# DEDICATION

*A dedication is only words, abstract ideas pieced together to express gratitude. Yet our thanks goes beyond the confines of letters; it is a living acknowledgment of your true concern and care for everyone with whom you come in contact. Although we are leaving M.H.S. this year and take with us the memories of many acquaintances, we would like to attempt to express our appreciation to you through this honor. We only hope it can tangibly symbolize our heartfelt thanks for a job well done. Therefore, we, the class of 1977, dedicate this year's Record to our school librarian —*

*Standing here  
We look back  
On the year behind  
us . . .*

*With pride or regret,  
With laughter, with  
tears;  
With love*

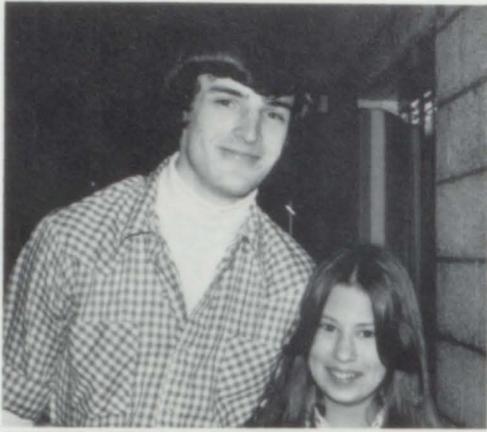

*So much has passed,  
So many things,  
Once missed,  
Are gone forever.*

*Yet others remain,  
here,  
In our hearts,  
In our minds,  
In our memories . . .*

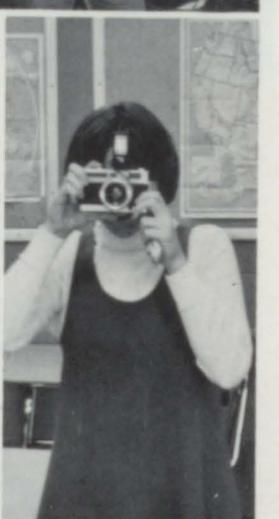

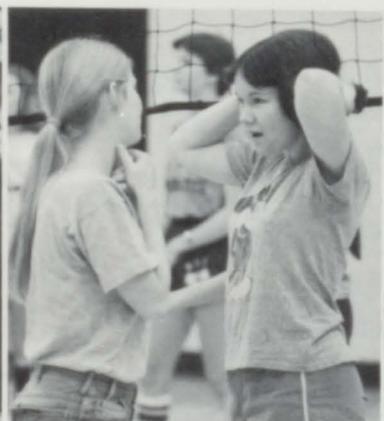

*And now*

*We must look forward*

*For a new day has begun*

*ADMINISTRATION  
FACULTY  
STAFF*

The time has quite rapidly been fulfilled that your completion of your high school career is at hand. You now are in the process of developing those plans that will soon lead you down the many diverse paths of your futures and your careers. As your plans continue to take form and substance, keep ever before you the spirit of the Founding Fathers of our State as, in 1777, they moved forward in the face of the Unknown, in the face of Uncertainty and along pathways untravelled, to build a home for us all. With their spirit, travel forward now, as those Green Mountain people did 200 years ago, in a renewed example of courage, seeking for freedom and believing in unity.

As this spirit is emblazoned on our State flag, so let it always act as a guiding beacon to you, the members of the Class of 1977. May our Green Mountain State enjoy a reinforcement of its beckoning promise through the fine abilities and good works you can bring about.

Good Luck and Godspeed.

Bruce E. Stewart  
Principal

#### CLASS OF 1977

It seems as though it was only yesteryear when you were carefree Freshmen uncomplicated, unentangled, ready for anything. Now, four years later, as the Class of '77, you stand on the threshold of the future full of wonderment, not quite certain, reticent to leave one minute, can't wait for the year to end the next. Decisions, questions, decisions, more questions. Where do I go? What do I do? Will I be a success? Have I made the right choice? Are there any real answers?

You've made it — you're on your own. This phase of the maturation process is now complete. We hope your years in the Montpelier schools have been a positive experience. One that will stand you in good stead as you seek answers to your questions and make your decisions wisely.

