AND STUDENTS
OF SPAULDING HIGH
WHO CAUSE THE HALLS
TO ECHO WITH
THE SOUNDS OF FREEDOM
Freedom...

...to be ourselves-
here and now...
...to follow the crowd
...or be our own person...
...to trace our initials on a
steam windowpane.

Freedom...

...to grasp life
where we find it...
...to let the world mold our minds
for its purpose...
...or to mold the world to fit our needs...

Freedom...

...to see life
as an attitude...
...to be nothing at all
...or to be all we can be...

Freedom...

...to be ourselves
...to let others be themselves
...to see ourselves just as we are
for a few fleeting moments.

Freedom...

...it's found here;
if you look for it-
within yourself.

Freedom...

...to be ourselves
...to let others be themselves
...to see ourselves just as we are
for a few fleeting moments.

For the first time in several years, Spaulding has a full-time school nurse. Besides taking temperatures, dispensing countless aspirin tablets and tending to numerous cuts and bruises, Miss Monti established the Diet Club for those students who wished to create for themselves a new and lovelier figure. The club, which turned out to be a success, partook in many activities such as swimming and skating throughout the year.

The J.V. "ripple" ran away with many wins, compiling an overall record of 7 wins and 2 losses. A round of applause for a fine brand of sportsmanship and ability worthy of notice is in order for each player who contributed his share to the team's overall success. The "ripple" will be back to replace many of next year's graduates, and we can all look forward to more exciting soccer games.
Tide’s Booters Pull Big Upset

By BOB SHERMAN
RANDOLPH CENTER — Dave Martin scored the second of his two goals in a sudden death overtime period to give Spaulding a 3-2 win over Green Mountain in the first round of the Class L, I tournament here at Vermont Technical College yesterday.

“This is the first time we’ve made the playoffs in the four years Spaulding has had soccer,” coach Bob Freeman commented after the game. The win thrust the Spaulding into the quarter finals of the tourney.

Yesterday it was the Tide halfback corps that got things rolling as its aggressive play kept the ball in the Green Mountain and throughout most of the first quarter.

Spaulding scored first as Martin booted the ball by the Chieftain netminder with only 2:57 gone in the first period. The Tide’s passing game was excellent as Per Gjelsvik, Vic Rossi and Martin controlled the ball throughout much of that first period.

Green Mountain deadlocked the score with 20 second st0 go in the quarter as John Martens took an indirect kick and drove it by Spaulding netminder Greg LaCroix.

The Chieftans took the initiative in the second quarter and applied pressure to the Spaulding goal but LaCroix thwarted any scoring bid that came his way.

The score remained tied at the half but the Chieftains held the edge in shots on goal 16-9.

The score remained all even throughout the third period but in the final quarter Gjelsvik took a Martin pass and headed the ball by the Green Mountain netminder.

Gjelsvik’s goal came with just 1:52 gone in the final frame and the tally brought the Spaulding fans to their feet.

The final period seemed to go on forever as the Chieftans applied pressure to LaCroix and the Tide defenders tried frantically to keep the ball out of its own end.

Sophomore Rollie Vigneault played an excellent game in his fullback position for Spaulding as he continuously cleared the ball away from the Tide net.

With little more than a minute to go Ron Laffaye evened it up for Green Mountain as he intercepted a goalie’s kick and drilled the ball into the empty net.

The final horn sounded with the score deadlocked at two sending the game into sudden death overtime.

In tournament play the overtime periods are sudden death and a total of six 5-minute periods can be played.

Spaulding only needed one minute of the initial overtime period to put the game away as Martin broke loose and moved on the goal, drilling a shot with his left foot at the Chieftain netminder. The ball hit the back of the net to the right of the goalie and Spaulding has won it 3-2.

Spaulding Booters Win Second Playoff; Milton Wednesday

By BOB SHERMAN
NORTHFIELD—An amazing Spaulding High School soccer team battled its way into the semifinals of the Class I-L tournament Saturday morning with a 1-0 shutout of Peoples Academy of Morrisville at the Norwich University field.

The win, Spaulding’s second in tournament play, moves the Crimson Tide into the third round of play against unbeaten Milton (13-0-2) on Wednesday, time and site to be announced.

Dave (Moon) Martin scored the only goal of the game midway into the final period as he broke in front of the goal and drilled a shot past Peoples Academy netminder Steve Vanasse for the score. Martin’s aggressive, almost arrogant play has sparked the Tide’s offense all season.

Vanasse and the Wolves defensive unit played an extremely tight game under heavy pressure from Spaulding’s front line. It’s two fullbacks saved the Wolves more than one goal.

It was perhaps the Tide’s toughest game of the season and the boys of Coach Bob Freeman were up to it as they played aggressively throughout the entire contest.

There were no slack periods in this one and it was obvious from the start that Spaulding, the underdog, meant to win the ball game.

Front Line Improved
Spaulding’s front line of Martin, Vic Rossi and Per Gjelsvik has seemed to improve with every game since Freeman shuffled them around midway through the regular season.

Rossi has been playing as an inside forward and since that change the Tide has developed a much better passing game.

Saturday’s test was probably Rossi’s best of the campaign as he consistently beat his man dribbling the ball over, around and through that enemy defense.

The game was scoreless through the first three periods as neither team had good shots and both defensive units were looking sharp and giving nobody a thing.

