy and competitive spirit.

Todd Lyons, Mike Anderson, Rick Garside, Chris Lohr, Brian McCracken, Kevin Crisman, Jeff Lyons.

THE J.V. TWIRLERS

The Junior Varsity twirlers provide an exciting prelude to their senior counterparts, The Varsity Twirlers.

This talented squad, composed of seven hardworking girls, can be encountered practicing in the library lobby or performing with vigorous school spirit during the half-time shows of home basketball games.

BAND

Games, parades, and concerts, what would they be without the color and excitement of the M.H.S. Band? Thanks to the hard work of the band members and Director Richard Davidian, we'll never know. Hopefully, this standard will continue, "For-ever-more!"

THE NEWSPAPER

Who? What? Where? and other such questions were answered this year by the staff of the school newspaper. A number of issues were put out during the school year, and those who diligently labored on them found their time wisely spent. Where else could you learn the secrets of such oddities as Montpelierish and hall-running?

Let us pass quietly
with little rebellion,
as those before us have done,
and if a tear falls for
 memories of easier days,
it shall be a tear well shed
for it will show that,
though we have grown,
in our growing we have
 learned to appreciate
what has been
left behind.

What have we learned from our years at M.H.S.? We finally have come to know ourselves and our real importance. 1976 sets us free with our own dreams that are as great as the dreams of 1776. We have grown together and now we must face the world. We will make our dreams reality if we can hold fast to the unity which we have developed through these years. For our class, this is the end of one beginning but our new beginning has just begun.