Congratulations and Good Luck!

Charles B. Johnson,  
Superintendent of Schools

I sincerely hope all of you leave here with an enthusiasm for the real values of life and with an appreciation of the fact that the school and the community had provided you with a setting in which you had the opportunity to grow into healthy, productive adults, capable of making wise decisions affecting your future occupations and life styles.

One of the most beautiful compensations of life is to know that one cannot sincerely try to help others without in turn helping himself. I thank each and every one of you for this opportunity.

Congratulations and the very best, always.

*It is a new day.  
The end, yes,  
But more —  
a beginning.  
The sun has come  
Over the hill.  
Cautiously,  
Almost fearfully,  
We open our eyes,  
And then,  
Slowly,  
We realize  
That the morning  
Is not  
The loss of one part  
Of our lives,  
As much as it is  
The gain of another.*

# JUNIORS

Knowing only slightly  
 What was ahead,  
 We came that day: Veterans.  
 In the past were the feelings  
 Of awe and excitement  
 And a yearning to succeed.

The next eight months held  
 Our hopes and desires.  
 It was up to us to realize  
 And shape them into  
 Thoughts of our own.

Now, all that is left is  
 Next year.  
 Like before, it holds  
 Many wonders and much excitement.  
 As with all things in the past, those  
 Shall be met and made the most of.

# SOPHOMORES

With a newly-found  
Confidence, we began  
our sophomore year.  
The bewilderment we felt  
Last year has vanished.

Though only a year  
Has passed,  
We have matured  
And have begun striving  
For the goals we  
Have set for ourselves.

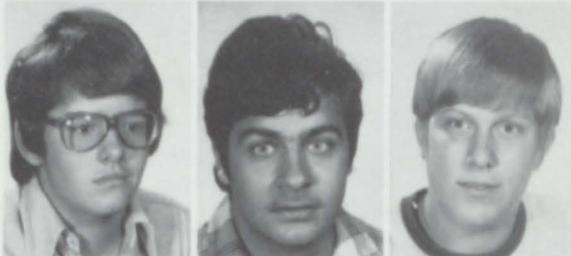

As members of the sophomore class  
We passed through the halls,  
Practically unnoticed, caught up  
In the daily life of M.H.S.  
The lack of attention  
Didn't stop us or slow us down, as  
Already we were anticipating  
Next Year and all that it holds.

# FRESHMEN

With an air  
Of false bravado  
We arrived,  
A class in ourselves.  
At first,  
We appeared shy  
And unsure,  
Afraid to attempt anything  
That seemed out of reach.

Soon, and before long  
We began to fit in,  
It wasn't quite so  
Easy now to pick us  
Out of the crowd.  
Through our ideas and  
Involvement, our presence  
Was felt.

The Girls X-Country had its finest season ever. They were led by many underclassmen who will be returning next year. But the fine leadership of the three seniors, Linda Kingsbury, Darcie McCann and Debbie St. John, can not be surpassed. This year the girls finished 2nd in the state meet, but we know that next year will be their number one year.

The best X-Country team in the state, that's what we had. The boys won all their meets except the state meet, but they defeated that team the next week by 80 points. Many outstanding runners were even more outstanding this year: Tony Bates and Doug Brigham, to name a few. This team will also lose the many senior leaders it had, but the underclassmen will soon find new leaders among themselves and they too will take it all next year.

Keep on runnin'.

Laura Nyhagen on the way to a win.

Good race, girls!

# BOYS' VARSITY BASKETBALL

1st ROW (l to r): G. Graves, D. Mureta, S. Drew, Coach Drew, R. Kerin, B. Yacavoni, S. Azur. 2nd ROW: M. Lewis, C. Fabian, B. MacDonald, G. Sabens, D. Brigham, B. Barrett, Manager P. Kelley.