In the second quarter, however, Spaulding mounted an offensive push and kept it up for the remainder of the game.

Immediately after Martin’s score the Wolves mounted what was to be their last offensive attack.

LaCroix had a good day in goal, turning away 11 shots while Vanasse stopped nine. Peoples out-shot the Tide 16-11.

Martin’s goal brought an uproar from the Spaulding fans who braved the cold weather to see one of Barre’s top sports teams in action. That shot slammed into the goal post and rebounded into the net.

Spaulding’s only other real scoring opportunity came in the second period when a shot to the right of the goal appeared to have creased the net for the score. But the ball had hit the top of the goal post bar and fallen onto the outside of the cage.

The win boosts Spaulding’s mark to 7-3-3 overall on the season and moves the 12th seeded Crimson booters into the semifinals of the I-L tournament.
SOCCER

Spaulding's Dave Martin dribbles ball in last Saturday's soccer clash with Peoples Academy. Martin scored the Tide's only goal in that one to move Spaulding into the semifinals of the State playoffs.

Tide's Booters Lose Toughie To Milton

BY BOB SHERMAN
ESSEX JUNCTION — Soccer is the kind of game that requires speed, agility, coordination, a certain amount of skill and sometimes just a little luck. The Spaulding High booters didn't have much luck yesterday as a penalty kick gave Milton High a 1-0 victory over the Tide in the semifinal round of the Class I, L Tournament.

Late in the fourth quarter with no score in the game Milton had a break on goal and the Tide defender tried to go for the ball and rode the Yellow Jacket attacker off the play. The referee called an obstruction penalty and Milton was awarded a penalty shot.

Bob Ladd took the shot and place it nicely just inside the left corner of goal. Spaulding netminder Greg LaCroix didn't have a chance on the shot and Milton took the one goal edge which it held on to for the few remaining minutes that were left in the game.

For the Spaulding players it was a disappointing end to an otherwise great season. The Tide booters finished the season with a 7-4-3 mark including tournament play and in coach Bob Freeman's words "put Spaulding soccer on the map on the state level." This is the first time in the five years Spaulding has had soccer that it has made it into the state tournament.

Freeman praised the club, especially the defense for yesterday's performance. "Four of our five forwards carried injuries in yesterday's game," Freeman said, adding that the defense really did its part to keep Spaulding in the game.

Spaulding brought its aggressive brand of soccer to the Yellow Jackets and controlled the ball throughout most of the first half. The play was constantly in the Milton end but as Freeman put it, "the ball just wasn't going into the back of the net."

One big reason for the Yellow Jackets' success this season, (they've had only seven goals scored against them and are undefeated) is the defense. Its fullbacks and halfbacks were big and strong and the smaller Tide attackmen had trouble getting by them.

Spaulding missed four good shots in the first half and at least one more in the second. Norm Tucker had a break on goal in the third quarter but couldn't unleash a strong shot and Tim Potvin, the Milton netminder, blocked the shot easily.

Three for one. Spaulding's Vic Rossi battles two Milton players for head shot in yesterday's Class I, L semifinal soccer clash between the two clubs.

DEBATE

"...There is documented proof that..."

Bruce contemplates his next move.
'There can be no prescription old enough to supersede the Law of Nature and the grant of God Almighty, who has given to all men a natural right to be free, and they have it ordinarily, in their power to make themselves so, if they please.'

James Otis
The Interact Club, a subsidiary of the Rotary International, is a worldwide organization dedicated to service and international understanding. This year Interact has sponsored a child in India for a year, donated the speakers for the Dr. Pendo Memorial Field, and donated money for the Winter Carnival and scholarships. Interact acquired the necessary money for these beneficial activities by sponsoring dances, car washes, food sales, and running the football concession stands.

The school store, which is under the management of Eric Grover, is a favorite hang-out for students during study halls, lunch periods and after school;
Senior Susan Murdock has been named the 1974 Betty Crocker Homemaker of Tomorrow for Spaulding High School. She received this honor on the basis of test scores earned on the test given Nov. 13, 1973 at the school.

This test was made up mostly of common-sense type questions with an essay question at the end. To qualify for the test, one simply had to be a senior.

Congratulations, Susan!

CHRISTMAS

CONCERT
Although the snow was scarce, and the weather bitter, many brave souls made snow sculptures. The winner was the swan sculpture, second prize went to the Industrial Arts class who created a fierce dragon in the back parking lot, and third was awarded to a fashionable turtle, created by individual students.

The weekend left us all wondering what magical qualities the snow held that enabled us to throw away our inhibitions, and become children again.
"Snowflake Fantasies" was the theme of the first annual Winter Carnival at Spaulding. It was a weekend affair packed full of excitement, fun and competition. Snow sculptures, a formal dance, a pancake breakfast and sport competition were among the many activities that took place.
"Snowflake Fantasies"

Music for the dance was provided by ADOM

GLEE CLUB

The first year is always one of test and change. James Dehls has worked hard with the Glee Club this year and has many new and exciting ideas for next year.

One of the firsts for this year was the appearance of the Glee Club on Educational Television around Christmas time.

We're looking forward to seeing and hearing more from the Glee Club.

Mr. James Dehls - Director

......the Glee Club can!!
The Spaulding Orchestra is a small group of talented musicians. Each year they work hard and this year has been no exception. We’re proud of them.