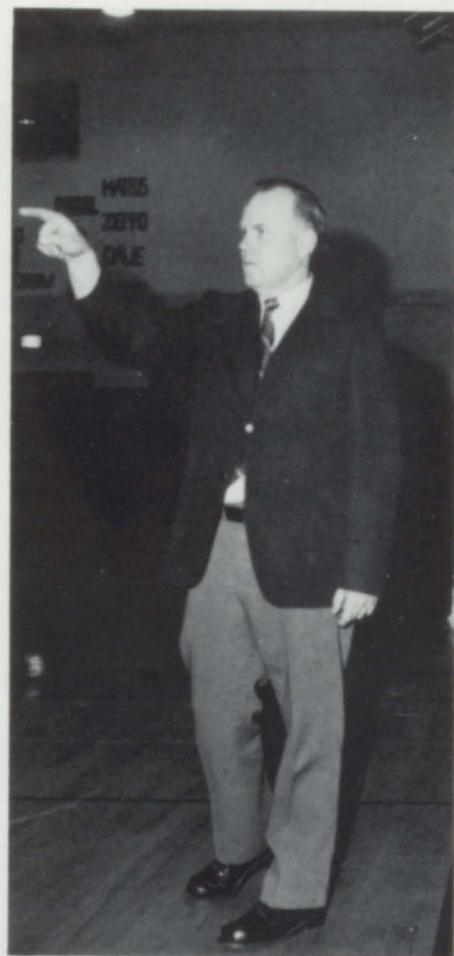

RETURNING LETTERMEN: (l to r): B. Yacavoni, S. Drew, B. Barrett, M. Lewis, B. MacDonald, G. Graves.

Although the record read eleven wins and eleven losses, the team has to look back on the 76-77 season as a highly successful one. Only one team beat them twice and that was the league champion, while seven games of the season were decided by one or two points with the Solons winning five of these.

Upsets became commonplace after a while. A fourteen point fourth quarter by Bill Yacavoni led M.H.S. to a 66-65 upset over Rutland; two crucial hoops by Barry Barrett enabled M.H.S. to beat Spaulding 67-65; while George Sabens hit a field goal at the buzzer to bring a one-point victory over South Burlington. Two of the biggest upsets of the year occurred when Shawn Drew hit an eighteen-foot jumper to beat Burlington High School (the eventual State Champions) 60-58, and Bill Yacavoni hit a shot from the baseline to bring a 56-55 playoff victory home against Essex. The season concluded in a 79-56 loss to second-seeded Windsor in the State Class L Quarterfinals.

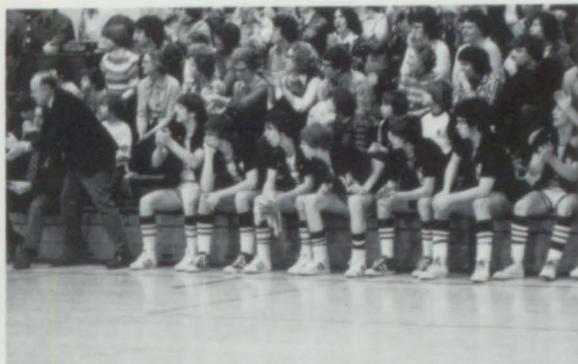

The most valuable player award was voted to Mark Lewis by his teammates, while they also chose Mark Lewis and Shawn Drew as their permanent captains for the past season. It was a 500 season, but in terms of output, desire, and team cohesiveness, it was a winning year all the way.

Wave goodbye to the ball.

Concentration

The record for the season could be divided into two seasons. The first half was the most productive, with seven wins and three losses. During this period of time, the play was characterized by some excellent teamwork. The second half of the season, although not productive of many wins, was one of fine overall hustle, but was also one of illnesses, of defections, and the loss of one ball player to the varsity team.

As a climax to the season, the team voted for the player whom they would choose to lead them as captain if they had the season to do all over, and this honor went to Terrence Conlon. The final team record was 9 wins and 11 losses.

It's more fun on the bench!

# FRESHMAN BASKETBALL

1st ROW (l to r): G. Canas, P. Rowe, B. Cody, Coach Drew, D. Drew, S. Wright, K. Upmal. 2nd ROW: T. Clewley (manager), S. Meade, D. Hannigan, K. Cody, S. Lipman, J. Pierce, M. Healy (statistician).

The season saw some exciting games with an overall record of 12 wins and 6 losses. Topping the successes were wins over Rutland and St. Johnsbury Academy and a split with Spaulding. The adjectives that would best describe the team would be small, but very aggressive. In each loss sustained, the decisive ingredient that determined the outcome was the excellent size of the opponents.

The future for these young ball players shows considerable promise.

Great form, Dennis!

The girls' basketball team put in a long, hard season, struggling with only limited success. There were a few close games and all too many distant ones. In spite of their record, they had talent, potential, and desire. They made a sincere effort and gained from their experiences.

The Girls' J.V. Basketball Team finished off their season with an admirable record of 10 wins and 7 losses. After only three years, the girls, many of whom who had never played before, have established themselves as a power-team in the state. A job to be proud of, girls.

Montpelier Hockey captain Dustin Lang jubilantly holds trophy after the Solons captured their first-ever Division II Championship (3-2 over Milton).

The 1976-1977 Hockey Solons did it all! The team (23 strong) finished the season with an overall record of 17 wins, 4 losses, and one tie. They took the league title and went into the State Tournament as the top seeded team, and by defeating Milton 3 to 2 in the Championship game at UVM became the #1 team in Division II.

Success in a sport is a beautiful thing . . . but it involves the efforts of many. This year's team performed very well due to senior leadership, underclass balance and depth, tremendous student body and community support, faithful cheerleaders (and advisor), and a rink to practice on daily.

The team extends a special thanks to the seniors who have contributed significantly . . . their efforts serve as inspiration to others and became the foundation of a new tradition.

President, Darcie McCann; Secretary, Sally Willard; Treasurer, Mary Jean Wasik; Vice-President, Diane Campbell

Another rousing discussion?

This year, the Student Council continued its tradition of being a very active and responsible assembly of student representatives. The members were quite outspoken, and many excellent ideas and opinions surfaced during the meetings. The council again sponsored a full schedule of events and activities throughout the year, including Homecoming, the Christmas Ball, the Winter Carnival, the River Clean-Up, and the Canned Food Drive.

# VARSITY CLUB

The members of Varsity Club are probably best remembered as the "gents in green" who crowd control at home basketball games. Their services are not restricted to athletic events, however, as they are also the sponsors of Sock-hops and teacher-student donkey basketball games, the proceeds of which go to the Boosters Club.

If education was limited solely to the classroom, MONTPELIER HIGH SCHOOL would be an unfulfilling experience because extra curricular activities are also essential to the learning process. Therefore, this page is dedicated to some of the students who made the 1976-77 school year REWARDING and ROWDY —

## SCHOOL SONG

Montpelier High with loyal song  
 We rally to thy call,  
 And lift thy name in chorus strong  
 Thy sons and daughters all.  
 Thy spirit guides us to the shrine  
 Of truth that makes men free;  
 In work and play we'll strive to pay  
 The debts we owe to thee.  
 Thy green and white unsullied  
 bright  
 Shall ever float on high.  
 Ev'ry lip in fellowship  
 Shall join the joyful cry.  
 Hear our cheer, Montpelier dear,  
 Swell to a mighty roar.  
 Hail to thy name, bright be thy  
 fame  
 FOREVER MORE

Our lives are like the sun.

Sometimes dulled by clouds, lost in a haze, subdued and distant,  
Only to emerge burning, shining, glowing — spreading golden rays  
of hope, warmth . . . love.

Rising in the east, sinking in the west,  
The sun touches all in the course of a day.  
Although we have learned and played and loved  
The setting of the sun now separates us from today.

Let us lift our faces to the dawn  
To a new day, a new beginning.

In the rise of the sun lie our hopes, our dreams, our future.  
May the Class of 1977 live in sunshine all the days of their lives  
And in the dusk of our lives, let us pause and remember

Other sunsets.

We would like to thank Mrs. Canavan, Mrs. MacDonald, and Mr. Lizzari for their time and concern which made the 1977 Record possible.
